Isis in the City EE Hunt,2017-01-04 Those of us who have lived in big cities can imagine the danger presented by radical Islamic terrorists, but suppose at the last New York City Thanksgiving Day parade, the ISIS members in this book had terrorized bystanders. Would it have been such a fun day or a very tragic one? In this book, the heroine, Fatima, is attacked in Central Park only by a Frisbee that narrowly misses her, but as it whizzed by her head, she has visions of it being a true gun hit and of being horribly hurt as in her past. Indeed, that Frisbee leads to suspicious activity, which she will have to confront along with her fianc, Charles, and her two hosts Ted and Sherry who live in Manhattan on East Seventy-Second Street. The terrorists, however, are after bigger game than one lone woman. They are after the very heart of the city today after its prior attack on 9/11.

Guest House for Young Widows AZADEH. MOAVENI,Azadeh (Senior Gender Analyst Moaveni, International Crisis Group and Lecturer in Journalism NYU in London),2020-09-10 SHORTLISTED FOR THE BAILLIE GIFFORD PRIZE FOR NON FICTION AND THE RATHBONES FOLIO PRIZE. A GUARDIANAND OBSERVERBOOK OF THE YEAR. An intimate, deeply reported account of the women who made a shocking decision: to leave their ordinary lives behind and join the Islamic State. These women, some still in school, some with university degrees, many with cosmopolitan dreams of travel and adventure, left their homes and lives in the West to join what they thought would be a movement of justice and piety. Instead, they found themselves trapped in the most brutal terrorist regime of the twenty-first century. Azadeh Moaveni tells their stories with little intervention, providing just enough context for us to see how and why they were pulled into this world.

U.S. Counterterrorism Efforts in Syria Nonproliferat Subcommittee on Terrorism, Subcommittee on Terrorism, Nonproliferation, and Trade of the Committee on Foreign Affairs House of Representatives Staff, 2015-11-23 On September 10th, 2014, President Obama announced that the United States would degrade and ultimately destroy ISIS. The terrorist group keeps on moving across the Middle East killing those who stand in its way by raping, pillaging, and murdering those who disagree with ISIS. ISIS controls half of Syria and large parts of Iraq. Despite the U.S. spending billions in a counterterrorism strategy, the terrorist groups numbers have not decreased; in fact, ISIS has grown in size with affiliates now all over the world, including Indonesia, Yemen, Egypt, and Libya. The U.S. \$3.7 billion air strike campaign has been plagued with little measurable successful results. Our intelligence estimates that ISIS' numbers are the same as they were when the air strikes started. The reality is just as bleak on the online battlefield. ISIS has 30 to 40,000 social media accounts. It uses the internet to spread its propaganda, raise money, and find recruits as far away as Washington State. In 2011, the administration promised a strategy to combat terrorists' use of social media. Four years later, the administration still has not shown us that strategy; no plan, no degrading of ISIS, no defeating of ISIS.

