Classic Fairy Tales Vol 1 ,2014-10-14 Award-winning artist Scott Gustafson, inspired by the Golden Age of illustration, re-tells and re-imagines some of our best known fairy tales through his inimitable illustrations in Classic Fairy Tales Vol I. The fixed layout ebook format retains the lavishly illustrated spreads from his Classic Fairy Tales printed book (over 190,000 copies sold). These fabulously retold family favorites can be read aloud or enjoyed through the dramatic word-for-word narration by actress Ann Twomey. With over 70 pages of masterful storytelling and magical full color paintings, formatted for ease of use on your e-reader device, this ebook will quickly become a family favorite.

The Fairy Tale Book ,2009 We all love the classic fairy tales, but just how well do we remember them? Fairy tales, passed down by word of mouth, have captivated and entertained generations of children and their parents. Today, reading these traditional tales aloud is still the best way to enjoy them and a great way to spend quality time with children. The small format appeals to little hands and the beautifully designed cover is a welcome addition to any collection. Specially written and beautifully illustrated for this edition, the tales in The Fairy Tale Book remind parents of the details of all the classics, including Cinderella, Thumbelina, The Little Mermaid, Jack and the Beanstalk, Snow White, The Princess and the Pea, The Elves and the Shoemaker and many more favourites.

Classic Fairy Tales Arcturus Publishing Ltd,2009-09 A lovely collection of fairy tales from around the world.

The Fairy Book Dinah Maria Mulock Craik,2020-01-30 This is meant to be the best collection attainable of that delight of all children, and of many grown people who retain the child-heart still-the old-fashioned, time-honoured classic Fairy-tale. It has been compiled from all sources-far-off and familiar; when familiar, the stories have been traced with care to their original form, which, if foreign, has been re-translated, condensed, and in any other needful way made suitable for modern British children. Perrault, Madame d'Aulnois, and Grimm have thus been laid under contribution. Where it was not possible to get at the original of a tale, its various versions have been collated, compared, and combined; and in some instances, where this still proved unsatisfactory, the whole story has been written afresh. The few real old English fairy tales, such as Jack the Giant-Killer, Tom Thumb, etc., whose authorship is lost in obscurity, but whose charming Saxon simplicity of style, and intense realism of narration, make for them an ever-green immortality-these have been left intact; for no later touch would improve them. All modern stories have been excluded. Of course, in fairy tales instruction is not expected-we find there only the rude moral of virtue rewarded and vice punished. But children will soon discover for themselves that in real life all beautiful people are not good, nor all ugly ones wicked; that every elder sister is not ungenerous, nor every stepmother cruel. The tender young heart is often reached as soon by the imagination as by the intellect: and without attempting any direct appeal to either reason or conscience, the Editor of this Collection has been especially careful that it should contain nothing which could really harm a child. She therefore trusts that, whatever its defects, this Fairy Book will not deserve a criticism, almost the sharpest that can be given to any work-that it would have been better if the author had taken more pains.

The International Collection of Classic Fairy Tales ,1998

The Princess and the Pea ,2007 An abridgement of the tale in which a girl proves that she is a real princess by feeling a pea through twenty mattresses and twenty featherbeds. Includes historical notes about Hans Christian Anderson and the original fairy tale.

The Way Through the Woods – One Hundred Classic Fairy Tales Rudolph Amsel,2020-04-13 The greatest fairy tales of all time. The 100 tales collected here throw open wide the gates to the realm of fairyland. Inside are princes and princesses, giants and dwarfs, heroes, heroines, simpletons, rogues, wizards, witches, ogres, trolls, elves, magical artefacts, and all manner of talking birds and beasts. As G. K. Chesterton has observed, fairyland is a place where happiness hangs upon a single thread: “Cinderella may have a dress woven on supernatural looms and blazing with unearthly brilliance; but she must be back when the clock strikes twelve. The king may invite fairies to the christening, but he must invite all the fairies or frightful results will follow. Bluebeard's wife may open all doors but one. A promise is broken to a cat, and the whole world goes wrong... A promise is broken to a yellow dwarf, and the whole world goes wrong.” This is also a world of contradiction and disproportion; where honesty may be a virtue, but so is the ability to tell the most outrageous lies conceivable. Here, the prize for treading on a cat’s tail, is a princess; and the penalty for expressing gratitude to a goblin, is a lifelong curse. In compiling this anthology, we have tried to include as many “tale types” as possible, and as much of the varied landscape of the fairy world—deserts, icefields, enchanted forests, underwater kingdoms—as we could fit in. Our principal sources are the great European collections of fairy tales and folk tales as compiled by Jacob and Wilhelm Grimm, Peter Asbjørnsen and Jørgen Moe, Hans Christian Andersen, Charles Perrault, Joseph Jacobs, and Alexander Afanasyev. But there are tales from further afield as well; from Asia, Africa and the Middle East. We have classified the tales thematically, and spread them evenly across ten chapters: 1) The Classic Characters: Heroes, Heroines, and their Foes 2) Birds and Beasts 3) Little; Big 4) The Ship of Fools 5) Quick Minds and Sharp Wits 6) The Royal Court 7) Into the World: Journeys, Quests, and Adventures 8) Magic and Witchcraft 9) Extraordinary Tales of Extraordinary Things 10) Tales for Winter We hope this structure will aid readers somewhat in their explorations. At the same time, we concur with W. H. Auden, who writes, “the way to read a fairy tale is to throw yourself in.”

Classic Fairy Tales Berlie Doherty,Jane Ray,2009 Presents a collection of twelve of the best-loved classic tales of all time.

The Everything Fairy Tales Book Amy Peters,2001-09-01 A collection of 100 classic fairy tales, arranged in the categories Princesses and Princes, Magical Animals, The Enchanted World, and Lessons for Life..

Folk & Fairy Tale Easy Readers Kama Einhorn,2006 A collection of fifteen classic fairy tales for beginning readers.

The Fairy Book - the Best Popular Fairy Stories Selected and Rendered Anew - Illustrated by Warwick Goble Dinah Maria Mulock Craik,2012-04 Pook Press celebrates the great Golden Age of Illustration in children's literature. Many of the earliest children's books, particularly those dating back to the 1850s and before, are now extremely scarce and increasingly expensive. Pook Press are working to republish these classic works in affordable, high quality, colour editions, using the original text and artwork so these works can delight another generation of children.

The Children's Illustrated Treasury of Classic Fairy Tale Stories Hinkler Books,2015-09 Enchanting and magic worlds are only a moment away with these stunning treasury titles. These illustrated stories, songs, and rhymes have been adapted from traditional sources. Little faces will light up as they discover these timeless classics and come to love the well-know characters who have delighted children for generations.
