Kinky Friedman

ABC Ivan Illich, Barry Sanders, 1989 An intense examination of the effects of technology on literacy and language. The authors argue that there is a phenomenon transforming modern culture--language is becoming part of a technology of information systems with an emphasis on control, rather than human exchange. As a result, all language is becoming debased.

Greenwich Killing Time Kinky Friedman, 1997-04 The place is New York City's Greenwich Village. The corpse is found holding 11 pink roses. The suspects are as strange as the crime. And the detective just happens to be a country singer named Kinky Friedman in his wild, witty, and wisecracking debut novel.

Ceremonial Chemistry Thomas Szasz, 2003-10-01 Responding to the controversy surrounding drug use and drug criminalization, Thomas Szasz suggests that the therapeutic state has overstepped its bounds in labeling certain drugs as dangerous substances and incarcerating drug addicts in order to cure them. Szasz shows that such policies scapegoat certain drugs as well as the persons who sell, buy, or use them; and 'misleadingly pathologize the drug problem by defining disapproved drug use as disease and efforts to change the behavior as treatment. Readers will find in Szasz's arguments a cogent and committed response to a worldwide debate.

The Prioress's Tale Geoffrey Chaucer, 1987 Part Twenty Of all Chaucer's tales in the Canterbury Group, The Prioress's Tale of the Virgin Mary and the murdered child ranks among the most popular and surely the most admired for its artistry. Nonetheless, it has encountered its fair share of somewhat hostile criticism on purely social and cultural grounds, owing in part to a negative evaluation of the Prioress herself (she is seen by some as a shallow person who does not recognize the harmful implications of her utterances), in part to the anti-Semitic cast of the tale. Beverly Boyd's tough-minded, crisp approach to the tale enables her to present an overview of the great diversity of scholarship in both the sympathetic and hostile approaches to the work; to examine its strongest ingredients, the liturgical borrowings that form a kind of subtext; and thus to offer a balanced view of one of Chaucer's most carefully crafted poems. Her examination of the sources and analogues, of Miracles of the Virgin, of considerations of style and structure, along with a full treatment of the textual tradition of the Prioress's Sequence and an unusually full corpus of explanatory notes, taken together, provide a rich and complete edition of the tale, one that will prove to be of exceptional value for the teacher and the scholar.

Roadkill Kinky Friedman, 1998 Who would slap an Indian curse on a good ol' boy like country singer Willie Nelson? Probably the same person who's been firing shots into Willie's hotel room and sending nasty notes promising the cowboy crooner a one-way ticket to the big rodeo in the sky. Could it have something to do with the medicine man who got run over by Willie's tour bus one dark night? If anyone can find out, it's ace troubleshooter and well-known troublemaker Kinky Friedman--on the road again in his tenth wickedly funny, off-the-wall mystery caper. Get Kinky on the Web: www.kinkyfriedman.com
