Great Britain. Parliament. House of Commons

Numbers 1-20 ,1993 Despite the importance of the Book of Numbers, its rich collection of stories is not easily assimilated, even by the most conscientious of readers. As such, it requires the help of an expert guide to thread one's way through this mixture of interesting episodes and anecdotes on the one hand, and the many lists, prescriptive rules, ritual regulations, and repeated admonitions on the other. Professor Levine shows us the way into this difficult and sometimes forbidding book of the Bible, and we can be confident of our guide, and secure in the knowledge that the one who led us into the thicket will lead us out again into a broad and fair land.--Jacket.

Codification of Statements on Standards for Accounting and Review Services, Numbers 21 - 25
AICPA,2020-06-23 This book provides the requirements for performing engagements in accordance with Statements on Standards for Accounting and Review Services (SSARS). This updated edition includes the authoritative standards and interpretations applicable to preparation, compilation, and review engagements. The guidance and related interpretations will help you apply the standards in specific circumstances. The codification also clearly shows amendments, deleted or superseded content, and conforming changes due to the issuance of other authoritative guidance. The codification contains all SSARSs, including SSARS No. 21, which is now effective, through SSARS No. 25, Materiality in a Review of Financial Statements and Adverse Conclusions.

SSARS No. 25 further converges AR-C section 90 with International Standard on Review Engagements (ISRE) 2400 (Revised), Engagements to Review Historical Financial Statements, and minimizes differences with the auditing standards regarding concepts that are consistent regardless of the level of service performed on the financial statements.

Radical David Platt,2010-05-04 New York Times bestseller What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In *Radical*, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a successful suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in The Radical Experiment -- a one-year journey in authentic discipleship that will transform how you live in a world that

desperately needs the Good News Jesus came to bring.
