*Jack's Magic Beans* Brian Keene, 2011-02 It happens in a split-second. One moment, customers are happily shopping in the Save-A-Lot grocery store. The next instant, they are transformed into bloodthirsty psychotics, interested only in slaughtering one another and committing unimaginably atrocious and frenzied acts of violent depravity. Only Jack, Sammi, Angie and Marcel seem immune to the insanity that has infected the rest of the town. But can they stay alive long enough -- and trust each other long enough -- to unravel the secret of Jack's magic beans... Deadite Press is proud to bring one of Brian Keene's bleakest and most violent novellas back into print once more. This edition also includes four bonus short stories: Without You, I Am An Exit, This Is Not An Exit, and The King, in: YELLOW.

*Capture the Magic* Jack Dykinga, 2013-11-15 This book uses a structured approach to teach the art of creating interesting, well-composed images. It provides solutions to problems that often get in the way of producing great photographs and emphasizes the importance of training the eye to exclude the extraneous. Examples of strong images are juxtaposed against flawed images, illustrating how to create a successful composition. Topics covered include light and shadow, lens choice, framing, negative space, and many more. In this book, author Jack Dykinga encourages us to look at photography as a way to communicate. Dykinga says, Photography is a marvelous language that crosses linguistic borders as a universal, powerful, and direct communication. As photographers, we see something we find interesting and simply want to share it. Readers will learn new ways to create interesting and powerful compositions that communicate their intended messages. Filled with beautiful color images throughout, the book is sure to inspire, teach, and motivate photographers of all levels.

**Jack the Ripper's Black Magic Rituals** Ivor Edwards, 2013-09-05 For more than a century, the horrific, fascinating mystery of Jack the Ripper has endured. The ghastly crimes of the world's most notorious serial killer have gone down in history as the most nauseating acts one man could ever inflict upon his fellow human beings; and since they were committed, contemporary sleuths have spent many lifetimes attempting to identify the man behind the myth. Bizarrely, nobody has yet revealed the identity of the true murderer to the satisfaction of ripperologists everywhere. This book seeks to change this. Taking the reader on a step-by-step journey through the precise events at the core of the Ripper's reign of terror, the text covers a sickening, twisted melange of murder and black magic, aiming to change forever the way these crimes are perceived

*Breaking the Magic Spell* Jack Zipes, 2002-07-05 "Zipes ably demonstrates that moral, political, religious, and other ideologies have shaped these apparently innocent narratives." —Lore and Language This revised, expanded, and updated edition of the 1979 landmark *Breaking the Magic Spell*

examines the enduring power of fairy tales and the ways they invade our subjective world. In seven provocative essays, Zipes discusses the importance of investigating oral folk tales in their socio-political context and traces their evolution into literary fairy tales, a metamorphosis that often diminished the ideology of the original narrative. Zipes also looks at how folk tales influence our popular beliefs and the ways they have been exploited by a corporate media network intent on regulating the mystical elements of the stories. He examines a range of authors, including the Brothers Grimm, Hans Christian Anderson, Ernst Bloch, Tolkien, Bettelheim, and J.K. Rowling to demonstrate the continuing symbiotic relationship between folklore and literature. "The name Jack Zipes is synonymous with highly regarded and widely read anthologies and critiques of fairy tales." —Choice "Fairy Tales are a highly fashionable study today for literary scholars as well as folklorists, and another new book shows what a range of interest can be evoked by them. This time in Jack Zipes' interesting and vigorous study." —Encounter "Places traditional tales in their socio-political, economic and cultural contexts." —Teacher Librarian "Zipes reveals the extraordinary breadth of his acquaintance with both recent and classic literature in the field of folk and fairytale research." —Fabula "Zipes manages the impressive trick of communicating both detail and overview without simplifying either . . . the serious folklorist should definitely have this on his bookshelf." —Fortean Times

