Alone With The Bad Boy Suzana Thompson, 2021-04-27 Alone overnight at the store with the school bad boy. That's not what I planned on when I hid in the bathroom until well after closing. I thought I was by myself, which was why I started trying on clothes outside the dressing room. I wasn't expecting to be caught in my underwear by anyone. Least of all by the intimidating guy everyone warned me was dangerous. If that isn't bad enough, he is also my secret crush.

Defensive Heart - The Donnellys book 2 Dorothy F. Shaw, 2019-11-19 Uptown girl, tattooed bad boy. Think you know which one is wild? You'd be wrong. THE DONNELLYS, BOOK 2 Greenwich Village is home to successful artist Jimmy Donnelly, and the world is his playground. A broken heart in college left him with zero interest in being tied down. But when he meets a sexy, quick-witted Manhattan attorney, he reconsiders his bad boy ways. Sonja Martin's life is filled with work, an ex-husband who refuses to stay gone, and a teenage daughter who won't follow the rules. Jimmy, with his myriad of tattoos and piercings, looks more like one of her clients than a potential lover. But when every argument between them feels more like foreplay, she can't seem to stay out of his bed. The heat burns through whatever defenses Sonja thought she had. And Jimmy finds his every fantasy fulfilled—and exceeded—by a woman whose fire burns as bright as her fiercely guarded vulnerability. But his case for breaking her out of her self-imposed mold might just be dismissed. And he'll lose the best thing he's ever found. Warning: This book might piss you off. But if I've done my job, while you're busy being pissed off, you'll also

fall in love with the hero and the heroine. May contain: A pompous, misogynistic ex-husband. A rebellious teenager. A ton of sex. Adventurous sex. Make-up sex. Desperate-OMG-GET-YOUR-CLOTHES-OFF sex... Did I mention there's a lot of sex?

Jaded Heart - The Donnelly's book 4 Dorothy F. Shaw, 2022-08-02 Even jaded hearts can be tempted into trying again. When Angela Donnelly heads to Arizona for a family event, she meets older and hotter than hell, Garrett James. Garrett runs a small concert venue on the outskirts of Phoenix...and that's about as close as he wants to come to the music biz. His hey-day in the late 90s, playing bass and singing with his band, Copper Seven, is long gone. Far from the limelight and willingly single, the only woman Garrett wants or needs in his life is his daughter. That is until he meets the way too young for him, Angie. Long dark hair and long legs have always been his downfall and Garrett can't keep his eyes, or his hands off of her. Angie might be young, but she's no fool. She knows a good thing when she's found one—Garrett is a once in a lifetime good thing for her. But Garrett can't seem to convince Angie that he's not her once in a lifetime anything. As far as he's concerned, he's absolutely the wrong man for her with nothing to offer someone as promising as Angie. Angie recognizes that Garrett has his heart fully guarded. But when he gives her everything she wants, except his heart, she knows this will be the fight of her life. And Angie won't back down. Or give up. Warning: This book contains a very broken hero and a very determined heroine. An age gap, and a lot of angst. On a more serious note, here's the trigger warning: *Jaded Heart* goes into detail about what alcoholism and drug addiction can do to a person. It also touches on a past death as a result of an overdose and the effect that has on family members.

Before I Wake Anne Frasier, 2005 Frasier delivers a new blockbuster thriller about a one-time criminal profiler who will risk everything, including her own sanity, to lure out of hiding the madman who murdered her family--even if she herself becomes the number-one suspect. Original.

Could he find what he needed before it was too late? Jason wondered how this conflict could come back after thousands of years. His goal now was to find a way to resolve it once and for all. Could he do it himself, or would he need the help of someone? Would he be standing alone in this conflict, or will the others stand beside him? No one had that answer until it came to a head. The truth is revealed about an accident that could have cost lives had Jason and the others not intervened. But the question remained; was it an accident or malicious intent? What is revealed is only a cover-up and the lies may cost

someone their freedom. Find out what Jason has in store for his friends, his family, and complete strangers, as he struggles with reality.

My Name Is Jason. Mine Too. Jason Reynolds, Jason Griffin, 2022-06-28 A stunning visual autobiography of two crazy-talented besties, bestselling and award-winning author Jason Reynolds and painter Jason Griffin, who could never be who they are singularly if they weren't who they were together. Once upon a time in America, there were two Jasons. Jason Reynolds and Jason Griffin. One a poet. One an artist. One Black. One white. Two voices. One journey in mind: to move to New York, the city of dreams, to make their own dreams come true. Willing to have a life not un-hard, so long as it wasn't unhappy. Willing to let the city swallow them whole, so long as it gives them their chance. They had each other. "What if painting was a sin, and the poetry became taboo. And no one ever clapped for me again. My question is, would you?" They clapped. Oh, they clapped. And aren't we glad?

Readers can unravel a web of betrayal, suspense, danger and revenge in Jason Ross' gripping novel, Don't Wound What You Can't Kill. Vincent works for his cousin William and is only disloyal in the way that he is about to abandon him and open his own business. He had no intentions on using any of his cousin's money, which he could have easily embezzled without his cousin knowing a thing. A man with principles, Vincent is the one who informed his cousin that his men, Harold and Ronald were embezzling from him. But he never expected William would repay his loyalty with death. Vincent barely escapes with his life, stinging at the pain of betrayal.

His love for accounting and taxes had taken a back step to another more important matter—revenge. Vincent now knew what he had to do, but he wonders at what price he would have to pay for his revenge. The choice is obvious, and there is no turning back. Vincent finally crosses that thin line between good and evil that he had straddled along when he was a child. His life as he knew it is over, and his life as he never envisioned is just beginning.
