It's Our Secret W. Winters, Willow Winters, From USA Today best-selling romance author Willow Winters comes an emotionally gripping, romantic suspense. It was only a little lie. That's how stories like these get started. With every lie I told, he saw right through me. I think in his heart he knew I was broken; he felt my pain as if it was his. And that's what changed everything. He's the reason it all fell apart. Sometimes it's a single moment that alters everything in existence. Sometimes it's the chain reaction of falling dominoes, lined up in pretty little rows and designed so that each one will cause more and more pain as it topples. In a single day, everything changed, and there's no way to go back. I didn't know what would happen. Secrets and lies ruin everything and I should have known better. For the first time in I don't know how long, I wish I could take it back. I'd take every bit of it back if I could just be with him again. "I was captivated from the very beginning, and I couldn't let go until the very end. Winters wove an outstanding tale, which has an even better message within its pages." – Kendra, Reads and Treats It's Our Secret can be read as a standalone and was originally released in January of 2018. This edition is reedited and extended. Topics include: mafia romances, dark romance, dark romance mafia, alpha business man book, billionaire romance, billionaire romance series, possessive alpha romance, willow winters books, w. winters books, contemporary romance, contemporary, romance novels, survival romance, the best romance series ever, bestselling series, captive romance, top 100 new releases, hot new release, USA Today Bestseller.

*Keep Our Secrets* Jordan Crane, 2012-01-17 A girl and boy discover a hidden world right before their very eyes. On board pages.

Let This Be Our Secret Deric Henderson, 2011-10-14 May 1991. The location: a quiet, picturesque seaside town. The scene: two bodies in a car filled with carbon monoxide. Police officer Trevor Buchanan and nurse Lesley Howell have apparently taken their own lives, unable to live with the pain of their spouses' affair with each other. The adulterous pair – Sunday school teacher Hazel Buchanan and dentist Colin Howell – had met in the local Baptist Church. Following the apparent double-suicide, they continue their affair secretly before both later remarrying. A series of disasters in Howell's life – the death of his eldest son, massive losses in an investment scam and the revelation that he has been sexually assaulting female patients – lead to him declaring that he is a fraud and a godless man. He tells the elders of his Church that he and Hazel Stewart conspired together to murder their spouses nearly two decades earlier. What follows the dramatic confession are two of the most sensational murder investigations ever seen in Ireland, leading to both Howell's conviction for murder in December 2010, and Stewart's in March 2011 – despite her protestations of innocence.

**Things I'll Never Say** Ann Angel, 2015-03-24 Fifteen top young-adult authors let us in on provocative secrets in a fascinating collection that will have readers talking. A baby no one knows about. A dangerous hidden identity. Off-limits hookups. A parent whose problems your friends won't understand. Everyone keeps secrets—from themselves, from their families, from their friends—and secrets have a habit of shaping the lives around them. Acclaimed author Ann Angel brings together some of today's most gifted YA authors to explore, in a variety of genres, the nature of secrets: Do they make you stronger or weaker? Do they alter your world when revealed? Do they divide your life into what you'll tell and what you won't? The one thing these diverse stories share is a glimpse into the secret self we all keep hidden. With stories by: Ann Angel Kerry Cohen Louise Hawes Varian Johnson erica l. kaufman Ron Koertge E. M. *The Secret Lies Within* Anne Beiler, Emily Sutherland, 2019-06-04 The Secret Lies Within in an inside-out look at the trauma and pain so many people experience in this lifetime and how breaking the silence is the first step to freedom. Many people experience trauma or pain and keep it to themselves, letting it become a secret that holds them captive. They live with pain, blame, and shame, unsure of what to do or how to break free. The secrets grow, causing people to become increasingly silent while they hope and pray for better days, struggling to believe they will ever come. The Secret Lies Within is an honest, vulnerable, and courageous narrative about nearly losing everything, breaking the silence of secrets, and finding purpose in pain. Auntie Anne Beiler, founder of the international franchise Auntie Anne's pretzels, shares her journey through the loss of a child, sexual abuse, and the resulting trauma that haunted her for years, reminding readers they are not alone in their pain. Anne weaves brief stories of other brave individuals throughout her own and presents a picture of hope for those who have experienced trauma. Those with deep secrets of their own are encouraged to break their silence and are shown the power to overcome through confession and reach a whole new level of freedom.

