The Paradox of Transgression in Games Torill Elvira Mortensen,Kristine Jørgensen,2020-02-24

The Paradox of Transgression in Games looks at transgressive games as an aesthetic experience, tackling how players respond to game content that shocks, disturbs, and distresses, and how contemporary video games can evoke intense emotional reactions. The book delves into the commercial success of many controversial videogames: although such games may appear shocking for the observing bystander, playing them is experienced as deeply rewarding for the player. Drawing on qualitative player studies and approaches from media aesthetics theory, the book challenges the perception of games as innocent entertainment, and examines the range of emotional, moral, and intellectual experiences of players. As they explore what players consider transgressive, the authors ask whether there is something about the gameplay situation that works to mitigate the sense of transgression, stressing gameplay as an aesthetic experience. Anchoring the aesthetic game experience both in play studies as well as in aesthetic theory, this book will be an essential resource for scholars and students of game studies, aesthetics, media studies, philosophy of art, and emotions.

*Learn My Lesson* Katee Robert, 2019-10-22 A single night with Megaera and I'm willing to do anything to save her from Hades, the man holding her captive, victim to his every whim. A bargain with the devil himself seems a small price to pay in order for Megaera to go free... Until I learn that she's exactly where she wants to be. She's Queen to Hades's King. And I'm the fool that walked right into their trap. The same fool who desires them both as much as I hate them. I can't resist Megaera's touch-or stop from being drawn to Hades's dark desires. By the time I realize just how deep a game he's playing, it may be too late...For all of us.

*Queen Takes Rose* Katee Robert, 2020-12-18 Once upon a time I made a deal with the devil. It turns out I like playing in the dark. Over the years, I've become someone I'm proud of, someone dangerous. I'll never be as dangerous as Malone, though. She's one of the most feared leaders in Carver City, and her reputation is more than earned. Years ago, we had a single night together and she's ignored me ever since. Imagine my surprise to discover she's scheduled me for the final two weeks of my contract. Maybe I should be afraid. Everyone else fears Malone. Instead, all I feel is anticipation. It's time to balance the scales, once and for all. The villains aren't the only ones in Carver City a person should be wary of crossing. Sometimes the prettiest flower hides the deadliest poison...

**Momlandia** Jennifer Strube, Samantha Lemos, 2021-02-25 When two college roommates reconnect after twenty years and find themselves both pregnant with baby girls, nothing could seem more blissful. That is, until they actually have the babies. Cue Momlandia: a strange universe that looks nothing like moms of Instagram. Braless, sleepless, and covered with milk, these friends fight for their pre-baby sanity the best way modern moms know how--one text message at a time. Together, they wade through the strange vortex of momlife, navigating GMO-sized body parts, tangled breast pumps, and sudden-onset husband hatred. Where is the glitter-filled Momtopia they were marketed? Strapping on their belly bands and pulling up their postpartum panties, these BFFs guzzle coffee and kale in search of organic motherhood. Hand-churning flax muffins while fighting their own muffintops, surely they can become the selfless, maternal saints they'd envisioned themselves to be. Or can they? To all those natural moms in search of perfection, we hail you, one

momguilt, mombod, momfail at a time.
