

# Jason Ayres

Jason Ayres

**The Time Bubble** Jason Ayres,2014-06-19 Charlie and Josh's interests were the same as most other teenagers: drinking, parties and girls. That was until the day they discovered the Time Bubble. It starts at a bit of fun, jumping a few seconds into the future. Soon things take a more serious turn as the leaps in time increase in duration. When a teenage girl goes missing, and the police become involved, suspicion falls on Charlie. How can he explain where she is? Will anyone believe him? As the long term dangers of the Bubble become clear, one man comes up with a solution - one that could hold the key to his own salvation. Set in a small market town in Southern England in the early 21st century, this light-hearted time travel novel has plenty to delight readers of all ages. This novel is the first part of a trilogy. Global Cooling, the second in the series, is now available.

**Rock Bottom** Jason Ayres,2017-01-19 Kay's life is in a mess. Now she's been given the chance to go back and relive six days of her life again. Can she use them wisely to turn things around? At 18, she had it all - brains, beauty, and plans for a glittering career. By 43, she is barely scraping a living and renting a grotty flat above a chip shop. Traded in by her husband for a younger model, she spends her life seeking solace in vodka and one night stands. With her new found ability to time travel Kay makes good use of her trips back in time, from reliving Christmas Day in the 1980's to turning private detective in her own divorce case. But will an attempt to unmask a murderer in the local community be her undoing? Rock Bottom is the second in a loosely connected series of time travel novels. It features characters and situations from the accompanying Time Bubble series and can be read standalone or alongside those stories. Want to know more about the author? You can find him at: [jasonayres.co.uk](http://jasonayres.co.uk) [facebook.com/TheTimeBubble/](https://www.facebook.com/TheTimeBubble/) [twitter.com/AusterityDad](https://twitter.com/AusterityDad)

=====

===== What readers are saying about Rock Bottom... I thoroughly enjoyed this book, as I did all other books by Jason Ayres. It got me thinking, daydreaming and filled me with nostalgia. - Marbeth Lynch on Goodreads I loved the ending, I won't give anything away. I'll just say it gives a satisfying explanation and makes me wonder what the next book will focus on, after all the author has a lovely habit of leaving breadcrumbs in current books leading you to the next story he has in mind.- Reviewify Mark, Hall Of Fame Top 10 Reviewer on Amazon UK Another excellent time twisty book from Mr Ayres. - Kevan James on Amazon UK This story demonstrates that our lives are mapped out by a series of random events. Jason taps into our deep psyche on many levels through our fears of the future, the joys and nostalgia of childhood and regrets of the past. - All Things D on Amazon UK

**Gone to the Rapture** Jason Ayres,2023-10-27 Imagine a world where everyone is disappearing and soon you may be the only one left. A truck crashes on the M40 causing one of the worst motorway pileups for years but the driver is nowhere to be found. Over the next few days more unexplained disappearances occur, leaving investigators puzzled, and the government in a panic. Amid claims of alien abductions and prophecies of a biblical nature, Josh believes there may be another explanation involving time travel. But his theories will have to wait because as the population vanishes at a frightening rate, and society begins to break down, those who remain are plunged into a desperate battle for survival. Unravel the mystery by joining the time bubble team in their latest adventure, which once again expands the time travel genre in a fresh and innovative way. An excellent and entertaining series of time travel stories, full of twists and turns without too much technical jargon. I have thoroughly enjoyed the whole series (thank you Jason Ayres) and cannot wait for you to continue the story. In the meantime, someone please make a movie or TV series out of this.

