Straw into Gold: Fairy Tales Re-Spun Hilary

McKay,2018-09-20 This book was originally published in hardback as Hilary McKay's Fairy Tales. Straw into Gold: Fairy Tales Re-Spun is a classic fairy tale collection to treasure. Featuring Hilary McKay's imaginative retellings of key favourites, this ten-story collection includes the much-loved tales of Rapunzel, Cinderella, the Princess and the Pea, Rumpelstiltskin, the Pied Piper of Hamelin, the Swan Brothers, Snow White and the Seven Dwarves,

Red Riding Hood, the Twelve Dancing Princesses and Hansel and Gretel. This gorgeous gift book features black-and-white line and tone illustrations throughout from the talented Sarah Gibb.

The Way Through the Woods — One Hundred Classic Fairy Tales Rudolph Amsel, 2020-04-13 The greatest fairy tales of all time. The 100 tales collected here throw open wide the gates to the realm of fairyland. Inside are princes and princesses, giants and dwarfs, heroes, heroines, simpletons, rogues, wizards, witches, ogres, trolls, elves, magical artefacts, and all manner of talking birds and beasts. As G. K. Chesterton has observed, fairyland is a place where happiness hangs upon a single thread: "Cinderella may have a dress woven on supernatural looms and blazing with unearthly brilliance; but she must be back when the clock strikes twelve. The king may invite fairies to the christening, but he must invite all the fairies or frightful results will follow. Bluebeard's wife may open all doors but one. A promise is broken to a cat, and the whole world goes wrong... A promise is broken to a yellow dwarf, and the whole world goes wrong." This is also a world of contradiction and disproportion; where honesty may be a virtue, but so is the ability to tell the most outrageous lies conceivable. Here, the prize for treading on a cat's tail, is a princess; and the penalty for expressing gratitude to a goblin, is a lifelong curse. In compiling this anthology, we have tried to include as many "tale types" as possible, and as much of the varied landscape of the fairy world—deserts, icefields, enchanted forests, underwater kingdoms—as we could fit in. Our principal sources are the great European collections of fairy tales and folk tales as compiled by Jacob and Wilhelm Grimm, Peter Asbjørnsen and Jørgen Moe, Hans Christian Andersen, Charles Perrault, Joseph Jacobs, and Alexander Afanasyev. But there are tales from further afield as well; from Asia, Africa and the Middle East. We have classified the tales thematically, and spread them evenly across ten chapters: 1) The Classic Characters: Heroes, Heroines, and their Foes 2) Birds and Beasts 3) Little; Big 4) The Ship of Fools 5)

Quick Minds and Sharp Wits 6) The Royal Court 7) Into the World: Journeys, Quests, and Adventures 8) Magic and Witchcraft 9) Extraordinary Tales of Extraordinary Things 10) Tales for Winter We hope this structure will aid readers somewhat in their explorations. At the same time, we concur with W. H. Auden, who writes, "the way to read a fairy tale is to throw yourself in."

Classic Fairy Tales Vol 1 ,2014-10-14 Award-winning artist Scott Gustafson, inspired by the Golden Age of illustration, re-tells and re-imagines some of our best known fairy tales through his inimitable illustrations in Classic Fairy Tales Vol I. The fixed layout ebook format retains the lavishly illustrated spreads from his Classic Fairy Tales printed book (over 190,000 copies sold). These fabulously retold family favorites can be read aloud or enjoyed through the dramatic word-for-word narration by actress Ann Twomey. With over 70 pages of masterful storytelling and magical full color paintings, formatted for ease of use on your e-reader device, this ebook will quickly become a family favorite.

Fairy Tale Classics Harriet Ziefert,2003 Presents color-illustrated retellings of seven classic fairy tales: Little Red Riding Hood, The Ugly Duckling, The Princess and the Pea, The Little Red Hen, The Gingerbread Boy, The Magic Porridge Pot, and Henny-Penny.

