Inspiring Islamic Stories for Boys and Girls Volume 1 Julia Hanke, 2020-11-04 Inspirational, simple Islamic Stories and authentic Islamic Facts for Kids The Book Inspiring Islamic Stories is not like other Islamic Books for Kids! It contains three stories; one of them is the most inspiring and unforgettable story of all - Prophet Muhammad (Peace and Blessings of Allah be upon him). This Islamic bedtime book for Toddlers is filled with good Islamic morals and manners, teaching your

child age three and above about Allah and to understand the importance of good and bad actions. It has been created in recognition of the need for books that tell real, authentic Islamic stories for children. Most of the Islamic children's books available today lack authenticity or are written in a complicated language for young Muslims to understand. Inspiring Islamic Stories is written in a way that even very young kids can easily understand. The author made these stories as authentic as possible by taking stories and information from the Quran, Tafseer Ibn Katheer, Bukhari, Muslim, and other authentic Hadith books and simplifying the language and adding context children can understand, without changing the intended meaning. This simple language results from an interactive reading process between the author and her children. If you are looking for a good Islamic children's book with inspirational, simple stories for kids 2-10, this colorful picture book is a great choice. Don't be surprised if it quickly becomes one of their favorite books they ask to read again and again. Editorial Reviews: I thought this book was enlightening and entertaining. Also, I think there are many similarities across religions with respect to their morals and values for a life well spent. I cannot say whether the book might be confusing for very small children from different faiths, but I think it would be great for Islam children of various ages and for older children from other faiths. -Dr. Jay [The] idea would have been to buy the book.. brand it to MC and give it away free. But you will make more money selling it it seems.

Jzk.-Head Admin of Muslim Central whose co-director is Mufti Ismail Menk (Zimbabwe) And as a children's book author myself, I like to see what 'new' books are out there. This book is VERY nicely illustrated (calming color scheme; enchanting overall) and evenly paced. It can be hard to write for a very young audience, especially about religions, but this book gets it right. In addition, I would also recommend this book for older non-Muslim children and teens, who simply want to learn more about Islam. Well done! -Christy Burbidge, Author, Copy Editor, MSW (Simmons University) and PhD in Expressive Therapies (Lesley University) The last story about the gardens of Sheba was by far the best and illustrated wonderfully.-Nikki Lewen, 5 Stars Award winning American Author, who was featured at the National John Steinbeck Center About the Author Julia Hanke was born and raised in Germany. She converted to Islam at the age of 17 and took the name Hafsa to have a Muslim identity. Hafsa studied Education and Islamic Sciences at a famous German University and achieved her Bachelor's degree. At the moment, she is homeschooling her three children. Note that the quotes from the Koran and Hadith are illustrated in more than ten unique Illustrations.

Stories From The Hadith Muhammad Zakariya Iqbal,

It will not be an exaggeration to say that this eBook brought to you by Scribe Digital is one of its kind in the English language. It includes a compilation and explanation of many many stories found in the Islamic traditions concerning historical events and the lessons derived from them. The stories cover events from the lives of the Prophets including the Prophet Adam, Salih, Ibrahim, Musa, Lut, Dawood as well as other historical individuals. The eBook also includes references for the Hadith in detail. In the Islamic tradition the Narrations - Hadith - of the Prophet Muhammad ﷺ act as a commentary or an exegesis on the Holy Qur'an. Which itself includes many stories for the benefit of human kind. There are also many such narrations which the Qur'an has by-passed, but are mentioned in the Prophetic Narrations. The Author briefly introduces each incident, then presents the Hadith and its translation. This is followed by an explanation of the Hadith and other relative narrations, including those of the Companions. These are helpful in understanding the original true life event and original Hadith. The story is wound up with the lessons and guidance drawn from the events. All the true life accounts are taken from authentic Islamic sources. 30 Nights with Prophet Muhammad Ibrahim Ma'an, 2021-04-05 Inspire your child this ramadan with the amazing story of the Noble prophet Are you looking for a book for your child to learn Islam this ramadan? Do you want a book that is detailed yet simple and easy for children to understand and written in a way that's engaging for children? Follow the life of the Prophet ﷺ in his first 13 years in Mecca after he was chosen to call the people to Allah, the challenges he faced, the allies he made, the plots of his enemies and how Allah granted him Victory. This book is broken down into 30 chapters that can be read daily in the blessed month of Ramadan. Discover how the Prophet strove hard to call the people to Allah, how his people who had loved and trusted him became his enemies. How Islam slowly but surely was growing despite the trials and persecution the believers were enduring at the hands of the idols worshippers. It tells the stories of the noble companions and their strong character and sacrifices, like Hamza who did not want to be a Muslim until his honour was challenged, Abubakr and how came to be known as As-Siddiq (the truthful), how Bilaal endured pain and suffering because he believed in Allah. Then there was Najaashi, the Christian king whose faith was tested when he came to hear about Islam. See how the times changed for the believers and their enemies, one winning today and the other winning

the next. And when the Prophet ﷺ and his companions were treated worse than ever, and there was no sign of hope, and the Arabs had chosen to reject Islam, and it looked as if the enemies of Islam were close to destroying it, then came the noble, honourable and chosen Ansars (The Helpers), through whom Allah turned the tide. This is an amazing read for children or anyone interested in learning Islam. Make the most for your child this Ramadan with this beautiful Islamic story.