**St. Louis Noir** Scott Phillips,2016-07-11 "St. Louis gets a turn to show its dark side . . . [A] spirited, black-hearted collection" including a story from New York Times-bestselling author John Lutz (Kirkus Reviews). A vibrant Midwest metropolis, St. Louis has a rich, multicultural history of art and literature—both high and low. That duality is embraced here in an anthology that spans the reaches of noir, from violent criminality to bad luck and bad attitudes. St. Louis Noir includes stories by bestselling authors John Lutz and Scott Phillips, a poetic interlude featuring Poet Laureate

Michael Castro, and more tales from Calvin Wilson, LaVelle Wilkins-Chinn, Paul D. Marks, Colleen J. McElroy, Jason Makansi, S.L. Coney, Laura Benedict, Jedidiah Ayres, Umar Lee, Chris Barsanti, and L.J. Smith. "The stories here are uniformly strong. Regular readers of the Noir series know what to expect: tightly written, tightly plotted, mostly character-driven stories of murder and mayhem, death and despair, shadow and shock." —Booklist "Thirteen tales of grim homicidal happenings (plus one poetic interlude) set in the streets of the St. Louis area." —St. Louis Post-Dispatch

**1980** Jason Ayres, 2024-01-25 Relive the 1980s in this rip-roaring time-travel adventure from bestselling author, Jason Ayres. As the 2020s dawn, Keith Diamond, the self-styled Diamond Geezer is a shock jock DJ at controversial radio station, ChatFM. When the station comes under new management, Keith finds himself surplus to requirements. His future employment prospects look bleak until a stranger gives him a bracelet that catapults him forty years back in time. Can he rectify past mistakes, avert disasters, and reshape his own future and that of others? Join Keith, as he revisits the culture and events of 1980, in this humorous and thought-provoking time travel story.

**Vanishing Point** Jason Ayres, 2019-12-24 In the latest Time Bubble story, time travellers Josh and Alice Gardner visit an advanced scientific institute in Canberra. There they meet scientists Henry and Vanessa Jones who are carrying out advanced research into mind transference. The four of them work together to combine their technology and reach their ultimate goal - to be able to project their minds back through time into their younger bodies, thus achieving immortality. After some initial success, unforeseen implications become apparent. When the timeline starts changing and people start vanishing, the world seems oblivious to the fact they ever existed. The only people who seem immune to this effect are those who have previously passed through a time bubble, but one by one, they are being killed. Vanishing Point is the sixth book in the Time Bubble series. A series of spin-off books, entitled Second Chances, is also available.

**Happy New Year** Jason Ayres, 2018-04-17 Amy was never very keen on New Year's Eve - and that was before the time travel accident that sent her plummeting back into the past. Now she's living every New Year of her life all over again. Starting at thirty-nine years old, she grows progressively younger, revisiting snapshots of her life along the way. From dealing with an unfaithful boyfriend to trying to help her alcoholic mother, she attempts to make the most of her second chances, with varying degrees of success. As Amy grows ever more youthful, the reality of her impending mortality looms ever larger. Her only hope is to track down the mysterious stranger who sent her back through time, but he is nowhere to be found. Happy New Year is the fourth in a loosely connected series of time travel novels. It features characters and situations from the accompanying Time Bubble series and can be read standalone or alongside those stories. Want to know more about the author? You can find him at: [jasonayres.co.uk](http://jasonayres.co.uk) [facebook.com/TheTimeBubble/](https://facebook.com/TheTimeBubble/) [twitter.com/AusterityDad](https://twitter.com/AusterityDad)

=====

===== What readers are saying about Happy New Year... Very good as are all of Jason's novels. I love novels where a person's self or consciousness goes back in time to inhabit their younger bodies. - Ian Wardell on Amazon UK. All books by this author are great, and this one is no exception. Easy to read, uncomplicated, but intriguing and thought provoking at the same time. I have read all of his books and I am never disappointed. - LoubyLou on Amazon UK. I've read all the books by this author and every one has been hard to put down. He's brilliant with details and I look forward to future books. - Jamie Walters on Amazon UK. I sometimes find that time travel books are cliché or cheesy, but this one was not at all. It was complex and fun to read! Plus you didn't have to read the other books in the series to understand what was going on. - Springj7 on Amazon. Another thoroughly enjoyable book by Jason Ayres. They may be intended as light reads but his characters stay with you and provide much food for thought long after you finish the story. - Mark L. Swisshelm on Amazon.

