**100 Years of Semi Trucks** Ronald G. Adams,2000 From the first turn-of-the-century haulers to the 18-wheelers truckin' down the nation's highways today, ten full decades of big rigs fill the pages of this hardbound chronological retrospective. Lengthy captions accompany each of more than 500 black-and-white photographs and a special section of 75 color photos featuring major manufacturers like Mack, Peterbilt, Ford, Freightliner, International, and GMC, along with trailer manufacturers and minor truckbuilders that have gone by the wayside. The main focus is on semis built from the 1940s through the 1970s.

**A Trucker's Tale** Ed Miller,2020-04-14 Wit, wisdom, adventure, and revelations from sixty years on the road. They say that only truck drivers experience the true grandeur and landscape of America: the winding mountainsides at sunrise, the first frosts of winter descending on apple orchards, the call of the rising roosters. In *A Trucker's Tale*, Ed Miller gives an inside look at the allure of the work and the colorful characters who haul our goods on the open road. He shares what it was like to grow up in a boisterous trucking family, his experience as an equipment officer in Vietnam, the wide range of vehicles he's mounted, and the daily trials, tribulations, risks, and exploits that define life as a trucker. Ed's vibrant, no-holds-barred tales are hilarious and heartwarming, sometimes cringeworthy or unbelievable—recollections of heroic feats as well as the “fishing stories” that have stretched and shifted from CB radio to CB radio. Many are the results of what he calls, “just plain stupidity.” Others bring to light the small acts of kindness and grand gestures that these Knights of the Highway perform each day, as well as the safety risks and continual danger that these essential workers endure. Together they paint a compelling portrait of one of the most important, but least-known industries, and reveal why Ed, and so many like him, just kept on truckin’.

*Organization and Operation of the Illinois Livestock Marketing Association* Helim Harold Hulbert,1936

**Bulletin** ,1935

**The Long Haul** Ron Adams,2008-05-15 In the early days, many trucking companies started out with one truck or even some horses, and a few tough folks kept hauling through the Great Depression and WWII. As roads improved, many of these companies became large operations with ample semi-trucks, trailers and places to haul. This book is a concise history of the pioneers in trucking and how they grew their truck empires. From the east coast to the west coast, most of the companies started out very small regionally and with acquisitions and mergers became the big names in trucking hauling all over America. Each company includes a history, maps of their truck lines and a photo or more of their fleet or rigs they used at an epochal point in their history. Ron Adams has been collecting truck literature and photographing trucks for over 40 years and has a vast knowledge of the trucking industry and has made a name for himself in truck books.

**Truckerology** Long-Haul Larry,2020-04-14 Climb aboard Big Blue and ride along with veteran trucker, Long-Haul Larry as he tells tales of his journeys across America's heartland. Share in the humor and struggle of driving a truck for the first time and teaching others to do the same. Experience nail-biting tension while trucking through ice and wind. Learn how to train a cat and how not to train your wife. Find out what to wear when the shooting starts and discover the fastest way to get a Thanksgiving turkey. Know how NOT to meet your maker and what it's like to walk a stranger to the hereafter. Larry's stories will move, entertain, and impress you in ways you never imagined as you experience life as an American trucker. Publisher Note: *Truckerology* is a clean and wholesome read appropriate for readers of all ages. This book is a series of short-stories sure to warm the heart and tickle the funny-bone. About The Author Veteran trucker, Long-Haul Larry hails from the eastern lowlands of Wisconsin, north of Milwaukee, but can be found anywhere along America's vast highways piloting Big Blue along with Chicken Johnny. Larry firmly believes, If you're gonna drive 'em, you better be able to fix 'em. Using his natural mechanical aptitude and experience as a truck mechanic, he keeps Big Blue running the miles and their deliveries on time. Join Larry and Chicken Johnny in their daily adventures on the Long-Haul Larry YouTube Channel at <https://bit.ly/LongHaulLarry>. What's up with the chicken, you ask? You'll have to look for Chicken Johnny on Larry's YouTube channel to find out. Special thanks to John Vollrath with JBG Travels for the Introduction.

*The Long Haul: A Trucker's Tales of Life on the Road* Finn Murphy,2017-06-06 “There’s nothing semi about Finn Murphy’s trucking tales of The Long Haul.”—Sloane Crosley, Vanity Fair More than thirty years ago, Finn Murphy dropped out of college to become a long-haul trucker. Since then he’s covered more than a million miles as a mover, packing, loading, hauling people’s belongings all over America. In *The Long Haul*, Murphy recounts with wit, candor, and charm the America he has seen change over the decades and the poignant, funny, and often haunting stories of the people he encounters on the job.
