Operation Happiness Kristi Ling, 2016-03-01 In *Operation Happiness*, happiness strategist and life coach Kristi Ling teaches you how to create immediate, positive shifts in your life by proving that happiness is a skill that can be cultivated, learned, and mastered--much like playing an instrument. After experiencing multiple devastating events, Ling spent years studying the science of happiness and focused on identifying and testing specific emotional support tools. During this process, she discovered something that goes against everything we've been lead to believe about happiness: it isn't just something you feel; it's something you do. Based on this discovery, Ling narrowed down the road to happiness to three powerful steps: Change Your View, Change Your Mornings, and create new habits, the foundational principles for *Operation Happiness*. Part memoir and part how-to, *Operation Happiness* combines compelling personal stories, inspiring perspective shifts, and big ah-ha moments with specific how-to's and clear actionable steps to help you create a solid foundation for sustainable happiness that will propel you into a new, light-filled way of living.

Talk Yourself Happy Kristi Watts, 2017-01-03 Former cohost of The 700 Club Kristi Watts reveals the pitfalls that keep Christians from true joy and demonstrates the transformational power of speaking the words and promises of God. How does a person bounce back after being beaten down personally, professionally, and emotionally? What impact do words, thoughts, and beliefs have in determining one's level of happiness? Kristi Watts asked herself these questions after her marriage dissolved and she left a high-profile position as a cohost of The 700 Club. Initially excited to walk into a new season of life that she thought held the key to happiness, she soon stumbled into emotional pitfalls that left her discouraged, disappointed, and distant from God. Known as the upbeat host who was always filled with joy and laughter, she was anything but--yet she was determined to get her happy back! But how? By learning, as Kristi did, that true happiness is not simply acquired but rather cultivated. When one's words focus on faulty perspectives, faith is quickly derailed, but by remembering God's blessings and verbally claiming His promises, hearts change. Using biblical principles, *Talk Yourself Happy* illustrates the importance of relying on God to tame our tongues and train our minds, and it exposes the hidden traps that keep Christians from living lives of happiness, empowering readers with the ultimate transformation of their hearts.
