Fix Your Period Nicole Jardim, 2020-04-28 "Nicole Jardim walks the talk, and I am confident that Fix Your Period will help ignite the hormone balance you are seeking and restore your vitality." --Sara Gottfried, MD, New York Times bestselling author of *The Hormone Cure* A life-changing step-by-step natural protocol to ignite lasting hormone balance and improve everything from PMS, period pain, and heavy periods to irregular cycles and missing periods, from Nicole Jardim, certified women's health coach and co-host of the podcast *The Period Party*. For most women, getting their period sucks. Bloating. Cramps. Acne. Aches. Moodiness. Messiness. No wonder we call it *The Curse*! For many, it's not just an inconvenience—it's a colossal life disruption, forcing them to miss work, school, appointments, or dates. We've been encouraged to medicate away common period problems with birth control and ibuprofen, and just survive the mood swings as best we can. But as Nicole Jardim explains, periods aren't a nuisance, they're information. When you learn to decode your period (or lack thereof), you'll be able to recognize the underlying hormone imbalances causing your period problems and know how to fix them naturally with Jardim's proven six-week protocol to resolve even the most challenging hormone imbalances and menstruation issues. Joining the ranks of books by Jolene Brighten, Sara Gottfried, and Aviva Romm, Nicole Jardim's *Fix Your Period* is essential for women plagued by PMS, irregular, painful, or heavy periods, PCOS, Endometriosis, or fibroids—and for anyone who wants to take charge of her hormonal health—and regain control of her life—naturally.

Hi! My Name Is Loco and I Am a Racist Baye McNeil,2012-01-15 Born to Love - Taught to Loathe In this powerful and controversial debut book, acclaimed blogger turned author, Baye McNeil (a.k.a. Loco), vividly illustrates with unflinching introspection and candor the birth and evolution of a racist and in doing so makes the persuasive argument that the only way to cure this social virus is by first engaging one's own susceptibility. Loco takes us on a scintillating journey from the streets of Brooklyn, where a child's first playground was the front lines of the Pan-African Nationalist and Black Power movements of the 70s, to a period of black militancy, military service, interracial romance and corporate bigotry in the 80s and 90s. Following the earth-shattering events of 9/11/2001, Loco journeys to Japan where he learns the hard way why the old adage: you can't hide from yourself, has hung around so long. He finds the woman he was born to love; only she's a member of a race he has come to loathe! In the name of this love, Loco confronts his dark stowaway with deep roots even as the world is literally falling apart around him, in the form of the Tohoku disaster of 3/11/2011. A book that is both a memoir and an impassioned call to arms, *Hi! My Name is Loco and I am a Racist* tells us in no uncertain terms that while racism continues to be demonized as a dark aberration that only evil people, ignorant fools, or people lacking compassion and common decency are subject to, then it will remain at large - hiding in plain sight, in our schools, offices, carpools, living rooms and sometimes even in the mirror.

Marketing Budgeting (RLE Marketing) Nigel Piercy,2014-09-15 This book represents a radical departure from the established theory in taking an organisational view of resource allocation in marketing, which stresses the importance of structure and process rather than just budgeting technique. The book describes and analyses marketing organisation and processes in terms of organisational power and politics and models market budgets as political outcomes.
