**Defy the Odds** Benny Tate,2022-03-08 “A wonderful picture of how God can use any person regardless of their past.” —Roma Downey, Emmy®-nominated actress and producer Pastor Benny Tate never faced a time that wasn't filled with obstacles. Each season of life came with setbacks that often seemed insurmountable: the abusive father figure who tormented Benny and his mother, the lack of guidance in his early adulthood, and the illness and infertility he and his wife battled in their marriage. Yet in every crisis, God was there to redeem pain for glory, transforming Benny's life into a moving testament to His power. Through his struggles, Benny's faith grew as he saw how God provided him with the strength, wisdom, and resources he needed to overcome each staggering challenge placed before him. In parts a memoir that will tug on your heartstrings, a guide to get you through tough times, and a reminder to never see yourself as the victim of your own life, Defy the Odds will inspire your soul as it proves that you follow a God who can—and will—see you through the impossible.

*Lean In* Sheryl Sandberg,2013-03-11 The #1 international best seller In Lean In, Sheryl Sandberg reignited the conversation around women in the workplace. Sandberg is chief operating officer of Facebook and coauthor of Option B with Adam Grant. In 2010, she gave an electrifying TED talk in which she described how women unintentionally hold themselves back in their careers. Her talk, which has been viewed more than six million times, encouraged women to “sit at the table,” seek challenges, take risks, and pursue their goals with gusto. Lean In continues that conversation, combining personal anecdotes, hard data, and compelling research to change the conversation from what women can't do to what they can. Sandberg provides practical advice on negotiation techniques, mentorship, and building a satisfying career. She describes specific steps women can take to combine professional achievement with personal fulfillment, and demonstrates how men can benefit by supporting women both in the workplace and at home. Written with humor and wisdom, Lean In is a revelatory, inspiring call to action and a blueprint for individual growth that will empower women around the world to achieve their full potential.

*Successfully Marketing Your Novel in the 21st Century* Austin S. Camacho,Sandra Bowman,2013-09-01 The rise of e-books, loss of bookstores, disappearance of the big publishers' midlists, improvements in self-publishing technology and the advent of social media have turned the book business on its head. One thing has remained the same. Novels must be promoted and marketed if an audience is to find them. Although it has never been easier to get a book published, it has also never been harder to get a book sold. Providing guidelines on how to drive book sales to a whole new level, this up-to-date book is crammed with tips and tricks of the book trade gathered from the authors' own experiences as an author.

**Love Them Anyway** Choco De Jesús,2021-06-01 Love breaks through defenses and destroys walls that divide us. Love demands more of you and me than we often want to give. It's easy to love a lovely person, but what about...them? What about that stereotype, that race, that person or group of people in a political, cultural, or socioeconomic class who don't behave like you, don't believe like you, and if you are honest...make you uncomfortable? What is love in this context? We read that Jesus broke boundaries to love the people that many detested. His love was transformative because His love saw past disagreement, indifference, and offense. Loving them? Like this? That's hard. If you consider yourself a Christian, then love should be your primary characteristic. But it seems that division defines us in our society where rage and anger abound. Today, many people see Christians as angry followers of God who are more interested in winning political arguments than loving people. If we say we follow Jesus but are not loving like Him, then what's the point? There is a better way. Using the incredible story of how Pastor Choco chose to "love them anyway" to transform the crime-ridden community of Humboldt Park in Chicago, Love Them Anyway will inspire you to love in a way you never have. This book will pave a compelling path for you to both express and experience a truly transformative love on a deep level. It will tap into your deepest desires, expose your hesitations, connect you deeper with God's love, and help you take bold steps to love the people around you—and your love will change lives. When you learn to Love Them Anyway, your passion will be redirected, your purpose will be refined, and you will see God use you in ways you could never have imagined. Love is hard. It's not convenient, and it's not always safe. But love is beautiful. Love is contagious. It breaks through defenses and destroys walls that divide us. Love is the answer. So, love them anyway. Redirect your passion, refine your purpose, and see God use you in ways you never imagined.

**Internet Marketing A to Z** Robertson Adler,2023-01-04 Getting Started The Right Way It is true that the world of Internet marketing seems daunting to most people. Not helping the fact is the steady development of this genre, where a lot of new techniques are being introduced with each passing day. Things do seem to be difficult on the face of it, marketers do seem to be doing a lot of technical things all the time... but if you scratch the surface, the truth of it becomes quite clear.

Secrets to Becoming a Successful Author Boxset Maggie McVay Lynch,2018-11-27 Frustrated with the plethora of conflicting information on how to self-publish? Wouldn't it be wonderful to sit down with someone who

has already made the mistakes, done the analysis, and will provide you the short cuts—the secrets about the things that work? Now you have that chance with the Career Author Secrets series. Indie Publishing (Self Publishing) has changed dramatically in the past five years. There are now new, easier tools to use for every part of the process—editing, formatting, distribution, sales, and analysis. This boxset contains three books. Secrets Every Author Should Know: Publishing Basics It contains everything a DIY author needs to get her book from manuscript to professional publication in both ebook and print, including: \* Why books don't sell \* Options for DIY or contracting professionals \*The truth about ISBNs & Copyright Registration \* Secrets for formatting your book the easy way \* Creating book covers that sell \* Making decisions about distribution Secrets to Pricing and Distribution: Ebook, Print and Direct Sales Once you have a finished book, you need to get it into readers' hands. Loading your book to a vendor looks deceptively easy. However, the career author knows that each vendor has its own methods for promoting books, performing searches, and identifying ready buyers. You need to take advantage of these differences in order to maximize your profits and discoverability. Capitalize on competitive retail pricing in different markets, and use effective metadata to draw more readers to your books. Learn to: \* Write compelling book blurbs for each title that focus on "reader cookies" and • marketing. \* Unlock keywords and get access to hidden category options. \* Take advantage of search algorithm nuances at Amazon, Barnes and Noble, Kobo, and Apple. \* Use aggregators to increase distribution opportunities around the world. \* Evaluate opportunities for direct sales to bookstores and individual consumers. Secrets to Effective Author Marketing: It's More Than 'Buy My Book' This book provides specific techniques to exploit the value of your books without resorting to the typical overexposure in social media and newsletters with "Buy My Book" sales messaging. Instead, focus on the top three proven techniques that actually sell books. Follow step-by-step instructions and timelines to learn how to: 1) Create an Effective Plan for Communicating to Readers; 2) Use Social Media and Email lists to Engage with Your Readers; and 3) Plan for Effective Campaigns for both Book Launches and Backlist Rejuvenation throughout the year. In addition this book provides techniques to: \* Distinguish specific groups of readers most likely to buy your novel or nonfiction book. \* Understand your competition and the advantages that your book offers. \* Clarify hooks that capture attention of the media, reviewers, and readers. \* Identify where and how to reach readers, reviewers, and media. \* Create and implement a consistent brand throughout all marketing efforts. \* Effectively select, from 100+ options, the appropriate marketing tactics and timing that matches your book intentions and values. \* Maximize organic reach and stay to a budget of less than \$100 per book campaign. \* Develop a long-term online marketing plan.
