Jake's Dragon-3 Riano D McFarland,2020-05-24 Having bonded with his dragon, T'Aer Bolun Dakkar at the age of eleven, Jake has been immersed in the world of dragons and their connection to humanity for decades. With their ascension to the throne of the northwestern dragon kingdom, it has become their never-ending crusade to preserve the planet's ecosystem for both humans and dragons without compromising the veil of separation that keeps dragons safe, and humans from realizing they exist. Following the discovery of a deep-space object headed toward Earth, both humans and dragons are forced to confront the incoming threat by lifting the veil that divides them and working together to prevent the planetary biosphere reset that would kill every living organism on Earth. Even as the Drokarian vessel draws nearer, before destroying the planet, they must first harvest what they've come for: Dragons! Although dealing with unknown extraterrestrial intelligence, Jake and King T'Aer Bolun Dakkar have a few surprises of their own, and no matter what... No one is taking Jake's Dragon!

Dragons Ricardo Chevere,2013-06 This is the anticipated sequel to *Dragons: The Essential Ties*, which gave rise to an epic dragon adventure like none other. For ages, dragons have been magic's greatest and most powerful foes, but what if a dragon falls under a magical spell? Andrea is now a young teenager whose happy life has revolved around the two most powerful dragons of the world, but her father, Mauricio, has always resented their presence in his daughter's life. Borys and Gina's passion for each other has grown and intensified, and so have their powers. They have been secretly plotting against their own masters but have never found the perfect opportunity to rebel; now, the Fury may give them just that. Alanna is still looking for her lost love, David, but in the meantime, she has kept herself busy hunting magical beings in the company of her essential partner, Lien, and a young teenage girl named Alondra. Heroes and villains alike will discover that wielding too much power can literally bring your deepest and strongest uncontrolled emotions to life, especially in a world of sorcerers, witches, wizards, and dragons.

Jake's Dragon - 2 Riano D McFarland,2020-05-04 The Jake's Dragon saga continues. With the ascension of T'Aer Bolun Dakkar, a new king now rules the northwestern dragon kingdom. In the unseen world of dragons, even kings must prove themselves worthy, and the appearance of challengers is inevitable. As Jake and T'Aer Bolun Dakkar work tirelessly to address problems plaguing both dragon and human civilizations, dragoneers and eco-terrorists seek to derail their efforts at every turn. Their search for lasting and peaceful solutions to an impending global disaster are further complicated by a billion-dollar bounty placed on their heads. Nevertheless, they are determined to achieve a balanced ecosystem which supports both dragons and humans, even if -at times-it puts them at odds with both species. Though the obstacles are many, the bond between Jake and T'Aer Bolun Dakkar is a powerful one that will be tested to its very limit, all while attempting to keep the veil separating humans and dragons firmly in place.

Jake's Dragon 5 Riano D McFarland,2020-11-16 After enjoying decades of planetary peace and abundance, an urgent message finds its way into the hands of Jake and Danni. At first, they are unsure of either its intent or origin, but as both become clear, it is evident that some grudges are not easily forgotten or set aside. The survivors of the Drokarian rebellion nearly thirty years earlier are returning, and this time they are armed with a device capable of erasing entire cities from the planet. Determined to reclaim the planet they view as their creation and therefore, their property, only a message from a friend and ally can help Earth and Nin'Jahlah face the threat that could end the existence of both. With time running out, can they decipher the message and take the action necessary to save not only one world, but two? Once again, dragons and humans must come to the aid of each other to face a threat they barely understand. With four dragon kings and bonded riders to lead the charge, the outcome is far from a forgone conclusion and only one side can

emerge victorious.

