The Other Black Girl Zakiya Dalila Harris, 2021-06-01 A Hulu Original Series Coming Soon "Riveting, fearless, and vividly original" (Emily St. John Mandel, New York Times bestselling author), this instant New York Times bestseller explores the tension that unfurls when two young Black women meet against the starkly white backdrop of New York City book publishing. Twenty-six-year-old editorial assistant Nella Rogers is tired of being the only Black employee at Wagner Books. Fed up with the isolation and microaggressions, she's thrilled when Harlem-born and bred Hazel starts working in the cubicle beside hers. They've only just started comparing natural hair care regimens, though, when a string of uncomfortable events elevates Hazel to Office Darling, and Nella is left in the dust. Then the notes begin to appear on Nella's desk: LEAVE WAGNER. NOW. It's hard to believe Hazel is behind these hostile messages. But as Nella starts to spiral and obsess over the sinister forces at play, she soon realizes that there's a lot more at stake than just her career. Having joined Wagner Books to honor the legacy of *Burning Heart*, a novel written and edited by two Black women, she had thought that this animosity was a relic of the past. Is Nella ready to take on the fight of a new generation? "Poignant, daring, and darkly funny, *The Other Black Girl* will have you stressed and exhilarated in equal measure through the very last twist" (Vulture). The perfect read for anyone who has ever felt manipulated, threatened, or overlooked in the workplace.

Raising Uncommon Kids Sami Cone, 2016-01-12 The single greatest lesson parents teach their kids isn't anything they say--it's what they do. And while most parents would say they want to raise compassionate kids, they might be surprised to discover just how little they're actually modeling the behaviors they hope to pass on--qualities such as unconditional love, gentleness, forgiveness, patience, gratitude, humility, and more. In this unique book, Sami Cone shows parents a new way to look at molding their children, one in which focusing on adding good behaviors and attitudes is more powerful than eliminating bad ones. Grounding her advice in Scripture--specifically the twelve characteristics found in Colossians 3:12-17--Cone offers plenty of stories from her own life to show these principles in action. And she offers practical things parents can do right now to create a home and family that exhibits love, harmony, and generosity of spirit in a self-centered world.

The Well-Loved House Ashley Whittaker, 2021-09-21 In her first book, *Elle Decor* A-List decorator Ashley Whittaker shares the secrets of her colorful, pattern-filled classic rooms. Ashley Whittaker's work is distinctively classic and sophisticated, but also inviting and warm. Dubbed a neo-traditionalist, she fearlessly marries adventurous colors and patterns in rooms yet still manages to retain a sense of elegance and restraint. In *The Well-Loved House*, she shares a selection of dwellings, from gracious Connecticut estates to chic Manhattan pieds-à-terre to waterfront beach houses on the Florida coast, most exclusively photographed for this book, including her own house never before seen. Whittaker believes houses are meant to be beautiful, but also lived in and enjoyed, and she shares her knowledge and strategies for achieving this interplay. Within each house, Whittaker offers guidance on furniture plans, complementing the architecture of a space, playing with color, and mixing pattern. She explains why it is important to have consistent threads throughout a home, but also contrast and juxtaposition. The results are stunning: Bohemian patterns mix with classic palettes; rich, saturated color mingles with highly polished finishes. Lacquered blue walls show off a collection of blue-and-white porcelain. An inviting L-shaped sofa and games table reinvent an unused library into a favorite space for socializing. Whittaker's houses all share both a sense of drama and a sense of comfort—they are homes that welcome you at the end of a long day, homes for living, homes to love.