**Shh... It's Our Secret** Lizzie Chantree, 2021-05-06 Violet has a secret that could change the lives of everyone she knows and loves, especially the regulars at the run-down café bar where she works. After losing her parents at a young age, they are the closest thing she has to a family and she feels responsible for them. Kai is a jaded music producer who has just moved outside of town. Seeking solitude from the stress of his job, he's looking for seclusion. The only problem is he can't seem to escape the band members and songwriters who keep showing up at his house. When Kai wanders into the bar and Violet's life, he accidentally discovers her closely guarded secret. Can Kai help her rediscover her self-confidence or should some secrets remain undiscovered?

*The Regression Trilogy* Barry Oliver, 2021-02-19 Barry Oliver's three part 'Regression Trilogy' is a fabulous story of a very special DayCare centre - Buttons and Blocks - where most (but not all) of the clients are adults who have been regressed to infants and toddlers. Danger, intrigue and adventure find each of our protagonists as we learn more about the mysterious technology that can give what adult babies have always wanted - physical regression to infancy. **The House of Government** Yuri Slezkine, 2017-08-07 On the 100th anniversary of the Russian Revolution, the epic story of an enormous apartment building where Communist true believers lived before their destruction The House of Government is unlike any other book about the Russian Revolution and the Soviet experiment. Written in the tradition of Tolstoy's War and Peace, Grossman's Life and Fate, and Solzhenitsyn's The Gulag Archipelago, Yuri Slezkine's gripping narrative tells the true story of the residents of an enormous Moscow apartment building where top Communist officials and their families lived before they were destroyed in Stalin's purges. A vivid account of the personal and public lives of Bolshevik true believers, the book begins with their conversion to Communism and ends with their children's loss of faith and the fall of the Soviet Union. Completed in 1931, the House of Government, later known as the House on the Embankment, was located across the Moscow River from the Kremlin. The largest residential building in Europe, it combined 505 furnished apartments with public spaces that included everything from a movie theater and a library to a tennis court and a shooting range. Slezkine tells the chilling story of how the building's residents lived in their apartments and ruled the Soviet state until some eight hundred of them were evicted from the House and led, one by one, to prison or their deaths. Drawing on letters, diaries, and interviews, and featuring hundreds of rare photographs, The House of Government weaves together biography, literary criticism, architectural history, and fascinating new theories of revolutions, millennial prophecies, and reigns of terror. The result is an unforgettable human saga of a building that, like the Soviet Union itself, became a haunted house, forever disturbed by the ghosts of the disappeared.

*Our Secret Territory* Laura Simms, 2011 This book is composed of revelations from the life of a world famous storyteller including extensive travel and projects spanning thirty years. It helps readers understand the power of storytelling as a profound and unique art form combining modern solo theatre, spoken literature, spirituality, and direct oral tradition akin to ancient ritual. The book is shaped with stories and poems and a remarkable fairytale that weaves in and out of a life of experiences: rescuing ex-child soldiers from a devastating war; working with epic singers, Native American storytellers and Tibetan meditation masters; designing a playground; telling tales to Roma mothers and children; and saving a zoo in Northern Romania. This is a unique combination of personal story, myth, memoir, and fairytales that will interest anyone involved in storytelling as performance; those using narrative in healing, business, or education; peacemakers and humanitarians; writers; anyone seeking a deeper spiritual practice; and those hoping to understand the psychology of personal memoir, myth and symbol, the importance of anthropology in our cultural life, and how communities are affected by the stories we tell.

My Secret Book Francesco Petrarca, 2016-06-13 Petrarch was the leading spirit in the Renaissance movement to revive literary Latin, the

language of the Roman Empire, and Greco-Roman culture in general. My Secret Book reveals a remarkable self-awareness as he probes and evaluates the springs of his own morally dubious addictions to fame and love.

*Scientific Christian Mental Practice: Also Includes High Mysticism* Emma Curtis Hopkins,2021-07-27 A classic work of spiritual truth and profound wisdom Emma Curtis Hopkins was one of the key leaders of the New Thought movement in the 20th century. Known as “the teacher of teachers,” she instructed many of the spiritual leaders that would continue to write and teach based on her philosophy. Scientific Christian Mental Practice is known as her master work and a pivotal text in the New Thought tradition. In it, she shares twelve perspectives on the teachings of Christ that demonstrate the transformational power of mystical wisdom. In addition to Scientific Christian Mental Practice, this edition also includes Hopkins' later book, High Mysticism. Scientific Christian Mental Practice is part of The Library of Spiritual Wisdom, a beautifully designed series of curated classics written by some of the greatest spiritual teachers of all time. With books covering topics ranging from prosperity and motivation to the occult and metaphysical thought, The Library of Spiritual Wisdom is the definitive collection of texts from some of the most revolutionary thought leaders of the last two centuries and belongs on the shelves of home libraries everywhere.