ISIS, Iraq, and Syria U. S. Military, Department of Defense (DoD), U. S. Government, 2017-05-07 This unique book reproduces a number of reports and government documents about the threat of ISIS (ISIL) and the Islamic State, along with wars in Iraq and Syria. Titles in the collection include: Regional Impact of U.S. Policy Towards Iraq and Syria * The Growing Strategic Threat of ISIS * The Administration's Strategy To Confront Isis * ISIS: Defining The Enemy * Ancient Communities Under Attack: ISIS's War On Religious Minorities * The President's Request for Authorization to Use Force Against ISIS: Military And Diplomatic Efforts * The Evolution of Terrorist Propaganda: The Paris Attack and Social Media * U.S. Counterterrorism Efforts in Syria: A Winning Strategy? Secretary of State Kerry, in calling for an authorization for the use of force against ISIS, noted: Our Nation is strongest, always has been, when we act together. It is a great tradition in this country of foreign policy having a special place, that politics ends at the water's edge, and that we will act on behalf of our Nation without regard to party and ideology. We simply cannot allow this collection of murderers and thugs to achieve, in their group, their ambition, which includes, by the way, most likely the death or submission of all those who oppose it, the seizure of land, the theft of resources, the incitement of terrorism across the globe, the killing and attacking of people simply for what they believe or for who they are. And the joint resolution that is proposed by the President provides the means for America and its representatives to speak with a single powerful voice at this pivotal hour. The President already has statutory authority to act against ISIL, but a clear and formal expression of this Congress' backing at this moment in time would dispel doubt that might exist anywhere that Americans are united in this effort. Approval of this resolution would encourage our friends and our partners in the Middle East. It would further energize the members and prospective members of the global coalition that we have assembled to oppose Daesh. And it would constitute a richly deserved vote of confidence in the men and women of our Armed Forces who are on the front lines prosecuting this effort on our behalf. Your unity would also send an unmistakable message to the leaders of Daesh. They have to understand they cannot divide us. Do not let them. They cannot intimidate us, and they have no hope of defeating us. The resolution that we have proposed would give the President a clear mandate to prosecute the armed component of this conflict against Daesh and associated persons or forces which we believe is carefully delineated and defined. And while the proposal contains certain limitations that are appropriate in light of the nature of this mission, it provides the flexibility that the President needs to direct a successful military campaign. And that is why the administration did propose a limitation on the use of enduring offensive ground combat operations. ISIL is distinctive, however, because it holds territory and will continue-if not stopped-to seize more; because of its financial resources; because of the destabilizing impact of its activities on the broader Middle East; because of its pretensions to worldwide leadership; and because it has already been

culpable in the violent death of Americans. I don't need to review for this committee the full litany of outrages committed by ISIL, but I will say that among them are atrocities against the Assyrian Christian and Yazidi religious communities; the crucifixion of children; the sale and enslavement of women and girls; the hideous murder of captives from as near as Jordan and as distant as Japan; the destruction of irreplaceable cultural sites; and the plunder and destruction of cities and towns in which followers of Islam worship, work, and raise their families.

FPI Bulletin: White House ISIS Efforts Don't Go Far Enough David Adesnik,2022

10_22_27 Phillip LaSpino,2023-11-29 Meet Clyde and Ruth who are vacationing in Israel; their stay is about over when a minor tremor occurs. That tremor will reshape their lives and millions of others. This story will play out on the plains of Megiddo and Jerusalem. David and Elijah, two strangers, come to Clyde's home with a mystery letter that changes the course of his family's lives. In a strange twist, the letter is not the mystery; but the carrier is. A series of Bible studies brings understanding to Daniel's prophesies. Prophesies that had remained secret for centuries are now understood. The people of Israel will soon know and understand what the abomination of desolation is. Meet Mohamad Almasih, Iran's next Ayatollah; cunning, deceitful, and murderous. Archeologists searching along the dried-out banks of the Euphrates uncover a sealed box dating to the time of Daniel and king Nebuchadnezzar. Its contents hold the last piece of the tribulation puzzle. A teenager will unravel the final mystery of the sealed box. Samuel Rothman leads a team of scientists who will descend into one of Hell's four chambers. Feel the terror that comes up from below. Satan finds his antichrist, investing in him all his power and authority. Hear the words of the Assyrian as he begins his campaign of terror and when evil tramples underfoot all who oppose it. Be there when the Two Witnesses and the hundred and forty-four thousand are made known. Meet eight souls who neglected the Word of God and now find themselves trapped in the days of Jacob's trouble. The Middle East is caught up in a war with God. The antichrist soon realizes the powers that will overturn his victories. The Almighty has the last say, His glory realized, and Kingdom ushered in.

