The Eclipse of Love, Pain, and Happiness Jac'Quail Mayes, 2010-10 The Eclipse of Love, Pain, and Happiness is the depiction of what happens when life tends to amalgamate these elements. From personal relationships, to friendships and political issues, the poetry exhibited in this book will take you on a journey. It reflects the author's growth in life and in writing. The challenges, struggles, encouraging and pivotal moments of the author's life are recorded in this book. Hit the Road, Jac! Jacqui Furneaux, 2018-08-07 This book should be read by anyone still holding back from taking a risk and pursuing their dreams. When her conventional life fell apart, Jacqui Furneaux responded in a way that surprised many. Her random global wanderings for seven years stride an apparently obsolete motorcycle brought beauty, friendship, laughter, and romance on the road; when she wasn't fending off amorous sea-dogs or facing some other adversity with quiet courage.

"Simply Me" Jac'Quail Mayes, 2012-11-21 Simply Me is an exterior look at the positive change and growth that happens as a person matures and learns how to allow life's struggles, personal battles, and lessons become a testimony of triumph. This volume of poetry is sure to fortify the faith and strength of others and will also allow them to read and experience the dynamic run off the page poetry that has been delivered. From love and intimate thoughts, to hardship and life revelations, Simply Me shares these thoughts across every page. As God continues to work in my life I will continue to express and use the gifts of His love to encourage and empower others to discover their own gifts and use them to create positive forums. Be poetically free in every aspect of your life and remember that the power of life and death is in the tongue, so always speak and invoke life. ~ Jac'Quail

Jac the Clown Hjalmar Bergman, 1995 Hjalmar Bergman's *Jac the Clown* is a classic novel, the last and widely judged the most innovative and even the best of an author considered to be one of the three portal figures in Swedish literature in the first half of this century. Bergman's own experiences as a Hollywood script writer form the background of the book, and his unusual blending of the comic and tragic informs almost every page. The novel - amusing, poignant, flippant, profound - tells the story of Benjamin (Benbe) Borck, whose relatives loan him money for a trip to America to visit their famous artist cousin, the clown Jac Tracbac, alias Jonathan Borck, the alter ego of Bergman.

False Bingo Jac Jemc, 2019-10-08 Named a Fall Read by The Boston Globe and the Chicago Tribune The mundane becomes sinister in a disquieting story collection from the author of *The Grip of It* In Jac Jemc's dislocating second story collection, *False Bingo*, we watch as sinister forces—some supernatural, some of this earth, some real and some not—work their ways into the mundanity of everyday life. In "Strange Loop," an outcast attempting to escape an unnamed mistake spends his days taxiderming animals, while in "Delivery," a family watches as their dementia-addled, basement-dwelling father succumbs to an online shopping addiction. "Don't Let's" finds a woman, recently freed from an abusive relationship, living in an isolated vacation home in the South that might be haunted by breath-stealing ghosts. Fueled by paranoia and visceral suspense, and crafted with masterful restraint, these seventeen stories explore what happens when our fears cross over into the real, if only for a fleeting moment. Identities are stolen, alternate universes are revealed, and innocence is lost as the consequences of minor, seemingly harmless decisions erupt to sabotage a false sense of stability. "This is not a morality tale about the goodness of one character triumphing over the bad of another," the sadistic narrator of "Pastoral" announces. Rather, *False Bingo* is a collection of realist fables exploring how conflicting moralities can coexist: the good, the bad, the indecipherable.

Much Love, Jac Jacki Weaver, 2011 Dubbed a National Treasure by Gough Whitlam, a Gay Icon by Les McDonald and a Household Name by the Sydney Morning Herald ('so is Sorbent,' her unimpressed mother remarked), Jacki Weaver has combined a distinguished acting career with a tumultuous personal life. A self-confessed bolter and adventuress, with five marriages under her tiny belt, there have been times of great wealth (most notably during her marriage to Derryn Hinch) and times of

scraping along. There have always been headlines galore, and occasionally heartbreak. Jacki's career has spanned more than forty fabulous years of theatre, film, television and music. Jacki is the recipient of multiple Australian awards and more recently for her performance in *Animal Kingdom* she has received many US film critics' association nominations, including for the Golden Globes, USA. She won the Best Supporting Actress award in the Los Angeles Film Critics Association Awards as well as in the National Board of Review Awards. In January 2011 she was nominated for Best Actress in a Supporting Role in the Academy Awards. *Much Love, Jac* is the extraordinary story of a talented actor who has lived her life to the very fullest. Fascinating, funny and poignant, this is storytelling at its best.

Unabashedly sincere, clever, and full of questionable advice, *Act Like a Lady* explores the complexities surrounding topics like body image, breakups, navigating a career, and adult friendships through their own embarrassing experiences. The *LadyGang* has your back with essays like *Maybe She's Born with It*, *Maybe It's Photoshop* and *If You're Happy and You Know It, Thank Your Ex*. You'll learn there's a million different ways to be a lady--and that includes accidentally farting during sex or having the guts to tell your friend she's being a selfish assh*le. No matter what you're going through, you'll find a space to bond over the sloppy, heartbreaking, joyous, and often ridiculous realities of womanhood. Nothing is TMI here.

The Grip of It Jac Jemc, 2017-08-01 Finalist for the Chicago Review of Books Fiction Award, Dan Chaon's Best of 2017 pick in Publishers Weekly, one of Vol. 1 Brooklyn's Best Books of 2017, a BOMB Magazine Looking Back on 2017: Literature Pick, and one of Vulture's 10 Best Thriller Books of 2017. Jac Jemc's *The Grip of It* is a chilling literary horror novel about a young couple haunted by their newly purchased home Touring their prospective suburban home, Julie and James are stopped by a noise. Deep and vibrating, like throat singing. Ancient, husky, and rasping, but underwater. “That’s just the house settling,” the real estate agent assures them with a smile. He is wrong. The move—prompted by James’s penchant for gambling and his general inability to keep his impulses in check—is quick and seamless; both Julie and James are happy to start afresh. But this house, which sits between a lake and a forest, has its own plans for the unsuspecting couple. As Julie and James try to establish a sense of normalcy, the home and its surrounding terrain become the locus of increasingly strange happenings. The framework— claustrophobic, riddled with hidden rooms within rooms—becomes unrecognizable, decaying before their eyes. Stains are animated on the wall—contracting, expanding—and map themselves onto Julie’s body in the form of painful, grisly bruises. Like the house that torments the troubled married couple living within its walls, *The Grip of It* oozes with palpable terror and skin-prickling dread. Its architect, Jac Jemc, meticulously traces Julie and James’s unsettling journey through the depths of their new home as they fight to free themselves from its crushing grip.

Executive Action Jac Simensen, 2016-04-29 Appalled with US policy in the Middle-East, a billionaire defense contractor and a retired major general decide to mount their own Executive Action in the region. They build a small dirty bomb, and brutally brainwash a simple, garbage-truck driver, whose wife was mistakenly killed by terrorists, into exploding the device in the Grand Mosque in Mecca during the Hajj, with the intention of sparking a war between Shia and Sunni nations. As the time ticks away, can anybody stop them... Hugely pertinent and thoughtful, *Executive Action* asks about the world we live in and questions who really is pulling the strings on the global stage.
