**Rude Citizenship** Larisa Kingston Mann,2022-01-11 In this deep dive into the Jamaican music world filled with the voices of creators, producers, and consumers, Larisa Kingston Mann—DJ, media law expert, and ethnographer—identifies how a culture of collaboration lies at the heart of Jamaican creative practices and legal personhood. In street dances, recording sessions, and global genres such as the riddim, notions of originality include reliance on shared knowledge and authorship as an interactive practice. In this context, musicians, music producers, and audiences are often resistant to conventional copyright practices. And this resistance, Mann shows, goes beyond cultural concerns. Because many working-class and poor people are cut off from the full benefits of citizenship on the basis of race, class, and geography, Jamaican music spaces are an important site of social commentary and political action in the face of the state's limited reach and neglect of social services and infrastructure. Music makers organize performance and commerce in ways that defy, though not without danger, state ordinances and intellectual property law and provide poor Jamaicans avenues for self-expression and self-definition that are closed off to them in the wider society. In a world shaped by coloniality, how creators relate to copyright reveals how people will play outside, within, and through the limits of their marginalization.

**Diaspora Pride – People, Places, and Things (V4)** Indiana Robinson,2017-07-31 As a nation, we should preserve our social memory by honoring those who paved the way for us to exist, recognizing those who etched their indelible mark on our lives, and remembering those who went to the great beyond before us as expressed in the Salute to the Dearly Departed segment (People); our regions, areas, and territories; our locales, hotspots, and hangouts and places we love to visit and events we constantly attend in (Places), and the happenings and the things that we cherish to death – items, commodities, artifacts, and products (Things). So dear readers, enjoy the mind triggers and heart-wrenching diggers you will find in this book honouring the 55th year of celebrating Jamaica's independence and the tantalizing trip down memory lane with this unofficial reference/resource guide by your side. You will recollect who is who (people), where is where (places), and what is what (things) in both the Jamaican and the Diaspora/Global context.

**National Pride – Places (Volume 2)** Indiana Robinson,2017-07-20 Places (Volume 2) Jamaican vary from our beautiful and treasured landscapes, from our rivers, our mountain ranges, our beaches, our birds, our creepy crawlies, our neighbourhoods, our highways, lanes, and gullies; our schools, our hotels, our sugar plantations, our banks, our bars, restaurants, and cold supper shops; our churches, our funeral parlours, our prisons, and much more. Naturally, our multi-talented brothers and sisters are saluted including those still here and those who have since departed to the great beyond. So dear readers, enjoy the mind triggers and heart-wrenching diggers you will find in this book honouring the 55th year of celebrating Jamaica's independence and the tantalizing trip down memory lane with this unofficial reference/resource guide by your side.
