Emerging Dynamics in Audiences' Consumption of Trans-media Products Carmen

Spano,2020-11-27 The book investigates the new forms of empowered agency possessed by national audiences with reference to two particular television texts: Game of Thrones and Mad Men. The two popular American TV shows are highly successful products of the convergence era, characterized by

trans-media storytelling as a strategy and the interconnection of audiences' multiple practices of reception and fruition. The Procrastination Economy Ethan Tussey,2020-04-01 2018 Outstanding Academic Title, given by Choice Magazine How mobile devices make our in-between moments valuable to media companies while also providing a sense of control and connection In moments of downtime – waiting for a friend to arrive or commuting to work – we pull out our phones for a few minutes of distraction. Just as television reoriented the way we think about living rooms, mobile devices have taken over the

interstitial spaces of our everyday lives. Ethan Tussey argues that these in-between moments have created a procrastination economy, an opportunity for entertainment companies to create products, apps, platforms, subscription services, micropayments, and interactive opportunities that can colonize our everyday lives. But as businesses commoditize our free time, and mobile devices become essential tools for promotion, branding and distribution, consumers are using these devices as a means of navigating public and private space. These devices are not just changing the way we spend and value our time, but also how we interact with others and transform our sense of the politics of space. By examining the four main locations of the procrastination economy—the workplace, the commute, the waiting room, and the “connected” living room—Ethan Tussey illuminates the relationship between the entertainment industry and the digitally empowered public.

Brand is a Four Letter Word Austin McGhie, 2012 In this breakthrough book, marketing expert Austin McGhie urges readers to set aside their obsession with branding and instead focus on the real work of marketing: positioning. In fact, McGhie believes there's no marketing problem or opportunity that can't be framed as a positioning exercise. He argues that brands are a marketplace response, not a marketer's stimulus; if that response from the audience is simple, clear and on strategy, marketers can build a brand. Drawing on his 30-year career working with some of world's best-known brands, including Disney, ESPN, Nike, Google, Visa, Expedia, Best Buy, Microsoft, Anheuser-Busch, Abbott and YouTube, McGhie tackles the strategic essence of positioning and creating differentiated advantage. He deftly weaves the positioning discussion throughout the book with a series of real-life anecdotes to deliver a crisp, clear view of what it means to build a brand. McGhie has written a

practical book that will guide and inspire marketers and in turn help them guide and inspire their audiences.

**Alfred Hitchcock's Frenzy** Raymond Foery, 2023-06-14 After an unparalleled string of artistic and commercial triumphs in the 1950s and 1960s, Alfred Hitchcock hit a career lull with the disappointing *Torn Curtain* and the disastrous *Topaz*. In 1971, the depressed director traveled to London, the city he had left in 1939 to make his reputation in Hollywood. The film he came to shoot there would mark a return to the style for which he had become known and would restore him to international acclaim. Like *The 39 Steps*, *Saboteur*, and *North by Northwest* before, *Frenzy* repeated the classic Hitchcock trope of a man on the run from the police while chasing down the real criminal. But unlike those previous works, *Frenzy* also featured some elements that were new to the master of suspense's films, including explicit nudity, depraved behavior, and a brutal act that would challenge *Psycho*'s shower scene for the most disturbing depiction of violence in a Hitchcock film. In *Alfred Hitchcock's Frenzy: The Last Masterpiece*, Raymond Foery recounts the history—writing, preprod

*Flawed* Tracy Wolff, 2017-01-17 The bestselling Ethan Frost series introduces a tantalizing new hero—and the broken woman only he can save. Discover why Beth Kery once declared that readers of Tracy Wolff will “fall in love under the spell of a master.” When Tori Reed loses everything, he sets her free. I told myself I’d never trust Miles Girard, no matter how brilliant or sexy he may be. His sister, Chloe—Ethan Frost’s wife—is my best friend, but I know just how low Miles will stoop to get what he wants. Now he’s the last thing I want: my boss. Growing up, I had it all—except for the sense that I belonged. And when a mistake from my past surfaces in the press, my parents don’t hesitate to cut me off. But surprisingly, Miles offers me a helping hand. Before I know it, our relationship turns unprofessional in the hottest ways. Of course, he still drives me crazy. But when I’m dealt the ultimate blow, Miles is there for me. And maybe he’s the one I’ve been looking for all along. Look for all of Tracy Wolff’s seductive reads: The Ethan Frost series: RUINED | ADDICTED | EXPOSED | FLAWED The Sebastian Caine series: PLAY ME WILD | PLAY ME HOT | PLAY ME HARD | PLAY ME REAL | PLAY ME RIGHT | PLAY ME: THE COMPLETE STORY The Hotwired series: ACCELERATE The

Lightning series: DOWN & DIRTY | HOT & HEAVY | ROUGH & READY The His Royal Hotness series: ROYAL PAIN | ROYAL TREATMENT And her standalone novels: LOVEGAME | FULL EXPOSURE | TIE ME DOWN Praise for Flawed “This is the kind of romance you devour in one sitting. It’s addictive, sensual and worthy of any contemporary-lover’s library.”—RT Book Reviews “[In Wolff’s] fun fourth contemporary, linked to her Ethan Frost trilogy, a socialite fallen on hard times gets an unexpected hand up.”—Publishers Weekly “Readers of Wolff’s Ethan Frost series (Ruined; Addicted; Exposed) will enjoy this well-written glimpse into the lives of some of the series’ other characters and follow-up on Chloe and Ethan. Tori is a strong but vulnerable character that readers will enjoy getting to know.”—Library Journal “Thanks, Ms. Wolff, for another amazing Ethan Frost book!”—Words We Love By “This is my first Tracy Wolff novel. . . . Why did I not know about her? I am impressed! Tracy wrote Tori and Miles with such pizzazz that I had no choice but to keep turning the pages.”—Read-Love-Blog “This story moved quickly and I found myself unable to put the book down. Highly recommend this read! And get the rest of the books in the series while you’re at

Start with Why Simon Sinek,2011-12-27 The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. **START WITH WHY** asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had

little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. START WITH WHY shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.