Alaskan Fire Sara King, Paranormal Romance / Werewolves & Shifters Fantasy Blaze MacKenzie is an heiress who just discovered that her 'parents' actually found her abandoned as an infant in some bizarre human sacrifice in the woods. Along with that letter came a six hundred thousand dollar check, a strange golden feather, and the ability to move to the Alaska Bush and begin her dream-life living off the Grid. Unfortunately for Blaze, life in rural Alaska isn't as peaceful as she expected. Among her many startling discoveries is that her sexy new handyman, Jack Thornton, has already 'claimed' the territory that her new lodge is sitting on, and he doesn't plan to leave... Further complicating matters, Jack makes it clear to Blaze that there are a good many things that go bump in the Alaskan night, and when a pack of werewolves goes rogue and starts killing or turning everyone along the Yentna River, Blaze and Jack find themselves in a fight for survival in this magic-soaked Land of the Midnight Sun. In the Realm of Hungry Ghosts Gabor Maté, MD, 2011-06-28 A “thought-provoking and powerful” study that reframes everything you’ve been taught about addiction and recovery—from the New York Times–bestselling author of *The Myth of Normal* (Bruce Perry, author of *The Boy Who Was Raised as a Dog*). A world-renowned trauma expert combines real-life stories with cutting-edge research to offer a holistic approach to understanding addiction—its origins, its place in society, and the importance of self-compassion in recovery. Based on Gabor Maté’s two decades of experience as a medical doctor and his groundbreaking work with people with addiction on Vancouver’s skid row, this #1 international bestseller radically re-envisioning a much misunderstood condition by taking a compassionate approach to substance abuse and addiction recovery. In the same vein as Bessel van der Kolk’s *The Body Keeps the Score*, *In the Realm of Hungry Ghosts* traces the root causes of addiction to childhood trauma and examines the pervasiveness of addiction in society. Dr. Maté presents addiction not as a discrete phenomenon confined to an unfortunate or weak-willed few, but as a continuum that runs throughout—and perhaps underpins—our society. It is not a medical “condition” distinct from the lives it affects but rather the result of a complex interplay among personal history, emotional and neurological development, brain chemistry, and the drugs and behaviors of addiction. Simplifying a wide

array of brain and addiction research findings from around the globe, the book avoids glib self-help remedies, instead promoting a thorough and compassionate self-understanding as the first key to healing and wellness. Dr. Maté argues persuasively against contemporary health, social, and criminal justice policies toward addiction and how they perpetuate the War on Drugs. The mix of personal stories—including the author’s candid discussion of his own “high-status” addictive tendencies—and science with positive solutions makes the book equally useful for lay readers and professionals.

Tea with the Black Dragon R. A. MacAvoy, 2014-04-01 In this “astounding fantasy debut,” a mother and a mysterious Chinese man—who is more than he appears—search for her missing daughter in San Francisco (Locus). Offering “a deft blend of the oldest of magicks in a dragon, and the newest of sorceries in computers” (Anne McCaffrey), this is the incomparable novel that garnered Nebula, Hugo, World Fantasy, and Philip K. Dick Award nominations, and earned its author the John W. Campbell Best New Writer award. Martha Macnamara knows that her daughter, Elizabeth, is in trouble—she just doesn’t know what kind. Mysterious phone calls from San Francisco at odd hours of the night are the only contact they’ve had for years. Now, Elizabeth has sent her mother a plane ticket and reserved a room for her at the city’s most luxurious hotel. Yet, since Martha checked in, she still hasn’t been contacted by her daughter, and is feeling lonely, confused, and a little bit worried. But Martha meets someone else at the hotel: Mayland Long, a distinguished-looking and wealthy Chinese man who is drawn to Martha’s good character and ability to pinpoint the truth of a matter. They become close quickly, and he promises to help her find Elizabeth. Before he can solve the mystery, though, Martha herself disappears—and Mayland realizes that he’s in love with her. Now, a man whose true nature and identity is unknown to those around him will embark on a potentially dangerous adventure in a city on the verge of exploding with its own sort of magic as technology spreads through the region that will become known as Silicon Valley. An elegant, delightful, and unusual novel that blends ancient myth with modern wizardry, *Tea with the Black Dragon* is “a small masterpiece, setting a fantasy story against a contemporary background” (Booklist).
