The Shooting Star Shivya Nath,2018-09-14 Shivya Nath quit her corporate job at age twenty-three to travel the world. She gave up her home and the need for a permanent address, sold most of her possessions and embarked on a nomadic journey that has taken her everywhere from remote Himalayan villages to the Amazon rainforests of Ecuador. Along the way, she lived with an indigenous Mayan community in Guatemala, hiked alone in the Ecuadorian Andes, got mugged in Costa Rica, swam across the border from Costa Rica to Panama, slept under a meteor shower in the cracked salt desert of Gujarat and learnt to conquer her deepest fears. With its vivid descriptions, cinematic landscapes, moving encounters and uplifting adventures, *The Shooting Star* is a travel memoir that maps not just the world but the human spirit.

In Touch with the Future Alberto Gallace,Charles Spence,2014 This book explores the science of touch. It brings together the latest findings from cognitive neuroscience about the processing of tactile information in humans. The book provides a comprehensive overview of scientific knowledge regarding themes such as tactile memory, tactile awareness (consciousness) and tactile attention.

From Street to Table Christian Lapastora,2020-12-31 In this book, I will share with you a few street food spots I have personally experienced along with recommended meals from the owners. Most of my encounters have been filmed and can be seen on my YouTube channel or social media pages -- eatlikeanapex. There are so many street food vendors, food trucks, and festivals in the Bay Area and I definitely have not tried them all. There may be spots that I have not highlighted in the guide that you may feel should be mentioned so please feel free to contact me on my social platforms or email and I will keep them in mind for next time. Please note that at the time of writing this book (during the COVID-19 Pandemic), the food businesses included here may or may not be at their current location. Check the contact information listed on each featured business page. I hope you will enjoy this guide and use it as a reference for when you visit the SF Bay Area.

Our Korean Kitchen Jordan Bourke,Rejina Pyo,2017-04-18 “[This] collection of hearty recipes is an ode to authentic Korean cooking inspired by the dishes the couple eat at home.”—The New York Times Winner of Observer Food Monthly’s Best New Cookbook Award In this beautiful cookbook, critically acclaimed chef and food writer Jordan Bourke and his Korean-born wife, Rejina, provide a cultural history of the food of Korea—along with more than 100 authentic and accessible dishes to make as you explore the ingredients and techniques needed to master Korean cooking. Coffee Life in Japan Merry White,2012-05-01 This fascinating book—part ethnography, part memoir—traces Japan’s vibrant café society over one hundred and thirty years. Merry White traces Japan’s coffee craze from the turn of the twentieth century, when Japan helped to launch the Brazilian coffee industry, to the present day, as uniquely Japanese ways with coffee surface in Europe and America. White’s book takes up themes as diverse as gender, privacy, perfectionism, and urbanism. She shows how coffee and coffee spaces have been central to the formation of Japanese notions about the uses of public space, social change, modernity, and pleasure. White describes how the café in Japan, from its start in 1888, has been a place to encounter new ideas and experiments in thought, behavior, sexuality, dress, and taste. It is where a person can be socially, artistically, or philosophically engaged or politically vocal. It is also, importantly, an urban oasis, where one can be private in public.

The Rough Guide to London Rob Humphreys,Samantha Cook,2014-02-03 Following the hugely successful 2012 Olympic games London is more popular than ever, and with *The Rough Guide to London* you can discover why. With chapters dedicated to the best hotels, restaurants and cafés, pubs and bars, live music and clubs, shops, theatre, kids' activities and more, you'll be sure to make the most of your time in the city with *The Rough Guide to London*. Now available in ePub format.

Redefining Rich Shannon Hayes, 2021-08-10 2022 NATIONAL INDIE EXCELLENCE AWARD FINALIST — BUSINESS, ENTREPRENEURSHIP, & SMALL BUSINESS • 2022 AXIOM BOOK AWARD BRONZE MEDALIST — ENTREPRENEURSHIP/SMALL BUSINESS • NAUTILUS BOOK AWARD SILVER WINNER — BUSINESS & LEADERSHIP “Redefining Rich is inspiring, thought-provoking, and highly recommended both as a fascinating story in its own right and as a call to reconsider what one truly aspires to in life.” —Midwest Book Review In our dysfunctional economy, “success” often comes at great personal cost . . . we’re tired, we’re stressed out, and we have no time for family and friends. It’s time to redefine “rich.” From a third-generation farmer and successful entrepreneur, *Redefining Rich* is an entrepreneur’s guide to balancing work and family with the pleasures of the good life, with simple exercises and important lessons to serve everyone from the new sole proprietor to a seasoned CEO. Shannon Hayes was in the final months of her PhD program, recently engaged, and beginning to plan her future. Having grown up on a northern Appalachian sheep farm, she had two advantages: a hard-won education and hillbilly pragmatism. But when it came time to enter the job market, Hayes made a tough discovery: the economy just doesn’t work. It doesn’t work for women, for free thinkers, for the working class, or for white-collar professionals. It doesn’t work in rural America, much less in the cities and the suburbs. It forces us to choose between career and family, profit and creativity. So, Hayes and her husband walked away from their career paths and chose to forge a life on her family’s frost-plagued mountain farm, starting up a small café in town. Together, they found their sweet spot: a place where the Appalachian farm culture and sensibilities she and her community have lived by helped them thrive, even in a tough economic environment. Against the odds, the Hayes family built a business that lets them live abundantly, spend time with family, and enjoy the gifts of nature. And the business even helped reinvigorate their chronically economically depressed town. But the journey to this point was rife with challenges, tumbles, and mistakes. With humor, lively stories, and assurance, Hayes reveals the best lessons she’s learned for taking an alternate path, whether it lies in rural America, in the ‘burbs, or the heart of the city. She outlines the fundamentals of sustainable wealth, how to develop income streams, get organized, bring family into the business, ask for fair prices and market efficiently, and—the most important lesson of all—set personal boundaries and say “no” even while sustaining relationships. Hayes shows entrepreneurship is the means to build sustainable communities, keep families together, and foster great creative fulfillment. *Redefining Rich* will comfort, instruct, amuse, and inspire those of us who are trying to make our lives work in untraditional ways.

