Italian Daniel Krouch,2020-09-11 Vocabulary represents one of the essential skills necessary for teaching and learning a foreign language. It is the basis for developing all the other skills: reading comprehension, listening comprehension, speaking, writing, spelling, and pronunciation. Vocabulary is the primary tool for the students in their attempt to use English effectively. When confronted with a native English speaker, when watching a movie without subtitles or when listening to a favorite English song, when reading a text, or when writing a letter to a friend, students will always need to operate with words. This book is a great educational learning tool for your kids to play games and learn new essential words simultaneously. You can see your child's reading improvement!
