Pony Tales and Other Irish Stories Noreen Whelan,2021-11-30 Read tales of an Irish rural childhood, travelling the world with horses and policing London on horseback. Born into a loving family on an Irish farm. Started to ride aged six, got bucked off too often, gave up! Started again on a different pony; got the hang of it, leading to a lifetime love for and career with horses. Represented Ireland at Pony Club and intervarsity levels. Travelled as groom with an Irish international three-day-eventer. Rode racehorses in Chantilly and Brisbane. Stock ponies and barrel racers in the Outback. Police horses in London. And there's still so much ahead. Fortunate. That's what I feel...

If horses could talk Elaine Heney,2024-02-21 In a field beside the wild, rugged Atlantic coastline of Galway, a Connemara pony called Lir is born. In this heartwarming autobiography, Lir tells the story of his life in his own words, from his early days as a playful foal, through the many chapters of his life - from showjumping, eventing and dressage yards to riding stables and family homes all around Ireland. “The Galway Connemara” is a treasure trove of horse training knowledge and practices. Through Lir's eyes, readers learn the importance of treating animals with empathy, kindness and respect. Join Lir as he navigates the ups and downs of his life, making friends, learning lessons and searching for his forever home. This book is a must-read for readers aged 12 and above, their parents, all horse owners and riders, and for anyone who has ever loved a horse, or dreamed of the day they would. The Story of the Kerry Bog Pony Mary McGrath,Gay Keogh,2010-01-01 This is a guide to Ireland's third national equine breed; it is also a celebration of a local success story with worldwide significance. The Kerry bog pony, a small working pony, found in the hills, valleys and bogs of South Kerry, has clung to existence while many other local breeds have become extinct.

Horses for Courses Anne Holland,2011-10-14 There can be no better way of getting to know Ireland than by visiting its racecourses: from the glamour of Leopardstown and the class of The Curragh to the majestic mountains around Killarney; from the warm welcome at Gowran Park and Clonmel to the summer holidaymakers' meetings and 'industry' days in the winter months. At any one of these venues, you might catch a glimpse of a future Cheltenham Gold Cup champion or Derby winner in action. Horses for Courses guides readers through a typical year in Irish racing and highlights the individuality of each venue. All have their own special qualities and atmosphere but share two common traits: a warm welcome and good sport. And that is what the author believes Irish racing is all about. The country's courses enjoy a huge level of support from the local population. It might be raining and some of the races may be 'ordinary' but the stands will always be crowded. That is because racing is part of Irish culture and the nation's way of life: with 27 courses, it has proportionately far more venues than Great Britain. Meticulously researched and passionately written, Horses for Courses is the definitive guide to Ireland's racecourses and is essential reading for horse-racing enthusiasts everywhere.