**My Tomorrow, Your Yesterday** Jason Ayres, 2015-03-08 When 54 year old Thomas Scott wakes up in a hospital bed on New Year's Day he has no memory of who he is or why he is there. Racked with pain from a terminal illness, death swiftly follows. The next day he awakes to find himself alive

again and confused, especially when he discovers that it is now New Year's Eve. As the days pass he begins to realise that he is living his life backwards one day at a time. So begins the extraordinary tale of a man who goes to sleep on Sunday nights and wakes up on Saturday mornings: A man who cannot form a meaningful relationship with a woman because when he jumps back to the previous day, she has no memory of him. And a man who can win a fortune from gambling any time he likes, but has only one day to spend it. Trying to find some purpose in life he resolves to find out as much about his own personal history as he can. Learning of the death of his wife and an attack on his daughter, he prepares to make changes in the past to secure their future. From middle-aged father all the way back to childhood, the passing years present all manner of different challenges as he grows ever more youthful. Set in and around Oxford between the years of 1970 and 2025, this unique concept for a time travel novel features plenty of humour, nostalgia and "what if" moments. The story takes place within the same universe established in the author's Time Bubble series. However, this is a standalone novel that can be enjoyed without the need to have read those earlier books.

**Man Out of Time** Jason Ayres, 2015-09-13 What would you do if you found yourself cast 22 years into the future? Into a world where your home is no longer your home and you've been declared legally dead? This is the situation that Daniel Fisher finds himself in at the beginning of this novel, the latest release in The Time Bubble series. Stranded in the future, in a place where his outdated currency is worthless, things go from bad to worse for Dan very quickly. Before long he finds himself incarcerated in a secure psychiatric unit, his hopes of ever returning to the past looking bleak. Elsewhere, Josh has unlocked the secrets of the time bubbles, and can now freely travel in time. He returns to the scene of past encounters, as well as travelling to the future to join Peter on his adventures through time. But has he been careful enough to prevent others from discovering his secrets? This book concludes The Time Bubble trilogy, tying up all of the loose ends from the first two books, as well as linking in to the spin-off novel, My Tomorrow Your Yesterday.

Invocation and Assent Jason E. Vickers, 2008-08-20 The adoption of a new rule of faith in the seventeenth century significantly changed the way English-speaking Protestants perceive the doctrine of the Trinity. Having been the proper personal name by which Christians came to know and love their God, the Trinity became primarily a rational construct and as such no longer clearly mattered for salvation. In *Invocation and Assent* Jason Vickers charts this crucial theological shift, illuminating the origins of indifference to the Trinity found in many quarters of Christianity today.--BOOK JACKET.

**Return To Tomorrow** Jason Ayres, 2021-02-02 If you knew the future, would you change it? Thomas Scott has lived his life twice before. At night he dreams about his wife-to-be and resolves to preserve the timeline so they can meet in the right place at the right time. Ben Lewis was a middle-aged failure in 2020 before he was cast back into his eighteen-year-old body. Given a second chance, he intends to exploit it for his own selfish ends. When the two meet in Oxford in 1988, they soon clash. The more Thomas tries to prevent Ben from disrupting the timeline, the more he delights in doing the opposite. A decade later, the scene is set for a final confrontation in the blazing heat of Ibiza at the height of the clubbing scene. This story is the eleventh part of an epic series exploring the time travel genre in original and innovative ways. The novels follow the main characters from youth to middle age as they jump forwards, backwards, and sideways into alternate worlds. Want to know more about the author? You can find him at: Website: [jasonayres.co.uk](http://jasonayres.co.uk) Facebook: [facebook.com/TheTimeBubble/](https://facebook.com/TheTimeBubble/) Twitter @TheTimeBubbl

Midlife Crisis Jason Ayres, 2016-07-16 Richard Kent is middle-aged, bored and miserable. His weight has ballooned to eighteen stone and he's got high blood pressure, piles and gout. His wife nags him, his kids ignore him and his boss thinks he's a dinosaur. He doesn't understand modern culture, especially pop music. All his old friends have disappeared and his favourite pubs have all gone, turned into restaurants or nail bars. When redundancy looms, a leap off the roof of the local supermarket car park seems like his only viable option. But then a familiar face from his own past appears and offers him a lifeline. What if he could go back? A trip back in time to his seven year old

self is just the beginning of a roller coaster journey through his own past. This novel is the second in a series of spin-offs set in the same universe as the author's Time Bubble series. It is intended as a standalone story which can be enjoyed whether the reader has read the earlier stories or not.

