This dynamic illustrated book is brimming over with encouragement and wisdom and delivered with a fresh, modern twist. The artwork is by more than twenty popular illustrators and designers, who transform simple but smart mottoes—from the contemplative “Find beauty in rain” to the upbeat “I make my own sunshine!” to the empowering “Don’t shush your inner voice. It’s who you are” to the joyful “Live every day like it’s your birthday”—into bold and visually dynamic statements. This book is a delightful pick-me-up that can be read over and over again and bring comfort and affirmation every time. The Key to the Middle East Derek Prince,2013-11-05 One

Nation Holds the Key to the Destiny of Mankind Though it may seem distant from our modern lives, the drama playing out in the Middle East on the world stage has consequences beyond what we can imagine. And in the tumult of it all, one tiny nation will become the watershed of world events, affecting us all. In this accessible,

behind-the-scenes guide, internationally renowned teacher and scholar Derek Prince goes beyond the headlines and immerses you in what the Bible has to say about Israel. Tracing her long, astonishing history, he offers insight into the mounting tension and exposes the destructive enemy now stalking this war-torn land. Accessible and fascinating, *The Key to the Middle East* also reveals God's plans for all nations--and what our future could look like. Prince's depth of understanding and interpretation of Scripture will challenge and encourage you. But above all, you will be brought face-to-face with the God who remembers, honors and lovingly guards His promises to His people.

Healing with the Angels Doreen Virtue, 1999

Shows for Days Douglas Carter Beane, 2017-03-16 It's May 1973 when a young man wanders into a dilapidated community theater in Reading, PA. The company members welcome him--well, only because they need a set painter that day. The young man then proceeds to soak up all the idealism and the craziness that comes with being part of a struggling theater company with big dreams. When a playwright looks back at his beginnings in the theater and decides to chronicle those experiences in a play, all sorts of things can happen. If you're

Douglas Carter Beane, who grew out of his Reading, PA, community theater days to become one of the stage's master writers, it's bound to bring a measure of gimlet-eyed reflection, a large dollop of self-deprecation, and a heaping dose of hilarity.

The Lyons Nicky Silver,2013-01-01 Comedy nirvana . . . satisfyingly mean and funny.—New York Post Without sacrificing his mordant wit or bleak worldview, this distinctive dramatist shows a new maturity and empathy in. ?The New York Times Nicky Silver's terrific play is filled with moments when you can't stop laughing even though the circumstances indicate you really shouldn't. . . . A wonderful little riff on family dysfunction. ?Associated Press Silver finds plenty of fresh bite, and the sheer savagery of his observation here is breathtaking. Watching it brings the dueling sensations of wicked mirth and squirming discomfort at being trapped in the hell of someone else's family horrors. That these are exaggerations of our own is what gives the play its teeth.—The Hollywood Reporter This vicious, hilarious black comedy opened on Broadway in April 2012 to rave reviews. Nicky Silver, that strange progeny of a coupling between Mr. Neil Simon and Edward Albee (The New York Times), has cornered the market on deliciously savage dysfunctional family comedies. Following an acclaimed run Off-

Broadway, this intimate and frightening examination of how we cope with loneliness and disappointment currently delights audiences on Broadway. Rita Lyons is the matriarch of a family facing a major crossroads. Her husband, Ben, is dying and her grown children are struggling. As the family gathers in Ben's hospital room, they discover that they're as terrified of being together as they are of being alone.

As Bees in Honey Drown Douglas Carter Beane, 1998 **THE STORY:** Evan Wyler has just finished a photo session with his shirt off. No, he's not a supermodel; he's a twenty-something New York writer savoring the success of his debut novel. Defined by the media as the hot-young thing-of-the-moment, Eva

Sacred Path Cards Jamie Sams, 1990-10-12 This extraordinary tool for self-discovery draws on the strength and beauty of Native American spiritual tradition. Developed by Native American medicine teacher Jamie Sams, this unique system distills the essential wisdom of the sacred teachings of many tribal traditions and shows users the way to transform their lives. The 44 beautifully illustrated cards, each endowed with a particular meaning and message, may be drawn individually for a daily lesson or laid out in a series of spreads that open up different

paths to inner knowledge. Used with the accompanying text, which explains the various forms and methods of interpretation and divination, the cards are a powerful tool for enhanced self-awareness and positive change.

Lyrics Oscar Hammerstein (II), 1985 This volume, edited by William Hammerstein, encompasses lyrics from Oscar Hammerstein's entire canon; from the early Indian Love Call written in 1924 with Otto Harbach and Rudolph Friml, to his final song, Edelweiss, written with his long-time collaborator Richard Rodgers in 1959. Oscar Hammerstein's introduction, Notes on Lyrics, has been an acknowledged classic text for musical theatre enthusiasts since 1949 and remains a definitive work today. To say Oscar Hammerstein II made a significant contribution to the art of lyric-writing is understating the case. He, with his lyrics, and his collaborators, with their music, rewove the fabric of the musical theatre for all time.
