Pinterest Traffic Secrets Michael Cors, 2021 Social media is the darling of the Internet. For the past few years, online user activity has been shifting more and more toward social media of all types, but recently it has truly become an almost entirely visual format. Gone are the days where text-based communications dominated the social scene. These days, it's all about visual stimulation and contact through engaging pictures and videos. No website has made this more evident than Pinterest. Pinterest allows users to share photos and other media by "pinning" them to virtual pin boards. Remember the former popularity of corkboards? Pinterest has brought that concept online in a big way! According to Alexa.com, Pinterest is currently 15th in the United States and 34th in the world for traffic volume. The site gets a tremendous amount of traffic, and those users are known to visit the site regularly and to purchase products and visit websites they see there. In fact, MediaBistro.com compiled a report about social networking tools and discovered that almost as many people use Pinterest as use Twitter! In this guide, you're going to learn how to make the most of this social media powerhouse, and how to use it effectively as a marketing tool. So let's get started.

Pinterest Marketing IntroBooks, 2018-02-21 Before the roar of social media, marketers assumed that social media marketing was just a new craze which would fade away soon. The marketers were awestruck when social media started attracting attention of the users at a reckless pace. The social media marketing tool is inexpensive, and at the same time grabs the attention of several users at one go. There are more than two billion users of internet online at any point of time, out of which 23% of their total time spent on the internet is spent on browsing the social sites. More than half of these users on the social sites are following a brand and almost everyone expects their brands to have an online presence. As long as there is internet social media will continue to be a platform for the brands and will be an essential part of marketing strategies.