The International Collection of Classic Fairy Tales ,1998

The Fairy Book Dinah Maria Mulock Craik,2020-01-30 This is meant to be the best collection attainable of that delight of all children, and of many grown people who retain the child-heart still-the old-fashioned, time-honoured classic Fairy-tale. It has been compiled from all sources-far-off and familiar; when familiar, the stories have been traced with care to their original form, which, if foreign, has been re-translated, condensed, and in any other needful way made suitable for modern British children. Perrault, Madame d'Aulnois, and Grimm have thus been laid under contribution. Where it was not possible to get at the original of a tale, its various versions have been collated, compared, and

combined; and in some instances, where this still proved unsatisfactory, the whole story has been written afresh. The few real old English fairy tales, such as Jack the Giant-Killer, Tom Thumb, etc., whose authorship is lost in obscurity, but whose charming Saxon simplicity of style, and intense realism of narration, make for them an ever-green immortality-these have been left intact; for no later touch would improve them. All modern stories have been excluded. Of course, in fairy tales instruction is not expected-we find there only the rude moral of virtue rewarded and vice punished. But children will soon discover for themselves that in real life all beautiful people are not good, nor all ugly ones wicked; that every elder sister is not ungenerous, nor every stepmother cruel. The tender young heart is often reached as soon by the imagination as by the intellect: and without attempting any direct appeal to either reason or conscience, the Editor of this Collection has been especially careful that it should contain nothing which could really harm a child. She therefore trusts that, whatever its defects, this Fairy Book will not deserve a criticism, almost the sharpest that can be given to any work-that it would have been better if the author had taken more pains.

The Fairy Tale Book ,2010 A collection of tales featuring scary giants and beautiful princesses, selected for their mysterious and magical qualities.

Fairy Gold - A Book of Old English Fairy Tales - Illustrated by Herbert Cole Ernest Rhys,2018-01-31 *Fairy Gold: A Book of Old English Fairy Tales* was compiled by Ernest Rhys (1859 – 1946) and illustrated by Herbert Cole (1867 – 1930). Rhys was a famed writer and editor – best known for his role as founder of the ‘Everyman’s Library’, a series of affordable classics. Rhys was passionate about English folkloric tradition, and making such wonderful works of literature accessible to the common people. The book starts with a quotation from Shakespeare’s A Winter’s Tale, informing the reader that: ‘This is fairy Gold boy; and t’will prove so...’ From here on in, it is a text to amuse, delight, scare

and inform – all in equal measures – for young and old alike. *Fairy Gold* contains a set of wonderful black and white illustrations by Herbert Cole, as well as such well-known tales as ‘The Three Bears’, ‘Tom Thumb’, ‘Jack and the Beanstalk’ and ‘The Mermaid’ as well as other, near-forgotten English stories such as ‘The Fairy Fair’, ‘Mr and Mrs Vinegar’, ‘The King and the Vipers’ and ‘Queen Mab’s Good Grace.’ The text appears in its original translation, ensuring that none of the work’s initial brilliance is lost. Pook Press celebrates the great ‘Golden Age of Illustration’ in children’s literature – a period of unparalleled excellence in book illustration from the 1880s to the 1930s. Our collection showcases classic fairy tales, children’s stories, and the work of some of the most celebrated artists, illustrators and authors.

Classic Fairy Tales Arcturus Publishing Ltd,2009-09 A lovely collection of fairy tales from around the world.

Classic Fairy Tales Berlie Doherty,Jane Ray,2009 Presents a collection of twelve of the best-loved classic tales of all time.

The Oak-Tree Fairy Book Clifton Johnson,2018-07-29 Excerpt from *The Oak-Tree Fairy Book: Favorite Fairy Tales* The first sixteen tales in this book have a special claim to the attention of American readers, for they were picked up in this country. Two or three of them are to be found in nearly all our fairy-tale collections, and it would not be safe to say that any of them originated here; yet there are none of the sixteen but that differ in an interesting way from the usual versions, and most of them are quite unfamiliar to the present generation. I am indebted for them to friends and correspondents and to the American *Folk Lore*. Readers acquainted with similar tales not in the ordinary collections will confer a favor if they will communicate with me. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the

original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Barsotti,2005 This enchanting collection of classic fairy tales brings together a whole host of well-known characters

The Top Books of the Year Ireading Hd Classic Fairy Tales

Collection lli The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. Ireading Hd Classic Fairy Tales

Collection lli : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Ireading Hd Classic Fairy Tales Collection lli : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Ireading Hd Classic Fairy Tales Collection lli : Delia

Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience,

survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
