Idoleyes Mandisa Hundley,2016-01-05 By candidly sharing her own joys, heartaches, triumphs, and failures, Mandisa shows women that they can be beautiful at any size and that healthy self-esteem and personal beauty come only when they accept themselves as a unique and much-loved woman of God's creation. Honest Worship Manuel Luz,2018-08-07 When asked by his son why some churches have smoke machines, worship pastor Manuel Luz found himself responding, Well, technically, you need smoke machines to see the lasers. But when you take down the smokescreen, what do you have left? Where do we encounter the Holy in the midst of all this? Where can we worship with our full selves—heart, soul, mind, and body—in Spirit and truth? Drawing from his own experience leading worship in a large congregation and feeling the pull of performance, Manuel Luz guides us on a journey through worship that takes us far beyond style and deep into our own souls. He calls us back to an honest worship that moves past facades and pulls us inward toward the true self that God is forming within each of us. Each chapter ends with a spiritual practice designed to help us set aside pretense and enter into the very presence of God.

Hearing God Dallas Willard,2021-12-07 Being close to God means communicating with him—telling him what is on our hearts in prayer and hearing, and understanding what he is saying to us. But how do we hear God's voice? How can we be sure that what we think we hear is not our own subconscious? What role does the Bible play? What if what God says to us is not clear? The key, says bestselling author Dallas Willard, is to focus not so much on individual actions and decisions as on building our personal relationship with our Creator. In this beloved classic, you'll gain rich spiritual insight into how we can hear God's voice clearly and develop an intimate partnership with him in the work of his kingdom. Hearing God is now available as part of the IVP Signature Collection, which features special editions of iconic books in celebration of the seventy-fifth anniversary of InterVarsity Press. A new companion Bible study guide with contributions from Jan Johnson is also available.

Living in Christ's Presence Dallas Willard,2013-12-26 Logos Bookstores' 2014 Best Book in Spirituality 2014 Readers' Choice Award Winner 2014 Leadership Journal Best Books for Church Leaders (The Leader's Inner Life) A Special Award of Merit, from Byron Borger, Hearts and Minds Bookstore In these pages Dallas Willard explores what it means to live well now in light of God's kingdom. He reflects on the power of the Trinity in our lives, the meaning of knowledge, the importance of spiritual disciplines and much more. Dallas Willard offers poignant thoughts about what it will be like to transition into the very presence of Christ in heaven. This book is adapted from the talks given at the February 2013 Dallas Willard Center Knowing Christ Today conference in Santa Barbara, California. Each chapter is followed with an illuminating dialogue between Dallas Willard and John Ortberg. The book closes with the theme of offering a blessing to one another. These reflections form an apt conclusion to Dallas Willard's public ministry. It is a gift of grace. A conversation guide written by Gary W. Moon is included. Also available is the companion Living in Christ's Presence DVD.

Sojourners and Strangers Gregg R. Allison,2012-11-30 What is a church? This can be a difficult question to answer and Christians have offered a variety of perspectives. Gregg Allison thus explores and synthesizes all that Scripture affirms about the new covenant people of God, capturing a full picture of the biblical church. He covers the topics of the church's identity and characteristics; its growth through purity, unity, and discipline; its offices and leadership structures; its ordinances of baptism and the Lord's Supper; and its ministries. Here is a rich approach to ecclesiology consisting of sustained doctrinal reflection and wise, practical application. Part of the Foundations of Evangelical Theology series.

Pentecostal Formation Cheryl Bridges Johns,2010-11-01 The Pentecostal movement has been subject to some negative external assumptions. In this enlightening and challenging book, Cheryl Bridges Johns argues that, in fact, Pentecostals employ a powerful process of formation of catechesis, which has enabled millions of believers to own and articulate the Christian story. She engages dialectically with the work of Paulo Freire, a specialist in education among the marginalized. As well as looking more broadly at the nature of all catechesis, there is also an attempt to move beyond the rationalism found in a praxis epistemology.

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Imagine That Manuel Luz,2009-06-24 Why are we artists? How does God experience art? What is the artist's calling in relation to God, the church, and the world? Drawing from his experiences performing Mozart, playing "dive bars, and leading worship and the arts in the church, author Manuel Luz seeks to answer the questions that artists often ask. Laced with humorous and sometimes poignant anecdotes, Imagine That is a thought-provoking journey through the convergence of art and faith. Luz has been a working musician, writer, pastor, and even amateur cartoonist for more than 40 years, and in Imagine That he lays out his case for a uniquely Christian approach to the vocation of artist, using theologically rich and artist-friendly language. In the end, Imagine That affirms and equips Christian artists for the special kind of ministry that only they can do.

Twelve Extraordinary Women John F. MacArthur,2008-10-05 Twelve Extraordinary Women offers a poignant and personal look into the lives of some of the Bible's most faithful women, teaching modern believers that true faith can leave a lasting legacy. These women were ordinary, common, and in some cases even ostracized and rejected by society, yet each was made extraordinary by her life-changing encounter with God. In Twelve Extraordinary Women, bestselling author and Bible teacher John MacArthur shows us that the God to whom they were so faithful is the same God who continues to mold and guide us today. As you meet these women in Scripture and get to know more about their lives and characters, they will challenge you, motivate you, encourage you, and inspire you with love for the God whom they trusted, served, and loved, teaching us that: Our personal struggles and temptations are the very same kinds of trials that all believers of all ages have confronted Even in the midst of our trouble, God remains eternally faithful Through God, anyone can become extraordinary From Eve to the Samaritan Woman, these twelve women each serve as reminders of both our frailty and our potential. Together, they all point us to Christ and His grace.
