Abortion is the "A" Word Carmen M. Cusack,2018-10-26

This book will serve to persuade students, educators, politicians, lawmakers, and community leaders in the debate on abortion. It will emancipate the reader from mundane and restrictive analyses, such as those lobbied by courts, legislatures, and mass media. It scathes routine constrictions and liberates fresh thoughts on specialized topics, including choice, penance, and parenthood. The book offers powerful perspectives about legalized termination and reduction, using allusions to cult films and images from pop culture to explore dark realities and seldom discussed principles of survival and procreation. Its analysis is bolstered by frameworks adopted from feminism, film studies, queer theory, religious analysis, legal studies, criminal justice, social science, and economics.

The Amazing 2000-Hour Flashlight Ronald Brown,2014-01-15

The Amazing 2000-Hour Flashlight shows how to add a 30-cent resistor to a \$5 flashlight and create a light that produces useful illumination for 2000 hours on the same battery. Detailed instructions. 54 illustrations. A half-hour project. No soldering required! The standard for useful light is defined and various lights compared to it. Brand names and part numbers and where to buy them (Home Depot, Radio Shack, etc.) are all identified. Related

topics include bypassing the resistor, rechargeable batteries, and how to substitute other battery sizes. Don't be afraid of the dark, we chide our children. Don't be a 'fraidy cat. Really? An underground parking garage in a blackout is intimidating. Getting the right prescription out of the medicine closet in the dark will make a 'fraidy cat out of anybody. Delivering a baby in the dark is life-and-death. But you can take control. For a very small sum you can have a flashlight that runs for weeks at a time on the same battery. What do they say? Do it now while it's fresh in your mind. Two free bonuses are included: (1) a chapter from *Lanterns, Lamps & Candles* (a different book on lighting by the same author) and (2) a chapter from *The Prepper's Guide to Food Storage* by Gaye Levy (proprietor of the Web site Backdoor Survival).

Light Sally M. Walker, 2005-09-01 Introduces light, including how light rays function, what causes colored light, and the relationship between light and heat.

Torches Fred Biddulph, 1992 Looks at different kinds of torches, and shows how a torch works. Suggested level: junior.

Benson, Evelyn Benson, Robert F. Ilson, 1986-01-01 Designed to help lexicographers compile better dictionaries of English, this book provides information about the language that is not available in any other single source. Etymological Dictionary of the Slavic Inherited Lexicon Rick Derksen,2008 This dictionary in the Leiden Indo-European Etymological Dictionary Series systematically and exhaustively deals with the Slavic inherited lexicon. It is unique in combining recent insights from the field of comparative Indo-European linguistics with modern Balto-Slavic accentology. In addition, the author makes an explicit attempt at reconstructing part of the Balto-Slavic lexicon. The entries of the dictionary are alphabetically arranged Proto-Slavic etyma. Each lemma consists of a number of fields which contain the evidence, reconstructions and notes. The introduction explains the contents and the significance of the individual fields. Here the reader can also find information on the various sources of the material. The volume concludes with an extensive bibliography of sources and secondary literature, and a word index.
