**Being Mary Bennet** J. C. Peterson, 2022-03-15 It is a truth universally acknowledged that every bookworm secretly wishes to be Lizzy Bennet from *Pride and Prejudice*. A less acknowledged truth is that Mary Bennet might be a better fit. For Marnie Barnes, realizing she's a Mary Bennet is devastating. But she's determined to reinvent herself, so she enlists the help of her bubbly roommate and opens up to the world. And between new friends, a very cute boy, and a rescue pup named Sir Pat, Marnie finds herself on a path to becoming a new person entirely. But she's no Lizzy, or even Mary—instead, she's someone even better: just plain Marnie. With a hilariously sharp voice, a sweet and fulfilling romance that features a meet-cute in an animal shelter, and a big family that revels in causing big problems, this charming comedy of errors about a girl who resolves to become the main character of her own story (at any and all costs), is perfect for fans of Jenny Han and Becky Albertalli...and Jane Austen, of course.

California History-Social Science: Our Communities, Grade 3 Pearson/Scott Foresman, 2011-11

Wildman J. C. Geiger, 2017-06-06 How can a complete stranger know you better than the people you've known your entire life? Lance Hendricks is homeward bound, four hundred highway miles from the best night of his life. There's an epic graduation party brewing, his girlfriend will be there, and they've got a private bedroom with their names on it. When his '93 Buick breaks down in the middle of nowhere, Lance is sure he'll be back on the road in no time. After all, he's the high school valedictorian. First chair trumpet player. Scholarship winner. Nothing can stop Lance Hendricks. But afternoon turns to night, and Lance ends up stranded at the Trainsong Motel. The place feels ominous, even before there's a terrible car wreck outside his room.

When Lance rushes out to help, the townies take notice. They call him Wildman, and an intriguing local girl asks him to join in their nighttime adventures. He begins to live up to his new name. As one day blurs into the next, Lance finds himself in a bar fight, jumping a train, avoiding the police. Drifting farther from home and closer to a girl who makes him feel a way he's never felt before—like himself. This debut novel by a remarkable new talent explores the relationship between identity and place, the power of being seen, and the speed at which a well-planned life can change forever.

Hutchins, 2009-10-27 As America reels from the bizarre presidential assassination committed by a child, seven men are abducted from their normal lives and delivered to a secret government facility. Each man has his own career, his own specialty. All are identical in appearance. The seven strangers were grown--- unwitting human clones---as part of a project called 7th Son. The government now wants something from these John Michael Smiths. They share the flesh as well as the implanted memories of the psychopath responsible for the president's murder. The killer has bigger plans, and only these seven have the unique qualifications to track and stop him. Chase wanted to go back to Montana. To the ranch and the wild, wide blue sky that went on forever. He wanted nothing to do with flashy cars or spoiled rich kids. But he found himself head over boots for the quirky cheerleader who turned her back on her social status. She befriended him when no one else would. Shunned and hurt by the people who were once her friends, Briar flees with Chase to his family ranch in Montana. There she discovers another world, and apart of herself she never knew. The Great Big One J. C. Geiger,2021-07-13 With natural disasters and nuclear war threatening their small town, two twin brothers find themselves enraptured by mysterious music that could change the course of their lives. Everyone in Clade City knows their days are numbered. The Great Cascadia Earthquake will destroy their hometown and reshape the entire West Coast—if they survive long enough

to see it. Nuclear war is increasingly likely. Wildfires. Or another pandemic. To Griff, the daily forecast feels partly cloudy with a chance of apocalyptic horsemen. Griff's brother, Leo, and the Lost Coast Preppers claim to be ready. They've got a radio station. Luminous underwater monitors. A sweet bunker, and an unsettling plan for "disaster-ready rodents." But Griff's more concerned about what he can do before the end times. He'd like to play in a band, for one. Hopefully with Charity Simms. Her singing could make the whole world stop. When Griff, Leo, and Charity stumble upon a mysterious late-night broadcast, one song changes everything. It's the best band they've ever heard—on a radio signal even the Preppers can't trace. They vow to find the music, but aren't prepared for where their search will take them. Or for what they'll risk, when survival means finding the one thing you cannot live without.

**JC's Hope** Joyce Byers Hill, 2022-12-22 JC Harmon thought his dream of opening a youth center died when he was nearly killed in a horrific car accident. The fact he survived at all was nothing short of a miracle. He had always wanted to find a way to help troubled kids. Even with the support of his entire family, would he be able to run a youth center? Would he be able to find ways to reach kids who needed help, but had nowhere to turn? Before the accident, music was a large part of his life. Would he ever be able to play the piano or compose music again? Life had never been easy for Amy Phoenix and her younger brother Matthew, but he meant the world to her, and she would do whatever was necessary to protect him. When she heard about a new youth center opening in town, would that be the answer she was looking for? Would that be a way to keep Matt safe and off the streets? JC's Hope is a story of God's healing power. It's a story of seeing ourselves and our potential the way God sees us. Without setting limits on

ourselves, we can overcome life's challenges and make our dreams come true.

*J.C. Leyendecker* Laurence Cutler, Joseph Christian Leyendecker, Judy Goffman Cutler, 2008-11 His work in advertising was equally influential, as he created sustained campaigns for products that ranged from high-fashion menswear to Ivory Soap and Kellogg's Corn Flakes. But he is perhaps best known for his portrayal of the Arrow Collar Man, the first male sex symbol and the first advertising star of either gender. More than 600 original paintings, photographs, advertisements, and magazine covers, including all 322 for the Saturday Evening Post, testify to the brilliance and importance of this powerful, iconic image maker. The revealing text delves into both his artistic and his personal evolution, uncovering much new material and setting the record straight on many of the questions that had clouded Leyendecker's history until this day. Together the art and text of J.C. Leyendecker restore this groundbreaking artist's rightful position in the pantheon of great American imagists.--BOOK JACKET.

Johnson, 2015-05-05 We were created for a purpose, but in this constantly changing world, many of us become disillusioned by life and fail to discover our purposes and embrace our destinies. We meander through life, seeking to find ourselves and a meaning for our existence; yet we remain disoriented and unfilled. But there is hope. Our lives do not have to be like this; we can discover our purpose and walk in our predestined roles. The person God created us to be is within us but has become obscured with the trivial issues we allow to define us. Author J. C. Johnson's *From Obscurity into God's Marvelous Light: Finding the "You" that You Were Predestined to Be*, demonstrates how answering God's call on our lives empowers us to find our purposes

and live in our destinies. When we answer God's call, we embark on a life-changing journey. We are transformed and become the persons God intends us to be. We emerge from obscurity and into His marvelous light. Johnson uses her personal experiences and life lessons to inspire and empower us to travel our journey and to find and embrace the person God predestined us to be. He explains under five headings what we are to learn: 1) Christ's service will not secure us against troubles, 2) the Lord Jesus Christ is truly man as well as God, 3) believers may have much weakness, yet still be true believers, 4) Christ has all power, and 5) Christ is full of kindness towards His people.
