I Ain't Doin' It Heather Land, 2020-02-04 Social media comedian and southern sweetheart Heather Land delivers her hilarious and unfiltered wisdom on the frustrating everyday moments that drive us crazy. Heather Land has something to say about almost everything in life—the unbelievable, inconceivable, and downright frustrating—and why she “ain’t doin’ it.” Now, Heather shines a light on the (occasional) ridiculousness of life through a series of hilarious essays, dishing on everything from Walmart and ex-husbands to Southern beauty pageants and unfortunate trips to the gynecologist. *I Ain’t Doin’ It* reminds us that when it comes to life’s messy moments, it’s all about perspective—and that we too can say, I ain’t doin’ it! Perfect for fans of Jim Gaffigan, Anjelah Johnson, and Brian Regan, *I Ain’t Doin’ It* is a fun, breezy read for anyone who appreciates someone who tells it like it is and

wants to embrace the lighter side of life.

My Therapist Says My Therapist Says,2020-10-06 From the team behind the super-popular Instagram @MyTherapistSays comes this humorous guide that chronicles the exhausting task of navigating the daily, anxiety-ridden struggle that we fondly call life. Including hilarious memes MTS is known and loved for, along with checklists, prompts, questions from readers, and more, My Therapist Says is the guide you need to achieve your goals, one wrong turn at a time. Have you ever wanted something, pursued it (albeit not quite as gracefully as you would've hoped), failed, and then genuinely asked yourself the question, "Am I delusional?" Well, that's how I began penning this magnum opus. Like the Buddhist's have their Tripitaka, you have...moi. And my therapist, though it's unlikely she'll admit this in public. On the receiving end of a ghosting session? Needing a way to leave a work function without looking like a buzzkill? Having a hard time developing amnesia about your last relationship? Fear not, as I cover everything from circumstantial etiquette to blissful delusion when necessary. So, grab a pen, a box of tissues, a glass of wine, and your bestie, because sh*t is about to get real. And remember, be yourself, be kind, and all that jazz, unless you're a Susan*. If that's the case, try to be literally anyone else. Ugh, my therapist hates that I wrote that. *Susan: Noun and verb. Unpleasant, annoying, and delusional, the Susan is somebody who is literally awful in every way, is liked by no one, but has no clue, no matter how many open clues you give her. If you roll your eyes at this, you're probably a Susan. Uses: Susaning, Susanism. For even more on navigating the mystical tornado of life, get the companion coloring book: My Therapist Says...to Color: Ignore Reality and Color Over 50 Designs Because You Can't Even.

The Classical Tibetan Language Stephan V. Beyer, 1992-01-01 Among Asian languages, Tibetan is second only to Chinese in the depth of its historical record, with texts dating back as far as the eighth and ninth centuries, written in an alphabetic script that preserves the contemporaneous phonological features of the language. The Classical Tibetan Language is the first comprehensive description of the Tibetan language and is distinctive

in that it treats the classical Tibetan language on its own terms rather than by means of descriptive categories appropriate to other languages, as has traditionally been the case. Beyer presents the language as a medium of literary expression with great range, power, subtlety, and humor, not as an abstract object. He also deals comprehensively with a wide variety of linguistic phenomena as they are actually encountered in the classical texts, with numerous examples of idioms, common locutions, translation devices, neologisms, and dialectal variations.
