For more information about the Golden Hat Foundation and ways you can help, please visit our website:

www.goldenhatfoundation.org “I simply couldn’t conceive of how devastating it would be not to be able to hear my children’s voices. Not to be able to communicate with them, to hear them learn, grow, and express themselves verbally. How fortunate, how blessed I am. This overwhelmed me. I can talk to my children, I can respond to their needs and comfort them when they tell me they are unwell. I can tell them stories and hear them tell theirs.” Kate Winslet Imagine what it would be like not to be able to communicate with those we love. For many individuals living with nonverbal autism and their families, this is their everyday reality. The Golden Hat is an intimate response to this reality created by Kate Winslet, Margret Ericisdottir, and her son Keli, who has nonverbal autism. Kate and Margret’s stories, their personal email correspondence, and Keli’s poetry give us a profound insight into the world of those living with autism. Kate has shared this story with some of the world’s most famous people, posing the question: “What is important to you to express?” Their responses are a collection of intimate self-portraits and unique quotes. Among them are: Christina Aguilera Zac Efron Julianne Moore Maria Sharapova Kobe Bryant James Franco Rosie O’Donnell Ben Stiller Michael Caine Ricky Gervais Michael Phelps Meryl Streep Kim Cattrall Tom Hanks John C. Reilly Justin Timberlake George Clooney Elton John Tim Robbins Naomi Watts Leonardo DiCaprio Jude Law Kristin Scott Thomas Oprah Winfrey Put together by Kate, Margret, and the dedicated team who work daily on the Golden Hat Foundation, this project has been a labor of love. All the author proceeds from this groundbreaking book will benefit the Golden Hat Foundation, founded by Kate Winslet and Margret Ericisdottir to build innovative living campuses for people with autism and raise public awareness of their intellectual capabilities.

It is aimed at the serious listener, that is, someone who may not have had any formal lessons himself in this performing art, but who, nevertheless, has picked up an initial interest in listening to classical music, and is, therefore, seeking to know more about its underlying structure, system and traditions. By explaining in a straightforward and extremely readable style, the basic features of Indian music, how time and melody are structured, the main principles of r?ga delineation and development, and the various genres and styles of vocal as well as instrumental performances, the book aims to enhance the serious listener’s understanding of Hindustani music, and heighten his appreciation of this art form. This book includes a glossary of musical terms, a select discography and a select bibliography.
