"Cities are the future of the human race, and Jeff Speck knows how to make them work." —David Owen, staff writer at the New Yorker Nearly every US city would like to be more walkable—for reasons of health, wealth, and the environment—yet few are taking the proper steps to get there. The goals are often clear, but the path is seldom easy. Jeff Speck's follow-up to his bestselling Walkable City

The Ministry for the Future Kim Stanley Robinson, 2020-10-06 ONE OF BARACK OBAMA'S

FAVOURITE READS OF THE YEAR 'If I could get policymakers and citizens everywhere to read just one book this year, it would be Kim Stanley Robinson's *The Ministry for the Future*' Ezra Klein, Vox 'A great read' Bill Gates *The Ministry for the Future* is a masterpiece of the imagination, using fictional eyewitness accounts to tell the story of how climate change will affect us all. Its setting is not a desolate, postapocalyptic world, but a future that is almost upon us. Chosen by Barack Obama as one of his favorite books of the year, this extraordinary novel from visionary writer Kim Stanley Robinson will change the way you think about the climate crisis. 'A novel that presents a rousing vision of how we might unite to overcome the greatest challenge of our time' TED.com 'A breathtaking look at the challenges that face our planet in all their sprawling magnitude and also in their intimate, individual moments of humanity' Booklist (starred review) 'Gutsy, humane . . . a must-read for anyone worried about the future of the planet' Publishers Weekly (starred review) 'A sweeping epic about climate change and humanity's efforts to try and turn the tide before it's too late' Polygon (Best of the Year) 'Steely, visionary optimism' Guardian

**Frogcatchers** Jeff Lemire, 2020-07-07 Experience a surreal descent into one man's psychosis in this haunting and chilling graphic novel from the New York Times bestselling author of *Roughneck* and *Sweet Tooth*, hailed as "the Stephen King of comics" (Maclean's). A man wakes up alone in a strange room with no recollection of who he is or

how he got there. The padlocked doors and barren lobby reinforce the strangeness of this place. This is—as he reads from an old-fashioned keychain beside his bed—the Edgewater Hotel. Even worse, something ominous seems to be lurking in one of the rooms. But when he meets a young companion—the only other soul in this vast, enveloping emptiness—his new friend begs him not to unlock the door. There must be something behind it...but what? A haunted hotel on the edge of reality, an endless bridge spanning an infinite ocean, and a man and a boy looking for a way out. This is the setting for a boundary-pushing, genre-defying new work of fiction by one of comics' master storytellers. "A perfect miniature of memory and loss, affecting and beautifully told in an outstanding use of the medium. A haunting dream of a book" (Warren Ellis, New York Times bestselling author).

*In the Wild Light* Jeff Zentner, 2021-08-10 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times • BuzzFeed • Kirkus Reviews • Publishers Weekly • Chicago Public Library "Redefines friendship as something that must be protected, sacrificed for, and tended to with wisdom, patience, and love." —Ocean Vuong, New York Times bestselling author of *On Earth We're Briefly Gorgeous* A poignant coming-of-age novel about two best friends whose friendship is tested when they get the opportunity to leave their impoverished small town for an elite prep school. For fans of *Looking for Alaska*. Life in a small Appalachian town is not easy. Cash lost his mother to an

opioid addiction and his Papaw is dying slowly from emphysema. Dodging drug dealers and watching out for his best friend, Delaney, is second nature. He's been spending his summer mowing lawns while she works at Dairy Queen. But when Delaney manages to secure both of them full rides to an elite prep school in Connecticut, Cash will have to grapple with his need to protect and love Delaney, and his love for the grandparents who saved him and the town he has to leave behind. Jeff Zentner's new novel is a beautiful examination of grief, found family, and young love.

Interaction of Color Josef Albers, 2013-06-28 An experimental approach to the study and teaching of color is comprised of exercises in seeing color action and feeling color relatedness before arriving at color theory.

Gray Love Nan Bauer-Maglin, Daniel E. Hood, 2023-01-13 Gray Love narrates stories about the most common themes – searching for and (perhaps) finding love. Forty-five men and women between ages 60 and 94 from diverse backgrounds talk about dating, starting or ending a relationship, embracing life alone or enjoying a partnered one. The longing for connection as old age encroaches is palpable here, with more and more senior singles searching online. Those who find new partners explore issues that most relationships encounter at any age, as well as some that are unique to elder relationships. These include having had previous partners and a complicated and deep personal history; family and friends' reactions to an older person's dating;

alternative models to marriage (such as sharing space or living apart); having more than one partner at the same time; one's aging body, appearance, and sexuality; and the pressure of time and the specter of illness and death.

**Flyaway Katie** Polly Dunbar, 2005-01-01 Katie is all alone and feeling grey. The colourful picture on her wall looks a much better place to be. If only Katie could brighten herself up, who knows what might happen. This story is an inspiring flight of fantasy about the powers of the imagination.

The Annulment A. Ben Henderson, 2011-03 Whittaker Parks was planning on a quiet end to his legal career. But within an hour of meeting John David Bain he knew that he had landed the case of a

lifetime. The reward of helping John David recover what he had thought was wrongfully taken from him far outweighed the risks of taking on the most prestigious and well connected law firm in East Texas. John David was permanently disabled due to a heart transplant, so when his wife, Lola, won the lottery and then proceeded to try and hide the money from him and have their marriage annulled the battle was on. When the truth was uncovered and the verdict was rendered, even Whittaker Parks was astonished at the outcome. But not as astonished as he would be in the days following the trial. Born on February 2nd, 1971 in Greenville, Mississippi, to a Southern Baptist minister and a homemaker, Ben Henderson as a young boy dreamed of being a professional basketball player and a lawyer. While fulfilling a portion of his dream by playing college basketball at Houston Baptist University he earned degrees in both English and Political Science. During a summer break he clerked for one of the oldest and most prestigious Personal Injury law firms in Houston, Texas, bolstering his love for the law and for litigation. Ben is currently a sales professional for an international company focused on helping attorneys and law firms achieve excellence in the business and practice of law. He has always had a passion for writing and it was during a sales call with one of his clients that he was presented with the idea for his first legal thriller, The Annulment. Ben and his wife, Jillian, currently live in Lindale, Texas where they enjoy spending time with friends and family and raising their 16 year-old daughter, Kylie, and 10 year-old

daughter, Ashton.