Honest Errors? Combat Decision-Making 75 Years After the Hostage Case Nobuo Hayashi,Carola Lingaas,2023-11-04 This book marks the 75th anniversary of the 1948 Hostage Case in which a US military tribunal in Nuremberg acquitted General Lothar Rendulic of devastating Northern Norway on account of his honest factual error. The volume critically reappraises the law and facts underlying his trial, the no second-guessing rule in customary international humanitarian law (IHL) that is named after the general himself, and the assessment of modern battlefield decisions. Using recently discovered documents, this volume casts major doubts on Rendulic's claim that he considered the region's total devastation and the forcible evacuation of all of its inhabitants imperatively demanded by military necessity at the time. This book's analysis of court records reveals how the tribunal failed to examine relevant facts or explain the Rendulic Rule's legal origin. This anthology shows that, despite the Hostage Case's ambiguity and occasional suggestions to the contrary, objective reasonableness forms part of the reasonable commander test under IHL and the mistake of fact defence under international criminal law (ICL) to which the rule has given rise. This collection also identifies modern warfare's characteristics—human judgment, de-empathetic battlespace, and institutional bias—that may make it problematic to deem some errors both honest and reasonable. The Rendulic Rule embodies an otherwise firmly established admonition against judging contentious battlefield decisions with hindsight. Nevertheless, it was born of a factually ill-suited case and continues to raise significant legal as well as ethical challenges today. The most comprehensive study of the Rendulic Rule ever to appear in English, this multi-disciplinary anthology will appeal to researchers and practitioners of IHL and ICL, as well as military historians and military ethicists and offers ground-breaking new research. You Got Anything Stronger? Gabrielle Union, 2021-09-14 Included in Time's 100 Must Read Books of 2021 list * A New York Times Best Seller * One of Audible's Best of The Year * AV Club's Best Books to Buy "Funny, tender, and so good." — Mindy Kaling, #1 New York Times bestselling author of *Why Not Me?* Remember when we hit it off so well that we decided *We're Going to Need More Wine*? Well, this time you and I are going to turn to our friend the bartender and ask, *You Got Anything Stronger?* I promise to continue to make you laugh, but with this round, the stakes get higher as the conversation goes deeper. So. Where were we? Right, you and I left off in October 2017, when my first book came out. The weeks before were filled with dreams of loss. Pets dying. My husband leaving me. Babies not being born. My therapist told me it was my soul preparing for my true self to emerge after letting go of my grief. I had finally spoken openly about my fertility journey. I was having second thoughts—in fact, so many thoughts they were organizing to go on strike. But I knew I had to be honest because I didn't want other women going through IVF to feel as alone as I did. I had suffered in isolation, having so many miscarriages that I could not give an exact number. Strangers shared their own journeys and heartbreak with me. I had led with the truth, and it opened the door to compassion. When I released *We're Going to Need More Wine*, the response was so great people asked when I would do a sequel. The New York Times even ran a headline reading "We're Going to Need More Gabrielle Union." Frankly, after being so open and honest in my writing, I wasn't sure there was more of me I was ready to share. But life happens with all its plot twists. And new stories demand to be told. This time, I need to be more vulnerable—not so much for me, but anyone who feels alone in what they're going through. A lot has changed in four years—I became a mom and I'm raising two amazing girls. My husband retired. My career has expanded so that I have the opportunity to lift up other voices that need to be heard. But the world has also shown us that we have a lot we still have to fight for—as women, as black women, as mothers, as aging women, as human beings, as friends. In *You Got Anything Stronger?*, I show you how this ever-changing life presents challenges, even as it gives me moments of pure joy. I take you on a girl's night at Chateau Marmont, and I also talk to Isis, my character from *Bring It On*. For the first time, I truly open up about my surrogacy journey and the birth of Kaavia James Union Wade. And I take on racist institutions and practices in the entertainment industry, asking for equality and real accountability. *You Got Anything Stronger?* is me at my most vulnerable. I have recently found true strength in that vulnerability, and I want to share that power with you here, through this book.

Isis Residential 10 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Isis Residential 10 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Isis Residential 10 has opened up a world of possibilities. Downloading Isis Residential 10 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Isis Residential 10 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Isis Residential 10. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Isis Residential 10. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates

copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Isis Residential 10, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Isis Residential 10 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