Crying in H Mart Michelle Zauner, 2021-04-20 #1 NEW YORK TIMES BESTSELLER • From the indie rock sensation known as Japanese Breakfast, an unforgettable memoir about family, food, grief, love, and growing up Korean American—“in losing her mother and cooking to bring her back to life, Zauner became herself” (NPR). • CELEBRATING OVER ONE YEAR ON THE NEW YORK TIMES BESTSELLER LIST In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother’s particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother’s tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band—and meeting the man who would become her husband—her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother’s diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner’s voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

Frommer’s Denver, Boulder and Colorado Springs Don Laine, Barbara Laine, Eric Peterson, 2003-01-17 Meticulously researched by an experienced husband-and-wife team, this handbook offers coverage of all three Rocky Mountain cities. Discover the best places to buy Western wear and Western art; the top restaurants, from downhome steakhouses to trendy brewpubs; and the best skiing, hiking, biking, and fishing in the glorious landscapes nearby.

Prune Gabrielle Hamilton, 2014-11-04 NEW YORK TIMES BESTSELLER From Gabrielle Hamilton, bestselling author of *Blood, Bones & Butter*, comes her eagerly anticipated cookbook debut filled with signature recipes from her celebrated New York City restaurant Prune. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY NAMED ONE OF THE BEST BOOKS OF THE SEASON BY Time • O: The Oprah Magazine • Bon Appétit • Eater A self-trained cook turned James Beard Award-winning chef, Gabrielle Hamilton opened Prune on New York’s Lower East Side fifteen years ago to great acclaim and lines down the block, both of which continue today. A deeply personal and gracious restaurant, in both menu and philosophy, Prune uses the elements of home cooking and elevates them in unexpected ways. The result is delicious food that satisfies on many levels. Highly original in concept, execution, look, and feel, the Prune cookbook is an inspired replica of the restaurant’s kitchen binders. It is written to Gabrielle’s cooks in her distinctive voice, with as much instruction, encouragement, information, and scolding as you would find if you actually came to work at Prune as a line cook. The recipes have been tried, tasted, and tested dozens if not hundreds of times. Intended for the home cook as well as the kitchen professional, the instructions offer a range of signals for cooks—a head’s up on when you have gone too far, things to watch out for that could trip you up, suggestions on how to traverse certain uncomfortable parts of the journey to ultimately help get you to the final destination, an amazing dish. Complete with more than 250 recipes and 250 color photographs, home cooks will find Prune’s most requested recipes—Grilled Head-on Shrimp with Anchovy Butter, Bread Heels and Pan Drippings Salad, Tongue and Octopus with Salsa Verde and Mimosa’d Egg, Roasted Capon on Garlic Crouton, Prune’s famous Bloody Mary (and all 10 variations). Plus, among other items, a chapter entitled “Garbage”—smart ways to repurpose foods that might have hit the garbage or stockpot in other restaurant kitchens but are turned into appetizing bites and notions at Prune. Featured here are the recipes, approach, philosophy, evolution, and nuances that make them distinctively Prune’s. Unconventional and honest, in both tone and content, this book is a welcome expression of the cookbook as we know it. Praise for Prune “Fresh, fascinating . . . entirely pleasurable . . . Since 1999, when the chef Gabrielle Hamilton put Triscuits and canned sardines on the first menu of her East Village bistro, Prune, she has nonchalantly broken countless rules of the food world. The rule that a successful restaurant must breed an empire. The rule that chefs who happen to be women should unconditionally support one another. The rule that great chefs don’t make great writers (with her memoir, *Blood, Bones & Butter*). And now, the rule that restaurant food has to be simplified and prettied up for home cooks in order to produce a useful, irresistible cookbook. . . . [Prune] is the closest thing to the bulging loose-leaf binder, stuck in a corner of almost every restaurant kitchen, ever to be printed and bound between cloth covers. (These happen to be a beautiful deep, dark magenta.)”—The New York Times “One of the most brilliantly minimalist cookbooks in recent memory . . . at once conveys the thrill of restaurant cooking and the wisdom of the author, while making for a charged reading experience.”—Publishers Weekly (starred review)

Japanese Food Street By Feel Social 10: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have charmed audiences this year. Japanese Food Street By Feel Social 10 : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Japanese Food Street By Feel Social 10 : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Japanese Food Street By Feel Social 10 : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
