Against Expression Craig Dworkin, Kenneth Goldsmith, 2011-01-17 Charles Bernstein has described conceptual poetry pregnant with thought. *Against Expression*, the premier anthology of conceptual writing, presents work that is by turns thoughtful, funny, provocative, and disturbing. Editors Craig Dworkin and Kenneth Goldsmith chart the trajectory of the conceptual aesthetic from early precursors such as Samuel Beckett and Marcel Duchamp through major avant-garde groups of the past century, including Dada, Oulipo, Fluxus, and language poetry, to name just a few. The works of more than a hundred writers from Aasprong to Zykov demonstrate a remarkable variety of new ways of thinking about the nature of texts, information, and art, using found, appropriated, and randomly generated texts to explore the possibilities of non-expressive language. --Book Jacket.

Twelve Years a Slave Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

10 Minutes/10 Years Frederic Brandt,2007-04-17 If you find yourself lost and alone in the skin-care aisle; if you're thinking of going under the knife, but hoping you won't have to; if you need specific, detailed information about how to get rid of the bags under your eyes or those ever-deepening furrows in your brow; if you've gone to your girlfriends, women's magazines, cosmetics counters, facialists, and plastic surgeons and gotten lots of conflicting answers; then Dr. Fredric Brandt's simple, streamlined system is for you. With 10 Minutes/10 Years, one of the world's most famous cosmetic dermatologists offers a breakthrough skin-care program that will take you only ten minutes a day -- and will reverse your skin's aging process by ten years. There is a skin-care revolution taking place; the days of washing your face with soap and water and slapping on some cream are long gone. But this means that skin care isn't simple anymore. As new products appear, seemingly overnight, it becomes harder to know what's right for your skin. With warmth and humor, Dr. Brandt cuts through the information overload to provide concrete information and advice for women of all ages and of every skin type. He helps you determine who to go to and who not to go to as well as what to ask. 10 Minutes/10 Years is a uniquely formatted, problem/solution-driven guidebook that reveals many unknown threats to the skin which age it before its time, such as sugar and diet (Chapter 3). Need to know about the brown spots on your cheeks? Turn to Chapter 6. Sick of your drooping chin? Read Chapter 14. Driven to despair by your thinning hair? Look at Chapter 19. But before you decide what system you need, consult Chapter 4 for a comprehensive list of the best products, treatments, and procedures available. Dr. Brandt explains what they are and how they work -- from the least invasive, over-the-counter creams to the most cutting-edge injectibles. Once you understand the basics, you can move on to your specific area of concern in the book's final section, which offers precise information for every skin type. There is no one-shot solution -- we are constantly aging, and we have to keep maintaining ourselves. 10 Minutes/10 Years is Dr. Brandt's targeted approach to this maintenance. His system has already helped thousands of people look younger, and now readers will have their own one-way ticket back to a youthful appearance.

White Light Rudy Rucker,2019-03-12 Author Rudy Rucker offers a unique vision of life, death, and the infinite worlds that lie beyond in this thought-provoking, inspiring, romantic—and funny as hell—mathematical SF novel. Young prof Felix Rayman spends his days in another world. Between teaching indifferent students, pondering his theories on infinity, napping, and worrying about his wife, he’s barely here. But when his dreams separate him from his physical body, Felix plunges headfirst into a transfinite universe that looks a lot like the afterworld—complete with angels, demons, and the restless souls of the dead. And it only gets stranger, as his trials and tribulations—in the company of a giant talking beetle—send Felix up other-worldly peaks that range past infinity to the zone of the White Light, where Nothing and Everything are the same. Night Shade Books’ ten-volume series with Rudy Rucker collects nine of the brilliantly weird novels for which the mathematician-turned-author is known, as well as a tenth, never-before-published book, Million-Mile Road Trip. We’re proud to collect in one place so much of the work of this influential figure in the early cyberpunk scene, and to share Rucker’s fascinating, unique worldview with an entirely new generation of readers.
