The Purple Book, Updated Edition Rice Brooks, Steve Murrell, 2017-08-15 In today's uncertain world, storms will arise that test your faith in a loving heavenly Father. At times, the winds and waves of the world's deceptions will roll in and seek to erode your confidence in God. Without a firm foundation in the truth of God's Word, you may be tempted to go off course and accept less than God's best for you. However, when you hear Jesus' words, receive them, and put them into practice, you will construct a life the torrents cannot shake, because it was well built (Luke 6:48). *The Purple Book* will help you understand foundational truths that God wants you to hear on topics such as sin, salvation, spiritual gifts, prayer, worship, generosity, and evangelism. It will show you how the Bible is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness (2 Timothy 3:16). It will help you understand that the faith you hold has true power to change lives and transform nations. It will give you a solid foundation the enemy cannot dismantle—and a heart shaped by knowledge of God's Word.

Iron Sharpening Iron Paul D LeFavor,2014-11-22 The purpose of this book is to bring glory to God by promoting the Christian values that made America great - values such as biblical masculinity; biblical marriage and biblical family life; the God-honoring values that are directly under open and vile attack; to influence a generation of American men to live God-honoring lives worthy of the calling and appellation of Christian; to demonstrate the importance of male servant leadership in the home; to demonstrate the imperative of Christian fellowship and discipleship; to encourage believers to persevere in their verbal witness in spite of ostracism and/or legal action against them; and above all to awaken Christian American men who are serving the nation to the realities of the conflict we are in, and what we stand to lose if we do nothing.

Dig Deeper Nigel Beynon, Andrew Sach, 2010-02-03

When it comes to reading and understanding the Bible, a dangerous phrase is used by non-Christians and even some believers: Well, that's your interpretation. It is true that without some care in your interpretation, you can make the Bible say almost anything. **Dig Deeper** is written out of the conviction that there is a right way to understand the Bible and a wrong way, and the authors show us how to read it correctly. **Dig Deeper** offers sixteen tools readers can use to get to the bottom of any Bible passage and discover its intended meaning. Examples show how each tool helps readers discover something exciting and relevant in a passage, and the **Dig deeper** exercises offer the opportunity to practice using the tools. The book's brevity and easy-to-read format make it ideal for Christians who want to get the most out of their Bible.

Iron Sharpens Iron Zi, Yanyin, 2017-03-07 For centuries the continent of Africa has been characterised by negative images such as poverty, disease and conflicts. Today, however, the People's Republic of China's growing presence in Africa, particularly with regards to China-

Africa business relations, brings new vitality to the continent. This new movement is not a windfall but rather obtained through the hard work of both African and Chinese people at various levels. Narrating on daily experiences of Chinese merchants and their vivid interactions with people in Botswana, this book decodes the frustrating while rewarding process through which China-Africa relations have been maturing on the grass-roots level. This book not only presents insights and suggestions to both Botswana and Chinese policy makers interested in understanding their constituents' everyday interactions with each other, but also offers readers interested more broadly in contemporary Chinese experiences in Africa a fascinating glimpse into these cross-cultural encounters. This book is an original and pioneering study of issues that resonate in almost every African country which has responded to a growing Chinese presence. It argues that as the process of globalisation permeates the everyday lives of people, each individual is empowered to be an 'ambassador' in shaping international relations.

To Sir, with Love Lauren Layne, 2021-06-29 Love Is Blind meets You've Got Mail in this laugh-out-loud romantic comedy following two thirty-somethings who meet on a blind dating app—only to realize that their online chemistry is nothing compared to their offline rivalry. Perpetually cheerful and eager to please, Gracie Cooper strives to make the best out of every situation. So when her father dies just months after a lung cancer diagnosis, she sets aside her dreams of pursuing her passion for art to take over his Midtown Manhattan champagne shop. She soon finds out that the store's profit margins are being squeezed perilously tight, and complicating matters further, a giant corporation headed by the impossibly handsome, but irritatingly arrogant Sebastian Andrews is proposing a buyout. But Gracie can't bear the thought of throwing away her father's dream like she did her own. Overwhelmed and not wanting to admit to her friends or family that she's having second thoughts about the shop, Gracie seeks advice and solace from someone she's never met—the faceless “Sir”, with whom she connected on a blind dating app where matches get to know each other through messages and common interests before exchanging real names or photos. But although Gracie finds herself slowly falling for Sir online, she has no idea she's already met him in real life...and they can't stand each other.

As Iron Sharpens Iron David Singleton, 2003-02 Join two friends as they encounter life. Jack, a freewheeling, eye-ogling athlete and his teammate, Damon, Jack's antithesis, start from the same hometown. But their paths after that point differ considerably. Damon's strength, living a steady life, intersects Jack's fault, living life too fully. Damon's road allows him to think he has life's best.

Jack's leads him through mental anguish and ethical dilemmas. When Jack leans on Damon for help against a dread disease, Life shows Damon that his stability and moral code lack life's passion and that his frivolous friend has the secret of robust living.

Reading Revelation C. Marvin Pate, 2009-05-01

Intriguing and endlessly contentious ideas and images of apocalyptic measure come together in the book of Revelation. It is a rich and hermeneutically complicated Scripture that, unsurprisingly, has no universally accepted interpretation. *Reading Revelation* compares these four major approaches to Revelation by laying out the different interpretive translations provided by each school of thought in parallel columns.

Perspectives on the Ending of Mark Maurice

Robinson, Darrell L. Bock, Keith Elliott, Daniel Wallace, 2008
The debate continues among today's leading Bible scholars about the conspicuous exclusion of twelve verses (16:9-20) in the gospel of Mark from some early Greek manuscripts.

The Old in the New: Understanding How the New Testament Authors Quoted the Old Testament Michael Joseph Vlach, 2021-06-02
Evangelical scholarship has had over fifty years of extensive (and at times, heated) discussion over the usage of the Old Testament in New Testament. However, now with the appearance of Professor Vlach's book **THE OLD IN THE NEW: UNDERSTANDING HOW THE NEW TESTAMENT QUOTES THE OLD TESTAMENT**, perhaps we have now come to a grand summary of that extensive dialogue. Michael J. Vlach has carefully summarized seven key positions held by various evangelicals (including my own view) and has given a legitimate critique of each view. But more than that, he has also taken up a wide sample of most, if not all, of the passages usually raised on this subject and has given a

reasonable solution in Scripture text after Scripture text-in a succinct, but credible manner. I cannot endorse Vlach's work too highly, for I found that he had hit the nail on the head in case after case. In years to come, theological students and pastors will turn to this excellent treatment of this subject and they will find it is exactly what they had been looking for. Thank you, Professor, for carrying out this task so successfully. Walter C. Kaiser, Jr., President Emeritus, Gordon-Conwell Theological Seminary, Hamilton, Massachusetts
