Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it

had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

The Complete Idiot's Guide to Computer Basics, 5th Edition Joe Kraynak, 2009-02-03
Time for an upgrade! The fifth edition of The Complete Idiot's Guide® to Computer Basics places the reader in charge of the computer, rather than the other way around, and places the focus on software troubleshooting rather than hardware techno-babble. The reader wants to do something practical with his or her computer—this book shows them how. • Covers basic office programs and how to manage photo, video, and music files • Advice on safe web-surfing, including coverage of newsgroups, message boards, and mailing lists • New green computing initiatives that help protect the environment • Maintenance and upgrading information

Mr. Unavailable and the Fallback Girl Natalie Lue, 2011 Are you the Fallback Girl? If you've ever found yourself in a relationship that feels and seemingly looks like one but you're struggling with commitment or you've been in the ambiguous territory of a 'casual relationship', you've likely tried to change them, wondered what you 'did' to cause this, what you can do to win their love and commitment, or even whether you're going crazy. Mr Unavailable and the Fallback Girl is the definitive guide to understanding the relationship between emotionally unavailable men and the women that love them. From explaining how and why they blow hot and cold, to where that future they promised went to, how you've ended up being a booty call, why you've been together for a gazillion years but aren't going anywhere, and more importantly how and why you're involved with them in the first place,

all of the answers are here. You know you're dealing with unavailability when you ask stuff like What happened to that 'great guy' from the beginning? Why won't he break up or stay away if he doesn't want to commit? What the hell did I do to make him disappear? Is he going to leave 'her' for me? It's because he's shy/busy/scared of his feelings isn't it? Inspired by the real life adventures in unavailability of Natalie Lue and the readers of her site BaggageReclaim.com, Mr Unavailable and the Fallback Girl is an empowering, entertaining and inspiring read that will wise you up to pitfalls such as men who aren't over their exes, Future Fakers, guys that have more baggage than a Heathrow terminal and reappearing childhood 'sweethearts'. If you want to understand your own availability, and why commitment in a healthy relationship is eluding you, Mr Unavailable and the Fallback Girl is your guide to being available and attracted to healthy, available partners. Note - the book is in British English not US English.

Citizenship in a Connected Canada Elizabeth Dubois, Florian Martin-Bariteau, 2020-11-10

This interdisciplinary edited collection brings together scholars, activists, and policy makers to build consensus around what a connected society means for Canada. The collection offers insight on the state of citizenship in a digital context in Canada and proposes a research and policy agenda for the way forward. Part I examines the current landscape of digital civic participation and highlights some of the missing voices required to ensure an inclusive digital society. Part II explores the relationship between citizens and their political and democratic institutions, from government service delivery to academic and citizen engagement in policy making. Part III addresses key legal frameworks that need to be discussed and redesigned to allow for the building and strengthening of an inclusive society and democratic institutions. This is a foundational resource for policy makers, students, and researchers interested in understanding citizenship in a digital context in Canada. Published in English.

Letters From Burma Aung San Suu Kyi,2010-02-04 Letters from Burma - an unforgettable collection from the Nobel Peace prize winner Aung San Suu Kyi In these

astonishing letters, Aung San Suu Kyi reaches out beyond Burma's borders to paint for her readers a vivid and poignant picture of her native land. Here she celebrates the courageous army officers, academics, actors and everyday people who have supported the National League for Democracy, often at great risk to their own lives. She reveals the impact of political decisions on the people of Burma, from the terrible cost to the children of imprisoned dissidents - allowed to see their parents for only fifteen minutes every fortnight - to the effect of inflation on the national diet and of state repression on traditions of hospitality. She also evokes the beauty of the country's seasons and scenery, customs and festivities that remain so close to her heart. Through these remarkable letters, the reader catches a glimpse of exactly what is at stake as Suu Kyi fights on for freedom in Burma, and of the love for her homeland that sustains her non-violent battle. Includes an introduction from Fergal Keane 'Aung San Suu Kyi has become a global symbol of peaceful resistance, courage and apparently endless endurance' Guardian 'A real hero in an age of phony phone-in celebrity, which hands out that title freely to the most spoiled and underqualified' Bono, Time Aung San Suu Kyi is the leader of Burma's National League for Democracy. She was placed under house arrest in Rangoon in 1989, where she remained for almost 15 of the 21 years until her release in 2010, becoming one of the world's most prominent political prisoners. She is also the author of the collection of writings Freedom from Fear.