**Finding True Magic: Transpersonal Hypnosis & Hypnotherapy/NLP** Jack Elias, 2005-12-31

Finding True Magic is the primary training text for the Transpersonal Hypnotherapy/NLP Certification Program offered by the Institute for Therapeutic Learning. Finding True Magic and the Transpersonal Hypnotherapy/NLP trainings are appropriate for laypeople seeking personal growth, as well as for therapists and other professionals intent on advancing their therapeutic skills. In fact, about 50 per cent of ITL students take the training primarily for personal development. This book explores the possibilities for recognizing and freeing ourselves from a destructive process of perceiving, thinking, and acting that can be viewed as a pernicious worldwide syndrome. Unlike other ailments, which we strive to isolate and cure, this insidious fever has a characteristic that makes us blind to its presence: we come to identify its symptoms as our own true self. We lovingly speak of this disease as our ego, our sense of limited separate selfhood. Jack Elias calls it egoic-minding, because it is a process, not a thing. Egoic-minding is a fragmented, biased way of perceiving and thinking. It can be viewed as a sort of destructive hypnotic trance that causes us to experience each other as strangers, as different, as threats. The delirium of this trance causes us to do violence to each other and to our world, without ever recognizing that it (our egoic thought process) is the true enemy. By synthesizing insights and techniques of Eastern and Western philosophy and psychology, Finding True Magic explores various ways to disperse the feverish trance of egoic-minding, heal the trauma it causes, and wake us up to the sacred magic of our true Self. This true inner Self is the wellspring of our capacity for cooperation, community-building, and the celebration of life. Everyone has the right to the make use of the essential insights of healing communication, without resorting to the long-term expense of a professional intermediary. Therapy should change, simply because there is a more effective approach to healing and personal growth. That approach, the subject of this book, relies on each person's inherent goodness, a resource that is surprisingly easy to contact in the space between egoic

thoughts.

*The Magic Thief* Alex Quillian, 2019-05-04 WANTED DEAD OR ALIVE \$\$\$500.00\$\$\$ REWARD.

MAGIC JACK. Magic Jack, Jackson Tanner, is a notorious criminal, known for all sorts of ill advised behavior. Train robbery, horse thievery, murder, if it's illegal he's done it. What sets him apart, what makes him stand out from the rest of the irreputable criminals, is his penchant for stealing magical items. It is even said he will murder the Gifted to force the creation of new Charms. Recent reports have indicated that he is currently searching for the Liela. The Liela is an ancient Artifact of legend that is said to have tremendous power. According to the stories, the Liela is divided into three separate parts and each part is protected by one of the few remaining Gypsy tribes. As of now authorities do not know what it does or where it came from, or even if it is real. Even so, if a roguish man with a gang of other unsavory characters comes around asking about the history of local Gypsy tribes be on high alert, that could be Magic Jack and his gang.

A description of gang members.

Allen: Slender and blond, usually wears a hat too big for his head. Seems to be the brains of the group. Or, more appropriately put, the only member with a brain.

Brandon: Brother to Allen, shares blond hair but is thick set and slow minded, but good in a brawl. Do not try to win a fist fight with him. He has a habit of not dying.

Tacky: Dark skinned, and clever. Sharp shooter. Very practical though. Won't kill you unless it's the best option. Just give him your stuff.

Chuck: Has the Gift of illusion. His voice and words can trick your mind into seeing and believing things that aren't true. Will probably introduce himself by saying I am a respectable looking person and you want to give me all of your worldly possessions.

Bill: A man. It's been reported recently that a young Gypsy woman and a mountain lion have also taken up with the gang. She claims she's more than just a token female and person of color, but we are not yet convinced. If you believe you have seen anyone from the group, please do not hesitate to contact your local sheriff.

*Jack the Magic* Taylor McCart,2020-07-10 Jack Henderson leads a very normal life for a boy growing up in Oklahoma in the 1940's. But with the start of the war, and a vicious serial killer stalking the women of Tulsa, his only escape is the circus that comes to town every summer. With its big top performance and sideshow wonders, Jack becomes obsessed with the oddities of the circus pupil, and builds dreams of his own act. Mesmerized by the talents and beauty of a mute contortionist girl who shares a soul with a performing leopard, he soon finds himself lost in a world that seems so separate from reality. But the more time he spends with his new friends that swallow swords, have two faces, and are part human part wolf, the more sense their world makes than the one spinning out of control around him. This coming of age story shares the most barbaric and beautiful sides of the human condition, and follows the journey of one boy into manhood, desperate to find his place in the world.
