At Yellow Lake Jane McLoughlin,2012-06-07 Etta, Peter and Jonah all find themselves at a cabin by the shore of Yellow Lake, and flung together in the terrifying series of events that follows. Jonah has come to Yellow Lake to try to get in touch with his Ojibwe roots. Peter is there to bury a lock of his mother's hair - her final request. Etta is on the run from her mother's creepy boyfriend, Kyle, and his dodgy friends. But as the three take shelter in the cabin, finding surprising solace in each other's company, they soon realise that they have inadvertently stumbled onto the scene of a horrifying crime, and Kyle and his cronies have no intention of letting them escape. A sparkling debut from new teen author, Jane McLoughlin, At Yellow Lake will keep readers gripped until the final page. A page turning story which oozes menace. A fantastic debut and a treat for Young Adult readers. Anne Cassidy, award-winning author of Looking for JJ

Photographer's Guide to the Panasonic Lumix DMC-LX10/LX15 Alexander S. White,2017-06-16 Photographer's Guide to the Panasonic Lumix DMC-LX10/LX15 is a complete guide to the use of the Panasonic Lumix DMC-LX10 camera, which is

known as the LX15 in areas outside of the United States. The book shows beginning and intermediate photographers how to capture excellent images and video sequences with the LX10. The book explains the use of autofocus, manual focus, aperture, shutter speed, exposure compensation, white balance, and ISO, and many other settings. The book discusses the camera's options for playback, setup, and customizing the operation of its controls. The book contains more than 450 color photographs showing the camera's controls, display screens, and menus. The book includes photographs taken using the many creative settings of the camera, including the Photo Style settings; the Creative Control mode picture effects, which provide the ability to customize the appearance of images in dramatic ways; and the camera's features for burst shooting and shooting in high-contrast lighting conditions. The book includes a full discussion of the video recording abilities of the LX10 camera, which offers manual control of exposure and focus during movie recording, and provides ultra-high definition 4K recording of motion pictures. The book also explains the camera's features for extracting still images from 4K video and using the Post Focus feature to select a sharply focused image after a shooting session. In three appendices, the book discusses

accessories for the LX10, including cases, power supply options, filter adapters, and other items, and includes a list of websites and other resources for further information. The book includes an appendix with helpful Quick Tips that explain how to take advantage of the camera's features in the most efficient ways possible.

11+ GL Maths Practice Book & Assessment Tests - Ages 10-11, 2023-05-19 Perfect for children aged 10-11 preparing for 11+ Maths and other selective entrance exams, this book contains a huge range of questions at the level of the final tests. The first section of the book focuses on one topic at a time to help children gain understanding and confidence. This is followed by four realistic Assessment Tests to improve their speed and accuracy across a wide range of questions. And if they get stuck or go wrong, the detailed answers make it easy to understand the reasoning behind the questions. This book is ideal for the 11+ tests set by GL Assessment and other test providers, and provides excellent practice for the Kent Test. A separate edition for the CEM tests is also available.

The Evaran Chronicles Box Set: Books 10 –12 Adair

Hart,2021-06-19 Helping others can yield unexpected surprises Dr. Albert Snowden and his niece, Emily, continue their space-and-time-traveling adventures with Evaran and V. They'll deal with a reckless time traveler, a galactic empire that has progressed more than it should have, and a rogue cosmic entity while trying to maintain timeline integrity. Along the way, they'll meet new allies, in particular one that was chosen by the Torvatta. This box set contains the tenth, eleventh, and twelfth books in The Evaran Chronicles. If you like science fiction, time travel, technology, and adventure with a science fantasy bent, then this series is for you.

Dental Radiography - E-Book Joen Iannucci,Laura Jansen Howerton,2021-08-10 Master the skills required for safe, effective dental imaging! Dental Radiography: Principles and Techniques, 6th Edition provides a solid foundation in the radiation and technique basics that dental assistants and dental hygienists need to know. Clear, comprehensive coverage includes detailed, step-by-step procedures, illustrations of oral anatomy and photos of new equipment, digital and three-dimensional imaging, a guide to image interpretation, and National Board Dental Hygiene Examination-style case scenarios. Written by noted educators Joen M. Iannucci and Laura Jansen Howerton, Elsevier's bestselling text on dental radiography prepares you for success in the classroom, on your CDA or NBDHE exam, and in clinical practice. Comprehensive coverage provides a solid foundation for the safe, effective use of radiation in the dental office. Step-by-step procedures support clear

instructions with anatomical drawings, positioning photos, and radiographs, helping you confidently and accurately perform specific techniques and minimize radiation exposure to the patient. Application to Practice and Helpful Hint features highlight common clinical encounters and provide a checklist with the dos and don'ts of imaging procedures. Summary tables and boxes recap the key points of text discussions and serve as useful review and study tools. End-of-chapter quiz questions assess your understanding of important content. Evolve companion website supplements the print book with case studies, interactive exercises, review questions, and more. NEW! Expanded content addresses the areas of digital imaging, radiographic interpretation, dental materials, and dental X-ray equipment. NEW! Updated illustrations include detailed equipment photos and new photos of techniques. NEW! Procedure videos on the Evolve website demonstrate techniques used for intraoral exposures, and include an interactive Q&A on the video material. NEW! Canadian Content Corner on Evolve provides information specific to dental radiography in Canada.

I Love You Like Yellow Andrea Beaty, 2022-03-29 From the New York Times bestselling creators author Andrea Beaty and illustrator Vashti Harrison, a sweet and playful bedtime book that reminds young readers just how loved they are I love you like yellow. I love you like green. Like flowery orchid and sweet tangerine . . . Love comes in many forms. It can feel tart as lemonade, or sweet as sugar cookies. Slow as a lazy morning, or fast as a relay race. Love is there through it all: the large and small

moments, the good times and bad. And at the end of the day, love settles us down to bed with a hug and kiss goodnight. With charming, rhyming text from bestselling author Andrea Beaty and lush, heartwarming illustrations by bestselling illustrator Vashti Harrison, *I Love You Like Yellow* celebrates the unconditional love that pulses through life's profound and everyday moments—and the people who make them so special. “This bear-hug of a picture book features . . . a true diversity of characters. Harrison brings a vibrant palette, loving care, and a tight focus to these tableaux; viewers are right there with the families, witnessing their moments together.” —The Horn Book Magazine
