Exploring Japan Stephan Morar, 2023-01-19 Japan is one of the most fascinating, beautiful, and hospitable nations in the world. From bustling Tokyo and Zen-like Kyoto all the way to laid-back Okinawa and wintery Hokkaido, Japan is a high-tech world blended with the civility and reverence of its history. Honestly, I adore traveling and backpacking in Japan. It was a longtime desire to travel there and, when I eventually did, it came up to all my expectations. Japan features mouth-watering cuisine, impressive temples and shrines, calm Zen gardens, beautiful national parks, and rich culture. It's a great location and, although it may be an expensive country to visit, there are lots of methods to make this country inexpensive. Exploring Japan: From Tokyo to Kyoto is a comprehensive travel book that takes readers on a tour into the heart of Japan. From the busy streets of Tokyo to the calm temples of Kyoto, this book covers all the must-see locations and hidden jewels of this fascinating country. The book opens with an introduction to Japan's history and culture, offering a significant background for the sites and events that readers will encounter during their journey. It then digs into the most popular cities and areas of Japan, including Tokyo, Kyoto, Osaka, Hiroshima, and more. With thorough information on transportation, lodgings, and eating alternatives, this book makes it simple for readers to arrange their schedules and navigate their way across Japan. It also offers useful information on etiquette, traditions, and language, so that readers may immerse themselves in the local culture and make the most of their vacation. Exploring Japan: From Tokyo to Kyoto is an excellent companion for anybody considering a journey to this beautiful and interesting nation. Whether you're a first-time visitor or a seasoned traveler, this book will help you discover the finest of Japan and make experiences that will last a lifetime. I Love Japan (Travel Guide) S. Giger, 2018-02-06 Why should you choose this guide book instead of any other? Top 4 Reasons: - It's cheaper than other guide books - Fellow other travellers and I tried everything in the travelguide ourselves and I describe in detail to you how we've done it, so that you can travel to the sights on your own and can save money on expensive guided tours or means of transport - it's very light because you can access it from your phone or an e-reader - it will give you lots of inspiration and tells you about hidden gems you don't want to miss - it's the best DIY budget travel guide for Japan There are many great guide book options out there. Deciding on one can even be a bit overwhelming. When I travel, I usually rely on Lonely Planet, since in my opinion, they manage it better than anybody else to mention the most interesting places and the best things to see and do, plus you have it all compact in one book. However, there are two disadvantages: since so many people work on the other guide books, they are quite costly and if you carry them with you as a book, they are also pretty heavy and take a lot of space. Which I never have, when I travel. Somehow my suitcase or backpack always gets too full. Therefore, I always jot down some notes before I start my travels but I hardly ever carry a guide book with me, except maybe as an e-reader. The second thing I don't like about the other guide books is that even though they mention all the good places or transport options, they don't explain how to do it. For example, what is the easiest option to go on a hike near Tokyo and even have a spectacular view on Mt. Fuji? Or how would the locals travel to this place and where would the locals eat? In Japan it's really best if you know exactly where you want to go because of the language barrier. I love Japan will help you overcome any of these difficulties. In I love Japan you find all my personal experiences of my trips to Japan. I loved every minute I spent in this versatile country. Stunning mountain views, bustling cities, calm and beautiful temples and unexpected sights at which you can only stare in awe. Not to mention the delicious Japanese food. I planned all my trips carefully with ideas out of all the good guide books I could find, so you don't have to spend this money anymore. Plus I used TripAdvisor and many helpful blogs. So, if you want to have a more personal experience than the usual tourist and have some actual explanations how to have the best possible experience in a place, this guide book is definitely right for you. More info about other countries you find on my blog:

Japan Lost Travelers,2016-09-29 The BEST, Most Value Provided Japan Travel Guide On The Market Enough with being lost, tricked, and unsatisfied! Lost Travelers have taken out the struggle and worry of traveling by providing our travelers with all the information they need from the point they arrive to the airport till departure. We provide you with a brief history to better understand the locals and the beauty of the city, information on every type of transportation, your safety and amazing places to visit (day and night), dishes to try and much more. Why Lost Travelers Guides? Tired of long, boring, and biased guides out in the market that not only waste our time but also waste money? So were we! We continuously had to ask someone for the simplest things that could have easily been found if we could speak the language of the location, or information that should have been in the guide we were using at that time! As we continuously face this problem we decided we should create a guide that that would cover everything a traveler needs to know from the point of Arrival to Departure, and the Lost Travelers Guides were born. When having our guides created we take a lot into consideration such as time, therefore our guides are short and to the point. But mainly we ask ourselves and other travelers what we enjoy during a travel and what we wish we had known prior to visiting the location and that is where the Lost Travelers guides excels. As the Lost Travelers Guide team, we only have one goal and that is to make sure that our guides are the best out, and provides the most value available.

Cool Japan Sumiko Kajiyama, 2018-05-01 Written by local expert Sumiko Kajiyama, Cool Japan explores the heart of Japanese culture and must-see places from a uniquely Japanese perspective. First, visit Kyoto, where you will discover 1,000 years of history, from the ancient love story the Tale of Genji to the traditional tea ceremony. Then head to Tokyo to experience Japan's cutting-edge capital, where the 21st-century kawaii culture collides with landmarks like the Kabuki-za Theater and the Imperial Palace. For a different perspective, venture outside the city to the serene towns of Tohoku, the region largely affected by the 2011 tsunami disaster. Informative, entertaining, and useful, this book is an ideal introduction for any traveler looking for a deeper understanding of Japanese culture, past and present.