**Global Cooling** Jason Ayres,2014-11-02 Ten years have passed since Charlie and Josh discovered The Time Bubble. As they wait for Peter to emerge after several years inside, Earth is facing a global climate catastrophe. An asteroid strike blankets the globe in dust and ash, blocking out the sun. Soon temperatures begin to fall. As weather conditions worsen, the members of The Time Bubble team need to make a decision - flee south to escape the weather, or wait for the worst to pass. Choosing to stay, D.I. Hannah Benson soon has more to worry about than keeping law and order. With power supplies failing and food scarce, it soon becomes a battle just to stay alive. And there are some that see it not as a crisis, but as an opportunity. Meanwhile, Josh sets out to investigate the possible existence of a new Time Bubble in Cornwall. With girlfriend Alice along for the ride, their travel plans are soon disrupted by the deepening winter. Can they reach the Bubble and use it to escape? Set a decade after the main events of The Time Bubble, this sequel takes place in parallel with events in the latter stages of that story.

**God-Fearing and Free** Jason W. Stevens,2011-03-15 This challenging work argues for the importance of spirituality in Cold War America. It was the first period when the nation, teetering between patriotism and doubt about the global future, became a superpower. It was also the last period during which America's leaders and ministers regularly proclaimed that the nation was not free of sin. Stevens traces two movements in the culture of this time. The first is a recoiling from the alleged innocence of the 1930s-- the Red Decade-- and the formation of a Cold War sensibility in the late 1940s-50s. This sensibility was grounded in sobriety, in the rejection of utopia, in a neo-Judeo-Christian image of human nature tainted by sin and in the tacit or explicit support for a pro-American anti-communism. The second movement is the fragmentation of this early Cold War sensibility and its passing into obsolescence by the 1960s. Covering a wide selection of narrative and cultural forms - including theology, fiction, film noir, journalism, and confessional biography -Stevens demonstrates how writers, artists, and intellectuals-- the devout as well as the non-religious-- disseminated the terms of this cultural dialogue, disputing, refining, and challenging it.

**18 Things** Jamie Ayres,2019-01-20 An emotional journey readers won't soon forget--will have readers making their own bucket lists. Marisa Cleveland, author of the South Beach SeriesA haunting tale that had me smiling one moment and on the brink of tears the next. Heather Burch, critically acclaimed author of the Halflings SeriesA touching story that will make you cherish each day and the ones you love. Jaime Rush, New York Times bestselling author of the Hidden seriesAbout 18 Things: Can eighteen things save a life?Olga Gay Worontzoff thinks her biggest problems are an awful name (after her grandmothers of course) and not attending prom with Conner, her best friend and secret crush since kindergarten. Then Conner is killed in a freak boating accident and Olga feels responsible. When she downs an entire bottle of pills to deal with the emotional pain, her parents force her into counseling. There, her therapist writes a prescription in the form of a life list titled 18 Things. Eighteen quests to complete the year of her eighteenth birthday. All she has to do is fire-walk, try out for the cheerleading squad, break a world record, and err... go on her first date. Good thing Nate, a new hottie in town, enters her life with perfect timing. He brings the fun factor to her list and helps her discover the beauty and strength inside herself, then complicates things by falling in love with her. But there's more to Olga's quests than meets the eye and when her therapist reveals a terrifying secret, her world is shaken. There's only one thing she knows for certain: her choices won't just affect her future, but all eternity.

**Raise a Holler** Jason Stuart,2012-04 Hank Grady, a 16-year-old from Mississippi who is looking to get as far away from his father's Jesus-talk as possible, sets off on an adventure to find a lost stash of old-time bootleg whisky.

