Soar Kenny Luck,2010-10-05 Discover the thrilling freedom of living in God's power Jesus' disciples were worried, because soon He would be gone. How would they find the strength to live faithfully for their Master? Men today face the same dilemma—and have access to the same answer: Spiritual power comes through the Holy Spirit. Yet for many, the gift of the Holy Spirit remains misunderstood, under-appreciated, and under-utilized. Soar reveals the Holy Spirit afresh for the modern Christian man. Men's pastor and church leader, Kenny Luck says that the time is ripe for a movement showing the world the supernatural power of God because men are: Saying "yes" to the Holy Spirit Opening their lives to His work inside of them Actively pursuing and partnering with the Holy Spirit Releasing powerfully the ministry of the Holy Spirit to a waiting world. Soar offers a breakthrough encounter with the person and purpose of the Holy Spirit for men weary of bland faith and hungry for gravity-defying freedom that will empower a global advance of the cause of Christ. Isn't it time for you to SOAR in the power of God? Includes a study guide for individual use and small group discussion.

Trump: The Art of the Deal Donald J. Trump,Tony Schwartz,2009-12-23 President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America's foremost deal-maker. "I like thinking big. I always have. To me it's very simple: If you're going to be thinking anyway, you might as well think big."—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker's art. And throughout, Trump talks—really talks—about how he does it. Trump: The Art of the Deal is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for Trump: The Art of the Deal "Trump makes one believe for a moment in the American dream again."—The New York Times "Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is

wet.”—Chicago Tribune “Fascinating . . . wholly absorbing . . . conveys Trump’s larger-than-life demeanor so vibrantly that the reader’s attention is instantly and fully claimed.”—Boston Herald “A chatty, generous, chutzpa-filled autobiography.”—New York Post

Escaping Extermination Agi Jambor,2020-09-15 Written shortly after the close of World War II, *Escaping Extermination* tells the poignant story of war, survival, and rebirth for a young, already acclaimed, Jewish Hungarian concert pianist, Agi Jambor. From the hell that was the siege of Budapest to a fresh start in America. Agi Jambor describes how she and her husband escaped the extermination of Hungary’s Jews through a combination of luck and wit. As a child prodigy studying with the great musicians of Budapest and Berlin before the war, Agi played piano duets with Albert Einstein and won a prize in the 1937 International Chopin Piano Competition. Trapped with her husband, prominent physicist Imre Patai, after the Nazis overran Holland, they returned to the illusory safety of Hungary just before the roundup of Jews to be sent to Auschwitz was about to begin. Agi participated in the Resistance, often dressed as a prostitute in seductive clothes and heavy makeup, calling herself Maryushka. Under constant threat by the Gestapo and Hungarian collaborators, the couple was forced out of their flat after Agi gave birth to a baby who survived only a few days. They avoided arrest by seeking refuge in dwellings of friendly Hungarians, while knowing betrayal could come at any moment. Facing starvation, they saw the war end while crouching in a cellar with freezing water up to their knees. After moving to America in 1947, Agi made a brilliant new career as a musician, feminist, political activist, professor, and role model for the younger generation. She played for President Harry Truman in the White House, performed with the Philadelphia Orchestra, and became a recording artist with Capitol Records. Unpublished until now but written in the immediacy of the horrors of World War II and the Holocaust, *Escaping Extermination* is a story of hope, resilience, and even humor in the fight against evil.
