Gallup

Ask a Manager Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

State of The Global Workplace Gallup,2017-12-19 Only 15% of employees worldwide are engaged at work. This represents a major barrier to productivity for organizations everywhere – and suggests a staggering waste of human potential. Why is this engagement number so low? There are many reasons – but resistance to rapid change is a big one, Gallup's research and experience have discovered. In particular, organizations have been slow to adapt to breakneck changes produced by information technology, globalization of markets for products and labor, the rise of the gig economy, and younger workers' unique demands. Gallup's 2017 State of the Global Workplace offers analytics and advice for organizational leaders in countries and regions around the globe who are trying to manage amid this rapid change. Grounded in decades of Gallup research and consulting worldwide -- and millions of interviews -- the report advises that leaders improve productivity by becoming far more employee-centered; build strengths-based organizations to unleash workers' potential; and hire great managers to implement the positive change their organizations need not only to survive – but to thrive.

Saturday Review of Literature ,1967

Citizens of Nowhere Lorenzo Marsili,Niccolò Milanese,2018-05-15 Europe might appear like a continent pulling itself apart. Ten years of economic and political crises have pitted North versus South, East versus West, citizens versus institutions. And yet, these years have also shown a hidden vitality of Europeans acting across borders, with civil society and social movements showing that alternatives to the status quo already exist. This book is at once a narrative of the experience of activism and a manifesto for change. Through analysing the ways in which neoliberalism, nationalism and borders intertwine, Marsili and Milanese – co-founders of European Alternatives – argue that we are in the middle of a great global transformation, by which we have all become citizens of nowhere. Ultimately, they argue that only by organising in a new transnational political party will the citizens of nowhere be able to struggle effectively for the utopian agency to transform the world.

Hybrid Workplace: The Insights You Need from Harvard Business Review Harvard Business Review,Amy C. Edmondson,Joan C. Williams,Bob Frisch,Liane Davey,2022-03-15 Reinvent your organization for the hybrid age. Hybrid work is here to stay—but what will it look like at your company? If your organization is holding on to inflexible, pre-pandemic policies about where—and when—your people work, it may be risking a mass exodus of talent. Designing a hybrid workplace that furthers your business goals while staying true to your culture requires balancing experimentation with rigorous planning. Hybrid Workplace: The Insights You Need from Harvard Business Review will help you adopt the best technological, cultural, and new management practices to seize the benefits and avoid the

pitfalls of the hybrid age. Business is changing. Will you adapt or be left behind? Get up to speed and deepen your understanding of the topics that are shaping your company's future with the Insights You Need from Harvard Business Review series. Featuring HBR's smartest thinking on fast-moving issues—blockchain, cybersecurity, AI, and more—each book provides the foundational introduction and practical case studies your organization needs to compete today and collects the best research, interviews, and analysis to get it ready for tomorrow. You can't afford to ignore how these issues will transform the landscape of business and society. The Insights You Need series will help you grasp these critical ideas—and prepare you and your company for the future.