High Mysticism Emma Curtis Hopkins,2007-11-01 American writer, educator, theologian, and feminist pioneer EMMA CURTIS HOPKINS (1849-1925) may well be the most important woman in the history of religion in the United States. Influenced by Mary Baker Eddy and her Christian Science, Hopkins developed the more metaphysical philosophy of New Thought, an early New Age outlook that encouraged its adherents to tap the latent powers of their potent minds. Known as the teacher of teachers, Hopkins inspired her students, many of whom went on to become influential leaders of the New Thought movement, to give full expression to their creative genius. In this 1888 book, considered by many one of the greatest works of mysticism every written, Hopkins encourages us all to live life with a greater awareness of the mystery and power of the universe as it is seen through the wisdom of Jesus Christ. No bleak call to celebrate Jesus' suffering or pain, this is a glorious expression of the power within us to triumph over loss, sin, and death to find new avenues to joy. In His Secret Life Mel Bossa,2018-05-26 Allan has always tried to do the sensible thing. So when his sister Elsie became pregnant eight years ago and was ditched by her boyfriend, he stepped up to the plate. Since then, he's been his sister's support system and father figure to his niece. Allan's world is turned upside down when Elsie becomes engaged and he meets her fiancé's older brother, Davinder -- a beautiful, brooding artist with a thousand secrets in his eyes. But Davinder is a married man and father of two young boys. From the moment they meet, Allan and Davinder walk along the edge of their secret lives, never allowed to push open the gates. Though their love is a head-on collision, a meeting of the minds, a fusing of two lost souls, both men know that it is also -- and above all -- impossible.

**The Lost Sermons of C. H. Spurgeon Volume VII** Jason G. Duesing,Geoffrey Chang,Phillip Ort,2022-09-01 In 1857, Charles Spurgeon—the most popular preacher in the Victorian world—promised his readers that he would publish his earliest sermons. For almost 160 years, these sermons have been lost to history. In 2017, B&H Academic began releasing a multi-volume set that includes full-color facsimiles, transcriptions, contextual and biographical introductions, and editorial annotations. Written for scholars, pastors, and students alike, The Lost Sermons of C. H. Spurgeon will add approximately 10 percent more material to Spurgeon's body of literature.

The Daycare Regression - nappy version Barry Oliver,2021-03-03 Barry Oliver's gripping first book - The Rehab Regression - now continues with a new story centered once more on the Buttons and Blocks daycare center. The Daycare Regression Summer and Elise are in their senior year of college and best friends. Elise is studying social work, while Summer plans on going into early childhood education. Currently, Summer has a most unique part-time job at a daycare center called Buttons & Blocks which partners with a drug rehab center called Forever Free. Together, they offer a 100% cure for their drug-addicted clients by physically regressing them into infants and toddlers still in nappies with no memory of their drug-addicted past. To prove this incredible claim to her skeptical friend, Summer regresses Elise into a 2-year-old girl for one day. Elise is immediately hooked. She enjoys the experience of being in the body of a young child so much that she asks to return again and again. But what happens when the power to cure is misused for the power to silence its critics? Elise soon finds herself trapped in a toddler’s body unable to return, as one by one, the people who would help her escape are themselves transformed into helpless babies. She must try to figure out who is behind this and if they can be stopped — all while trying to escape the trappings of early childhood including the inexorable regression of her own mind into that of an actual 2-year-old child. That’s a lot for a mere toddler to accomplish. Will she run out of time? As it turns out, help sometimes comes from unexpected directions.

The Warren Buffett CEO Robert P. Miles,2001-10-29 Everyone knows Warren is the greatest investor of our time. . . .This book for the first time captures his genius as a manager. —Jack Welch The first book to reveal the investment and management strategies of the Berkshire Hathaway all-star management team. Much has been written about Warren Buffett and his investment philosophy; little has been made public about the inside management of Berkshire Hathaway. With a market cap exceeding 100 billion , Berkshire Hathaway has a market value surpassing many icons of American business such as Dell, AT&T, Disney, Ford, Gillette, American Express, and GM. Drawing on his personal experiences as well as those of Berkshire's chief executives, officers, and directors interviewed for this book, Berkshire insider Robert P. Miles provides a unique look at the Berkshire Hathaway culture and its management principles.
