The Selected Prose of Fernando Pessoa Fernando Pessoa, 2007-12-01 A selection of prose by “Portugal’s greatest writer of the twentieth century . . . as addictive, and endearing, as Borges and Calvino” (The Washington Post Book World). Building on the wonderful Fernando Pessoa & Co.: Selected Poems, which was acclaimed by Booklist as “a beautiful one-volume course in the soul of the twentieth century,” translator Richard Zenith has now edited and translated selections from Pessoa’s prose, offering a second volume of this forgotten master’s flights of imagination and melancholy wit. Though known primarily as a poet, Pessoa wrote prose in several languages and every genre—the novel, short stories, letters, and essays. The pieces collected here span intellectual inquiry, Platonic dialogue, and literary rivalries between Pessoa’s many alter egos—a diverse cast of literary voices he called

'heteronyms'—who launch movements and write manifestos. There are appreciations of Shakespeare, Dickens, Wilde, and Joyce; critical essays in which one heteronym derides the work of another; experiments with automatic writing; and works that toy with the occult. Also included is a generous selection from Pessoa's masterpiece, *The Book of Disquiet*, freshly translated by Richard Zenith from newly discovered materials. Fernando Pessoa was one of the greatest exponents of modernism. *The Selected Prose of Fernando Pessoa* is an important contribution to literature that brings back to life a forgotten but crucial part of the canon.

Two men on a fragile boat, a trip to sea – a few drinks, a bite to eat – when one of them decides to push on to the open ocean. Suddenly there they are: among the distant islands, the threatening fog and gathering swell of the sea, bound together on an odyssey into the unknown. Jon Fosse's work includes novels, poetry, essays and books for children. He is one of the most produced playwrights in Europe and his plays have been translated into forty languages. Oberon Books publishes *Nightsongs* and *The Girl on the Sofa*, and his other plays in the following collections: *Plays One*, *Plays Two*, *Plays Three*, *Plays Four* and *Plays Five*. *Plays Six* is forthcoming in 2012. Oberon Books also publishes *The Luminous Darkness: The Theatre of Jon Fosse* by Leif Zern (translated by Ann Henning-Jocelyn).

Fresh Voices from the Periphery Susan M. Papp, 2022-07-28 Fresh Voices from the Periphery is evidence that history matters – not only the study of the past – but also by shedding light on how events of the past have impacted lives in the present. You are holding in your hands a collection of thought-provoking essays written by young people whose families have lived as minorities in various countries in east-central Europe for four generations. They became minorities not because their families migrated to different parts of Europe, but because the borders were changed overnight by the Treaty of Trianon after the end of the First World War. Much has been written about the outcomes of Trianon, but this book is very different. These essays are the result of a competition for students and young professionals who live in minority status in four different countries surrounding Hungary: Transylvania in Romania, Slovakia, Transcarpathia in Ukraine, and Vojvodina in Serbia. The writings of several Canadian students on this topic are included as well. Voices from the Periphery examines how the current generation of young people perceive the impact of the treaty that has had such a long-term effect on their lives. Their essays not only examine the painful legacy of the past, but also recommend pathways to a more positive future. Their voices must be heard.

European/Supra-European: Cultural Encounters in Nietzsche's Philosophy
Marco Brusotti, Michael McNeal, Corinna Schubert, Herman Siemens, 2020-07-06
Nietzsche says good Europeans must not only cultivate a supra-national view, but also supra-European perspective to transcend their European biases and see beyond the horizon of Western culture. The volume takes up such conceptual frontier crossings and syntheses. Emphasizing Nietzsche's genealogy of European culture and his reflections upon the constitution of Europe in the broadest sense, its essays examine peoples and nations, values and arts, knowledge and religion. Nietzsche's apprehensions about the crises of nihilism and decadence and their implications for Europe's (and

humankind's) future are investigated in this context. Concerning the crossing of notional frontiers, contributors examine Nietzsche's hoped-for dismantling of Europe's state borders, the overcoming of national prejudices and rivalries, and the propagation of a revitalizing supra-European perspective on the continent, its culture(s) and future. They also illuminate lines of syntheses, notably the syncretism of the ancient Greeks and its possible example for the European culture to-be. Finally certain of Europe's current problems are considered via the critical apparatus furnished by Nietzsche's philosophy and the diagnostic tools it provides.

