Just because this could be your experience buying a car doesn't mean it has to be. As the owner and operator of seven successful car dealerships, Steve Taylor has worked for twenty years to change the negative connotations of his industry and the car-buying experience. In Taylor Made, Steve walks you step-by-step through the process of buying a car. He gives you insider tips on how to choose a dealer, get top dollar for your trade-in, negotiate a fair price, and select the products that will truly protect you in the long run.
