But it’s not until his death that she learns of something else she’s inherited—a cocoa estate in Vinces, Ecuador, a town nicknamed “París Chiquito.” Eager to claim her birthright and filled with hope for a new life after the devastation of World War I, she and her husband Cristóbal set out across the Atlantic Ocean. But it soon becomes clear someone is angered by Puri’s claim to the estate... When a mercenary sent to murder her aboard the ship accidentally kills Cristóbal instead, Puri dons her husband’s clothes and assumes his identity, hoping to stay safe while she searches for the truth of her father’s legacy in Ecuador. Though freed from the rules that women are expected to follow, Puri confronts other challenges at the estate—newfound siblings, hidden affairs, and her father’s dark secrets. Then there are the dangers awakened by her attraction to an enigmatic man as she tries to learn the identity of an enemy who is still at large, threatening the future she is determined to claim... “A lush Ecuadoran cacao plantation is the setting for this imaginative historical drama filled with sibling rivalry and betrayals. Quran: A Simple English Translation (Goodword ! Koran) Maulana Wahiduddin Khan (Translator), 2013-12-19 The Quran, a book which brings glad tidings to mankind along with divine admonition, stresses the importance of man's discovery of truth on both spiritual and intellectual planes. Every book has its objective and the objective of the Quran is to make man aware of the Creation plan of God. That is, to tell man why God created this world; what the purpose is of settling man on earth; what is required from man in his pre-death life span, and what he is going to confront after death. The purpose of the Quran is to make man aware of this reality, thus serving to guide man on his entire journey through life into the after-life. The main themes of the Quran are enlightenment, closeness to God, peace and spirituality. The Quran uses several terms, tawassu, tadabbur, and tafakkur, which indicate the learning of lessons through reflection, thinking and contemplation on the signs of God scattered across the world. The present translation of the Quran and its explanatory notes are written keeping in mind these very themes. Koran, Qur'an, Coran, Kuran, Islam, Prophet Muhammad

Translation in the Digital Age Carsten Sinner, 2020-06-29 Translation, interpreting and translatology face major challenges today, as new technologies provide new ways of investigating our profession, analysing the process of performing these acts of linguistic mediation, or the outcome of our work, and even permit a fresh look at old data. However, aside from a certain improvement in terms of research possibilities, what else does the future hold for translation and interpreting? This volume proposes the label Translation 4.0, suggesting that contemporary translation should actually be understood as programmatic as expressions such as Industry 4.0 and Internet 4.0, which are often used to refer to the increasing application of Internet technology to facilitate communication between humans, machines and products. As the book shows, Translation 4.0 is at least undergoing a process of formation, if it is not already fully developed. The contributions here not only look into developments in translation and interpreting per se, but also explore the consequences of digitalisation for research in this field.