Coming Through Kincaid Mills, Genevieve C. Peterkin, Aaron McCollough, 2023-06-30
Oral histories of formerly enslaved people and their families along the South Carolina coast. *Coming Through* marks the first complete publication of these interviews with former slaves and their descendants living in the Waccamaw Neck region of South Carolina as collected

by Genevieve W. Chandler as part of the WPA Federal Writers Project. Between 1936 and 1938 Chandler interviewed more than one hundred individuals in and around All Saints Parish, a portion of Horry and Georgetown counties located between the Waccamaw River and the Atlantic Ocean. Her subjects spoke freely with her on topics ranging from slave punishment to folk medicine, from conditions in the Jim Crow South to the exploits of Brer Rabbit. A teacher, artist, writer, and later museum curator, Chandler had no formal training as an oral historian or folklorist, yet the sophistication of her work as documented here anticipates developments in these fields of study a generation later. Her detailed descriptions add social context to folktales, and her careful and systematic renderings of the Gullah language have since been praised as foundational work by Creole linguists. Chandler's Gullah-speaking African American informants range in age from the 9-year-old George Kato Singleton to 104-year-old Welcome Bees. A biography of each subject accompanies the interviews. Collectively these interviews form an intimate portrait of a fascinating subculture of the Carolina coast and the Sea Islands as shared with a remarkable woman who has special access to converse with the people of this traditionally insular world. Moreover they provide an unparalleled firsthand account of the African American experience in South Carolina in the words of those who lived it. The volume is edited by Chandler's daughter, Genevieve C. Peterkin, and two scholars, Kincaid Mills and Aaron McCollough. The three have carefully established the texts of the

interviews in a manner that highlights Chandler's skills as a field linguist and have supplemented the texts with revealing documentation. The collection is enhanced with a foreword by Charles W. Joyner, Burroughs Distinguished Professor of History at Coastal Carolina University; appendixes respecting the WPA project and the nuances of Gullah language and culture; and photographs of the subjects taken by renowned photographer Bayard Wootten—many published here for the first time.

The Majestic Columbia River Gorge S. W. Wahclellaspirit, 2015-10-23 His interests include the Native American history of the Northwest. This, the second manuscript of the series of three, pertains to the lives of those who

walked the lands and worshipped everything they were offered from the Great Spirit above. Though the natives believed in spirituality, their beliefs were not far from understanding there is a God that offered mankind everything they would need to survive on a day-to-day basis. It is in that testament of their survival and toward their beliefs that these stories may bring one to hear the call of the coyote and the warning of the crow as they look down upon you and lead you safely across the many trails you may follow in your life. Steve now lives in the Portland, Oregon, area with his beloved wife, Joan.

London Labour and the London Poor Henry Mayhew, 2010-10-14 'I go about the street with water-creases crying, Four bunches a penny, water-creases.' London Labour and the London Poor is an extraordinary work of investigative journalism, a work of literature, and a groundbreaking work of sociology. Mayhew conducted hundreds of interviews with London's street traders,

entertainers, thieves and beggars which revealed that the 'two nations' of rich and poor in Victorian Britain were much closer than many people thought. By turns alarming, touching, and funny, the pages of *London Labour and the London Poor* exposed a previously hidden world to view. The first-hand accounts of costermongers and street-sellers, of sewer-scavenger and chimney-sweep, are intimate and detailed and provide an unprecedented insight into their day-to-day struggle for survival. Combined with Mayhew's obsessive data gathering, these stories have an immediacy that owes much to his sympathetic understanding and highly effective literary style. This new selection offers a cross-section of the original volumes and their evocative illustrations, and includes an illuminating introduction to Henry Mayhew and the genesis and influence of his work. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
