**Reframing Information Architecture** Andrea Resmini,2014-07-15 Information architecture has changed dramatically since the mid-1990s and earlier conceptions of the world and the internet being different and separate have given way to a much more complex scenario in the present day. In the post-digital world that we now inhabit the digital and the physical blend easily and our activities and usage of information takes place through multiple contexts and via multiple devices and unstable, emergent choreographies. Information architecture now is steadily growing into a channel- or medium-specific multi-disciplinary framework, with contributions coming from architecture, urban planning, design and systems thinking, cognitive science, new media, anthropology. All these have been heavily reshaping the practice: conversations about labelling, websites, and hierarchies are replaced by conversations about sense-making, place-making, design, architecture, cross media, complexity, embodied cognition and their application to the architecture of information spaces as places we live in in an increasingly large part of our lives. Via narratives, frameworks, references, approaches and case-studies this book explores these changes and offers a way to reconceptualize the shifting role and nature of information architecture where information permeates digital and physical space, users are producers and products are increasingly becoming complex cross-channel or multi-channel services.

**When Anxiety Strikes** Jason B. Hobbs,Dena Douglas Hobbs,2020-09-29 Manage or prevent anxiety using faith-based methods “Fear not.” “Do not be afraid.” “Peace be with you.” Phrases like these appear in the Bible more often than almost any other proclamation. We long to follow these commands. Yet for many, something inside us is wary, ready for anything and everything to go wrong. In fact, a quarter of Americans struggle with anxiety disorders--and Christians are not immune. Jason and Dena Hobbs are familiar with this struggle, professionally and personally--Jason as a clinician, Dena as someone with anxiety, and both as pastors of congregations full of anxious people. They also know the shame and confusion that so often accompany these disorders, especially for people who think their faith should be strong enough to overcome these struggles. With their deep understanding, they’ve written When Anxiety Strikes, an eight-week guide to managing anxiety, grounded in both Scripture and research. Structured for daily reading, with integrated practices for everyday life, the book addresses seven themes: breath, body, movement, mind, change, spirit, and community. Concise stories, readings, questions, and activities guide readers to tackle the realities of living with anxiety. When Anxiety Strikes offers real solutions to find a solid landing place when the storm of fear looms.

Door to Remain Austin Segrest,2022-04-15 “There are some poets we admire for a mastery that allows them to tell a story, express an epiphany, form a conclusion, all gracefully and even memorably—yet language in some way remains external to them. But there are other poets in whom language seems to arise spontaneously, fulfilling a design in which the poet’s intention feels secondary. Books by these poets we read with a gathering sense of excitement and recognition at the linguistic web being drawn deliberately tighter around a nucleus of human experience that is both familiar and completely new, until at last it seems no phrase is misplaced and no word lacks its resonance with what has come before. Such a book is Austin Segrest’s *Door to Remain*. Ranging between Atlanta, Georgia, and the Eternal City of Rome, these poems offer a poignant chronicle of haunting by a mother who is simultaneously present and absent even before her death. The centerpiece of the book is a poem in nineteen sections entitled ‘Majestic Diner’ that strives to answer its own epigraph, from George Herbert: ‘My God, what is a heart?’ Elsewhere, the poet writes ‘Humankind / cannot bear to be cheated out of our most guarded truths,’ paraphrasing T.S. Eliot’s dictum that ‘Humankind cannot bear very much reality,’ and part of what makes this book memorable are the clear-sightedness and charity with which those truths are anatomized.”—Karl Kirchwey, author of *Poems of Rome* and judge

Downriver Will Hobbs,2012-07-10 Will Hobbs’s classic tale of whitewater adventure is back in print with an exciting new look. No adults, no permit, no river map. After fifteen-year-old Jessie gets sent to Discovery Unlimited, an outdoor education program, she and six companions “borrow” the company’s rafting gear and take off down the Colorado River through the Grand Canyon on their own. Floating beneath sheer red walls, camping on white sand beaches, and exploring caves and waterfalls, Jessie and the others are having the time of their lives—at first. But when they’re pursued by helicopters, they boldly push on into the black-walled inner gorge, the heart of the Grand Canyon, only to encounter huge rapids, bone-chilling rain, injuries, and conflict within the group. What will be the consequences of their reckless adventure? This riveting novel includes an author’s note about his own rafting experiences and has been ranked by the American Library Association as a “100 Best of the Best” for twenty-five years—a testament to the enduring popularity of the action and adventure that await in *Downriver*.

*Unless a Grain of Wheat Falls* Jason B. Hobbs,2019-01-06 Unless a Grain Falls guides us through a son's journey through the death of his father and a changing view of God. Hobbs writes with an honest, gentle, and faithful hand through all of these experiences using the framework of the Christian season of Lent.from Ash Wednesday: On that Friday, at six in the morning, I awoke with just a hint of light in the room and the sounds of medical staff scurrying to complete the work of their shift. I woke up for that last moment, for my father's leaving. As I stirred, I could tell that there was a change in him, a change in his breathing. I listened for a while, not knowing what the change meant, except that my father was pausing more between breaths. He would breathe in deeply. Pause. Then release a long, large exhale. Then pausing again. My mother was asleep in the chair beside him. And then there was one last large exhale, a final emptying. And I waited there, on that fold-up bed against the wall, just listening. He was gone.Jason B. Hobbs, LCSW, MDiv, is a licensed clinical social worker at a private outpatient mental health clinic. He has been in private practice for almost fifteen years.
