Decker's War: Book 1-3 Eric Thomson, 2021-06-26 The dream of a stable, democratic human Commonwealth has been dying for years. Politicians, financiers, and spies vie for supremacy, power, and wealth in pursuit of a nightmarish vision that can have only one outcome, the creation of a repressive interstellar empire. All that stands between them and their goal is a small band of determined Fleet operatives working in the shadows. Drawn into the struggle against his will, former Marine Pathfinder Zack Decker soon realizes he must choose sides and join those fighting off the growing darkness, but at great personal cost. However, try as they might, the double-crossing humans, deadly aliens, cruel pirates, and merciless slavers he must battle cannot keep Decker from extracting his revenge, especially after his beloved Corps recalls him to active duty as a Marine. He takes no prisoners and pulls no punches because his growing list of enemies has forced him to accept that this is also Decker's War. And it is a fight to the death. Unfortunately for his foes, they always seem to forget that he is still one of the Few... This omnibus edition includes the first three Decker's War novels which have been published separately. They are Death Comes But Once (Decker's War Book 1) Cold Comfort (Decker's War Book 2) Fatal Blade (Decker's War Book 3)

Difference Spaces and Invariant Linear Forms Rodney Nillsen, 2006-11-15 Difference spaces arise by taking sums of finite or fractional differences. Linear forms which vanish identically on such a space are invariant in a corresponding sense. The difference spaces of $L_2(\mathbb{R}^n)$ are Hilbert spaces whose functions are characterized by the behaviour of their Fourier transforms near, e.g., the origin. One aim is to establish connections between these spaces and differential operators, singular integral operators and wavelets. Another aim is to discuss aspects of these ideas which emphasise invariant linear forms on locally compact groups. The work primarily presents new results, but does so from a clear, accessible and unified viewpoint, which emphasises connections with related work.

Clear Creek Series, Novels 1-3 T. E. Killian, 2016-02-09 A suspense and action-packed mystery series with a touch of romance. Ryan's Ruin – First in the Clear Creek Series To say that Ryan Maxwell has woman troubles is an understatement. He has women ruining his life at every turn. His two older sisters are trying to control his life. His energetic niece is too much for him to handle. A local woman wants to marry him. And yet another woman is trying to destroy his business. And all Ryan wants to do is to be left alone, run his café, fish, hunt, and play poker with his bachelor buddies one night a week. Is that too much to ask? Candy O'Reilly just wants to start a new life away from relatives who are interfering and controlling her whole life. Will a move 350 miles away be the right thing? Will her children be able to adjust from city life to small town life? Will Candy be able to realize her dream of owning a pastry and specialty coffee shop? Will the house she

bought be the right one instead of a nightmare? Two men just released from prison want the money they say is hidden in Candy's house. A spurned woman starts rumors that cause Candy to lose business and even think about moving back to the city. If these two who are so drastically different come together, can they help each other through a tragedy which threatens them from an unexpected source? How will God work in the lives of these two and their families in Clear Creek? Chase's Return – Second in the Clear Creek Series Chase Devereaux turned away from God when he lost his wife to cancer two years ago. Now he's trying to be both father and mother to his teenage sons. Tiffany Cameron was married but her husband ran off with another teacher ten years ago. Now she only has her cat Garfield who not only rules the house but Tiffany too. Chase seems to come out of his fog and notice Tiffany. But how can he do anything about it since he's her boss? One of his teachers has accused him of sexual harassment. With that charge looming over him, he turns to his best friends Hunter and Ryan for advice and support. Tiffany finally realizes that she is attracted to her principal but she doesn't know what to do about it. Then her mother is diagnosed with breast cancer. She turns to her best friends Sabrina and Candy who comfort and encourage her with their prayers. Everything else goes on hold as murders begin to happen in this peaceful little town and Tiffany suddenly becomes the prime suspect. Is their faith in God strong enough to bring Chase and Tiffany together among all the chaos and keep each other safe in the process? Can Chase ever return to the man he was before? Hunter's Revenge – Third in the Clear Creek Series As police chief of Clear Creek, Hunter Billingsley hasn't had much of a family or social life since his wife divorced him fifteen years ago and moved to another state, taking their baby girl with her. Hunter would like revenge against his ex-wife for making his sixteen-year-old daughter think he is a mean person who doesn't want her around him. On top of that, Karrie is involved with a group of kids who are getting her into trouble. How

can he help her from so far away? His life is turned upside down when Karrie hitchhikes almost three-hundred miles to be with him but doesn't really want to be with him. Then, as if that wasn't enough, someone is out to kill him. Between her job as head librarian at Clear Creek Public Library, and restoring 1965 Mustangs with her dad, Sabrina Elliott stays too busy to have a social life. In fact, she's forty-one and never been married. Sabrina's life is changed when Hunter's daughter comes to her at the library instead of to her father. She quickly realizes that Karrie is afraid of her father. What has caused her mistrust of all people and why did she run away? Can Sabrina encourage a relationship between a father and daughter who have been virtual strangers for fifteen years? All three of them must come together to free themselves

The Speedicut Papers: Book 1 (1821-1848) Christopher Joll,2017-11-15 The Speedicut Papers recounts in very frank detail the life, loves, and adventures of Jasper Speedicutcharmer, sexual libertine, reluctant hero, and friend of the self-styled brigadier general Sir Harry Flashman, VC. Comprising a nine-volume series of linked adventures and anecdotes in memoir format, The Speedicut Papers lifts the lid from a veritable cesspit of Victorian and Edwardian upper-class debauchery that makes Downton Abbey look like a vicarage tea party. It is also a unique account of Speedicuts involvement in some of the greatestand also some long-forgottenevents in the British Empire and beyond during the period of 18211915. In Flashmans Secret, the first volume of the saga, Speedicut throws a searchlight onto some very murky corners of the nineteenth century, including the early careers of the notorious courtesan, Lola Montez, and the demon barber of Fleet Street, Sweeney Todd. New insights are also provided into the formation of the IRA, the first Anglo-Afghan War, and the dubious acquisition by the British crown of the Koh-i-Noor diamond. If this were not enough, Flashmans Secret also reveals Nelsons actual last words and the existence of a sinister and

murderous secret society at the heart of the British establishment.

With additional contributions by Nicholas Dunning and Eric Weaver, Daniel Graña-Behrens, Guido Krempel, and Karl Herbert Mayer.

'Til the Fat Redhead Sleeps Victoria Wilson,2013-09-23 For the first time in years, Blaine Bishop will be spending Thanksgiving alone, and she can't wait. This year, she won't worry about the stress of travel or family dynamics. She won't stress the weekend away and wonder where her vacation went. Instead, she will spend Thanksgiving doing whatever she wants. But of course, as the saying goes, the best laid plans of mice and men often go awry. After completing a routine errand for her boss at a client's office, Blaine takes the building's ancient elevator down to the main floor. The start of Blaine's four-day holiday weekend is just minutes away when an obese redheaded woman joins her on the elevator. As luck would have it, the elevator suddenly stops, and Blaine finds herself trapped between floors with a stranger. Blaine's fantasy weekend is now destroyed, as they have no clue when they will be rescued. Even worse, the redhead seems determined to talk nonstop. Blaine finds herself a captive audience. As the hours pass and help does not arrive, she finds herself wondering just how long she can stand it.
