JCB 3C MkIII Backhoe Loader (1977 onwards) Julian Carder, 2016-11-18 This Manual will cover the JCB Backhoe Loader - the iconic 'yellow' digger, variants of which have now been in production for over 50 years. The book will be produced with the full co-operation of JCB, who are likely to take approx 2,000 copies to use for promotional activity to celebrate the company's 70th anniversary in October 2015 (a year of celebrations is planned running until October 2016). Renaissance Mark Anthony, 2017-07-29 Apple did not invent the smartphone, the MP3 player or the tablet computer; and yet it made each of these desirable, aspirational...cool. JCB did not invent the wheeled excavator, the skid steer loader or the site dumper. And yet...Written by veteran construction equipment journalist Mark Anthony, this book explores the similarities between technology giant Apple, and engineering giant JCB; how they use innovation to reinvent proven products; and how they are each turning established markets on their head.
