- THE BEST AMERICAN MAGAZINE WRITING 2007 HAROLD M. EVANS, M EVANS, 2009-04-30 In the world of magazines, no recognition is more highly coveted than an Ellie, the National Magazine Award presented by the American Society of Magazine Editors to the Best of the American magazines. The Awards are the magazine equivalents to the Pulitzer Prizes of the newspaper industry. Each year, hundreds of editors-in-chief, journalism professors, and art directors winnow more than a thousand submissions to about seventy-five nominees in categories such as Reporting, Feature Writing, Profiles, Public Interest, Essays, Reviews and Criticism. Interest in the nominees is keen, and this collection will allow people both in the magazine world and beyond to find in one place, read, and admire the year's best. It is a wonderful, browsable volume of interest to writers and readers who appreciate magazine writing and journalism at its highest level.
- Netword Argue with a Cat Jay Heinrichs, 2018-06-19 Learn how to persuade cats—the world's most skeptical and cautious negotiators—with this primer on rhetoric and argument from the New York Times bestselling author of Thank You for Arguing! Cats are skilled manipulators who can talk you into just about anything without a single word (or maybe a meow or two). They can get you to drop whatever you're doing and play with them. They can make you serve their dinner way ahead of schedule. They can get you to sit down in an instant to provide a lap. On the other hand, try getting a cat to do what you want.... While it's hard, persuading a cat is possible. And after that, persuading humans becomes a breeze, and that is what you will learn in this book. How to Argue with a Cat will teach you how to: Hold an intelligent conversation—one of the few things easier to do with a cat than a human. Argue logically, even if your opponent is furry and irrational. Hack up a fallacy (the hairball of logic). Make your body do the talking (cats are very good at this). Master decorum: the art of fitting in with cats, venture capitalists, or humans. Learn the wisdom of predator timing to pounce at the right moment. Get someone to do something or stop doing it. Earn any creature's respect and loyalty.
