Bark to the Future Spencer Quinn,2022-08-09 Spencer Quinn's Bark to the Future continues the adventurous New York Times and USA Today bestselling series that Stephen King calls “without a doubt the most original mystery series currently available.” When Chet the dog, “the most lovable narrator in all of crime fiction” (Boston Globe), and his human partner, PI Bernie Little, are approached by a down-and-out older man with a cardboard sign at an exit ramp, Bernie is shocked to discover the man is a former teammate from his high school baseball team. Chet and Bernie take Rocket out for a good meal, and later, Bernie investigates Rocket’s past, trying to figure out what exactly went wrong. Then, Rocket goes suspiciously missing. With his former teammate likely in danger, Bernie goes back to his old high school for answers, where much that he remembers turns out not to be true—and there are powerful and dangerous people not happy with the questions Bernie is asking. Bernie soon learns that he misunderstood much about his high school years – and now, Chet and Bernie are plunged into a dangerous case where the past isn’t dead and the future could be fatal. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Bark vs. Snark: A Queenie and Arthur Novel Spencer Quinn,2020-10-06 From New York Times bestseller Spencer Quinn comes book 3 in the laugh-out-loud series about the most epic rivalry of our time . . . Arthur the dog vs. Queenie the cat. Arthur doesn't always remember where he buried his bone, or what he was doing before he started scratching his ear, but he never forgets three important facts:1) Bacon is delicious2) He loves his humans, twins Bro and Harmony, with all his heart3) Queenie the cat is out to destroy himSo when Queenie wins first place in a feline beauty contest at the county fair, Arthur expects her to be snootier than ever. (Even though she barely beat out another cat who looked almost exactly like her.) Yet when Queenie returns from the fair, she seems oddly nice and sociable -- almost like she's had a personality change!The humans chalk up Queenie's good mood to her recent win, but Arthur knows the truth. He can tell from the smell that this friendly Queenie is an imposter! Yet before he can decide what to do, Cuthbert the Clown - the only one who knows what's really going on -- turns up missing. Arthur wants to help his humans find Cuthbert, but he has seen some disturbing things they have not. Can he solve a mystery on his own? Or will he have to accept that he needs Queenie as much as he needs bacon?

Dogs Don't Bark at Parked Cars Jeff Piersall,Eric Wright,2017-10-03 Some attribute it to Aristotle, but whether the great Greek philosopher said it or not doesn’t affect its timeless truth. “If you want to avoid criticism, all you have to do is say nothing, do nothing and be nothing.” If on the other hand, you decide your life is purposed for something worthy and being on the playing field is preferred to sitting in the stands, there is something you are sure to encounter; what Jeff Piersall and Eric Wright call “barking dogs.” Dogs Don’t Bark at Parked Cars illustrates this encounter as the voices that find fault, who don’t think it’s possible, who are unable to see a future alive with opportunities waiting to be seized. They are the ones governed by fear instead of faith. Unfortunately, many times the loudest of these barking dogs are kenneled right in most people’s own heads. For Jeff and Eric, that priceless quality is wisdom. It goes beyond knowledge or aptitude and transcends this era of cultural and technological hyper-change, with principles that are timeless.

Love and Let Bark Alanna Martin,2021-11-30 It's up to two rescue husky puppies to convince their owners it's never too late for a second leash on love. When Nate Porter left Helen, Alaska, to become a firefighter with the Forest Service, he claimed it was because he craved adventure. The truth was, he couldn't stand to hang around, pining for a girl the town's century-old feud meant he could never have. But Nate got over Lydia Lipin years ago, or so he thought until he learns that an old rival has come sniffing around. The solution—a trip home with his rescue puppies to prove to himself he completely extinguished that old flame. Lydia Lipin has always been satisfied being the good Lipin daughter—dutiful, practical, and always putting others before herself. But that role begins to chafe as Nate's return ignites old memories. No one in town knew about their secret friendship or those forbidden kisses they stole the summer after graduation. Suddenly, Nate and his puppies are everywhere, and sparks are flying. When Nate realizes he never got over Lydia, he'll risk everything for a second chance. But Lydia's not a risk-taker, and she has to make a choice—play it safe and pretend their summer fling was just puppy love, or step out of the family shadow and unleash her heart.

A Fall in Bark River Vaughn Vowels,2015-08-18 Gabriel Lees world comes crashing down on a sunny summer day in Southern California. His fathers untimely death forces the Lee family to abandon life as they knew it in Westminster and return to their ancestral roots in rural Michigan. Gabriels emotional wound is quickly shadowed by the cultural shock of trying to adapt to new surroundings. Generational family secrets soon reveal why his parents made their western migration. He learns that he is not the only one suffering, that there is no opportunity to practice courage without experiencing fear, and that our pain is a necessary aspect of emotional growth.

The Official Dog I. Q. Test Peter Mandel,1995 Is your dog smarter than you are? Could be. In any case, your dog may well be smarter than you think. Want to find out his true potential? Easy. Give him or her The Official Dog IQ Test. Now you're barking up the right tree. Here are some tell-tail hints about your dog's intelligence. On hearing your whistle, does your dog: a) hide in the laundry basket; b) check the tea kettle; c) listen for further instructions; d) whistle back, and continue trimming his toenails. Once you and your pet have answered this and the book's other multiple-choice questions, simply add up your dog's total points and refer to the handy rating scale. Points are awarded for cunning, doggedness, determination, and other quintessential canine characteristics. A certificate of achievement is included at the end of the book. It's ready to be filled in with your dog's official IQ score and is suitable for framing. Tested on hundreds of dogs, this book takes an entertaining look at the canine mind. Whether your dog digs for bones of archaeological significance or merely chews his tail, The Official Dog IQ Test will tell you where your dog ranks among the top thinkers of our time.

Georgian George Hewitt,1995-12-20 The Caucasus for its size can boast more languages than any other region on earth. Of the 40 or so native tongues Georgian is the most widely spoken (by up to 5 million, of whom 3 million are ethnic Georgians). With its own unique script, Georgian has been written since the 4th century and has a rich literature of all genres. Outside Georgia, however, it has remained virtually unknown and unstudied, its grammatical intricacies being discussed by a small but ever growing succession of foreign specialists. The present work represents the first Reference Grammar of this challenging language to appear in English and is the summation of 20 years of intensive study by its author.
