Employment Law in Ireland Terry Gorry, 2014-09-27 Are you an employer worried about employment related claims by employees? Are you an employee whose rights are being infringed or ignored? This book helps avoid such claims by explaining the correct steps to take to prevent claims and what the employers' obligations are. Many employees too are unsure about their employment rights and are badly treated in the workplace. They have experienced the sick feeling in the pit of their stomach going into work everyday and not knowing whether there is anything that they can do about their treatment. This book aims to give peace of mind and reduce stress for both employers and employees. It also explains the essential terms that should be included in the employment contract and why 80% of cases for unfair dismissal are lost. And it is written by a practicing solicitor who has been an employer in Ireland since 1986. Written in Understandable Language If you are looking for a text book on employment law in Ireland, this is not for you. This is not an academic work.