**The Crooked Line** Michael Livesley,Jason Ayres,2022-12-28 From the author of the bestselling Time Bubble series comes a nostalgic new series set in the 1970s. More light-hearted and comedic than The Time Bubble books, The Ronnie and Bernard adventures take a tongue-in-cheek look at the

era, fondly recalling some of the tropes and stereotypes of the time. In 1972, Ronnie and Bernard are the stars of an afternoon soap opera on ITV. Ronnie is a hard-drinking, politically incorrect dinosaur with attitudes that were outdated fifty years ago. Bernard is a tortured soul trying to get over a broken marriage who rose to fame as a stand-up comedian on the working men's club circuit. His star is in the ascendancy, whilst Ronnie's, despite his grandiose claims, is very much on the wane. When Bernard learns that his uncle has died, he and Ronnie travel to the will reading. They discover that all Bernard needs to do to inherit the entire estate is to spend the night in a country house. Thus begins an epic adventure involving mysterious apparitions from the past, an ancient stone circle, and a chamber beneath the house that leads to both the past and the future. The Crooked Line is the first in a series of humorous novels set in the 1970s, with mild supernatural and science fiction elements. Anyone with fond memories of the films, television, and culture of the era will find plenty to delight them here. Want to know more about the author? You can find him at: Website: [jasonayres.co.uk](http://jasonayres.co.uk) Facebook: [facebook.com/TheTimeBubble/](https://facebook.com/TheTimeBubble/) Twitter @TheTimeBubble

**Fortysomething Father** Jason Ayres, 2013-05-17 When Jason Ayres and his wife Claire discussed what they would do after the birth of their first child, he had no doubts about the future. "I wanted to take a break from my career. I'm older than my wife - I was 37 then - and she didn't want to be a stay-at-home mum, because at 22 her career was only just beginning," he said. [Excerpt from Oxford Mail interview, September 2013]. So for the past six years he has stayed at home looking after their sons Oliver, six, and Jamie, three. This book is a collection of humorous tales about life as a stay at home dad along with musings on various other topics he encounters in his daily life. From trying to track down the perfect buffet to nurturing an unhealthy obsession with crisps, the topics are many and varied. Whether readers are looking in particular for tales of the ups and downs of parenting small children, or just want some light-hearted easy reading humour, they will find plenty to entertain them here in over 300+ pages chronicling one year of the writer's life. This book is the first in a series of the Stay At Home Dad diaries. The second, Austerity Dad, was released in July 2013. You can keep up with Jason's latest thoughts on the world of parenting via his weekly newspaper column Stay At Home Dad in the Oxford Mail (newspaper or online) or follow him on Twitter @AusterityDad.

**Severed** John Gilmore, 2006 This new edition of the L.A. noir classic is released just in time to accompany the Brian De Palma film.

**The Thin Light of Freedom: The Civil War and Emancipation in the Heart of America** Edward L. Ayers, 2017-10-24 Winner of the Lincoln Prize A landmark Civil War history told from a fresh, deeply researched ground-level perspective. At the crux of America's history stand two astounding events: the immediate and complete destruction of the most powerful system of slavery in the modern world, followed by a political reconstruction in which new constitutions established the fundamental rights of citizens for formerly enslaved people. Few people living in 1860 would have dared imagine either event, and yet, in retrospect, both seem to have been inevitable. In a beautifully crafted narrative, Edward L. Ayers restores the drama of the unexpected to the history of the Civil War. From the same vantage point occupied by his unforgettable characters, Ayers captures the strategic savvy of Lee and his local lieutenants, and the clear vision of equal rights animating black troops from Pennsylvania. We see the war itself become a scourge to the Valley, its pitched battles punctuating a cycle of vicious attack and reprisal in which armies burned whole towns for retribution. In the weeks and months after emancipation, from the streets of Staunton, Virginia, we see black and white residents testing the limits of freedom as political leaders negotiate the terms of readmission to the Union. With analysis as powerful as its narrative, here is a landmark history of the Civil War.

The Top Books of the Year Jason Ayres The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have enthralled audiences

this year. Jason Ayres : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Jason Ayres : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Jason Ayres : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
