*Homoblob* Joseph Joel, 2017-04-30 This writer decided to imagine what chat names gay men might choose to get a date. He did not try to pick the brain of a normal, stable homosexual for the most part because such an approach might be boring. Rather, he thought that it would be more fun to take on the guise of a gay man who is a bit crazy and/or wild on a date and in life. Therefore, be careful if you are a bit reserved for some of these hopefully fictional Internet names are a bit risqué and outrageous. That is, this book is not for everybody although almost anybody can relate to the wacky world of dating in the search for true love. Romance is something special, but it can get very funny and very bumpy in trying to find it. Joseph Joel is a writer of unbooks, edgy books with humor like this one that list names and does very little else. His first unbook is, **YES I NAMED MY DAUGHTER GAYLORD FOCKER, SO FOCKING WHAT!** His second one is **SERIOUSLY?! NAMES NEVER TO GIVE A BABY UNLESS YOU ARE F\*CKING NUTS (OR ON CRACK).** **HOMBLOB** is the 3rd book in this sarcastic series. The author does not plan on a 4th book, but anything is possible if he comes up with a good idea and got excited about the prospect of writing it. Whether gay or straight, a reader can buy this edition and just laugh. It is hilarious that weird names that probably never have or ever will exist in the gay dating world are available here. Also, it never stops being unpredictable. And, the title is pretty cool. This book is not going to change the world, but it will produce some genuine smiles. **Guys around the Globe** Chloe G. Wilde, 2012-11-15 This is a narration of my most memorable encounters with the opposite sex delivered in an easy-to-digest and entertaining manner. What started out as diary entries to overcome a particularly painful break-up became stories spanning over three continents. The stories do not follow a strict chronological order, but are geographically organized into chapters such as Ile-de-France, Balkania, Northern Africa, Bella Italia, Germany & Co. The protagonists were named after the characteristics I remember them by and were given appropriate nicknames such as Bastardo I & II, Dr. Freak, Hermit, Naso... This book certainly contains sad times and heartbreak, but also lots of hilarious situations and encounters of the plain weird kind, mais c'est la vie!

**Straight from Your Gay Best Friend** Terrance, 2010-10-01 In today's society, from the inner-city to suburban America, nearly every woman has

a gay best friend - the one who gives it to them straight about life, clothes, sex, and relationships. For example, on the number-one cable show on the Bravo Network, *The Real Housewives of Atlanta* The break-out star of the show, NeNe, has introduced the world to her gay best friend, Dwight Eubanks. Just like most must-haves for women: Manolo Blahnik shoes, a Louis Vuitton handbag, and La Perla lingerie - Having a gay best friend has become the new accessory for women. And, no woman wants to be without one. *Straight, From Your Gay Best Friend* gives women direct, and poignant, though often tongue in cheek, advice from Terrance Dean, their new gay best friend, on some of life's most challenging issues--family, friends, career, love, sex, and intimate relationships with men. Dean offers direct and to-the-point insights, mixed with a little sass, wit, humor, forwardness, and spirituality, as only a gay man can do. He speaks candidly to women on healing their souls of past hurts in order to tap into their fabulousness. Also included are meaningful and powerful inspirational stories from women who were seeking to live fabulous and fierce lives filled with abundant love and joy, as well as have intimate relationships with men. These women learned to reclaim, rediscover, and heal themselves. Dean also dedicates a chapter to the most controversial topic in the black community--down low gay men. I am often asked by women, "How can I tell if my man is on the down low?" Or, "What are some signs I need to look out for so I do not end up in a relationship with a down low man?" This chapter will help women identify if the man they are in a relationship with or considering dating may be on the down low. Dean gives gives straight answers on when to leave a relationship, how to make it last, how to open up, how to get into the dating game, when to stop being a doormat, and how often times the woman may just not be into the man. When many women experience a tumultuous break-up or suffer through a challenging relationship, they turn to their gay best friends. Sure, they seek advice from their girlfriends, but it's always the gay best friend who's unique perspective helps them through the rough spots, encouraging her, inspiring her, and giving her the straight truth about relationships, and herself. His book will help women discover the power they need for a life of abundant success, prosperity, and happiness with loving relationships. It dispense practical advice and tips on creating healthy and loving relationships with themselves and any man they desire. And, it's all done from a place of love, from their gay best friend.
