

Jesus Evangelism Tool By Mobile Jesus

Sam Chan

Jesus at the Door Scott McNamara, 2020-09-29 As many as 96% of Christians are not leading anyone to Jesus. Which means that the vast majority of the wider church is, at best, simply sowing. The kingdom of God, however, requires both sowing and reaping. If we neglect reaping, we will not have a healthy harvest. Jesus at the Door offers a unique tool--an Equipping Card to use with anyone you know, anywhere--and practical, step-by-step instructions, helping readers witness to friends, family, even strangers on the street. This tried-and-tested method is framed around nine points and a picture, and takes about two minutes from introduction to salvation.

Jesus the Evangelist Richard D. Phillips, 2007 Do you share your faith often--or at all? All Christians are called to be evangelists. But many believers ask: What is an evangelist? How do I begin to talk to someone about Jesus? What must I say? This book offers answers about evangelism straight from the pages of Scripture.

People Sharing Jesus, eBook Darrell Robinson, 2008-02-03 Packed with practical insight and encouragement that helps unlock the abundant Christian life and share overflowing resources. People Sharing Jesus shares inspiring stories and reality-based techniques on how to apply this strategy to everyday life.

Share Jesus Fearlessly Donnie Anthony, 2018-02-13 Donnie has been able to capture his passion on the pages of Share Jesus Fearlessly, which inspires each believer to join in the Apostles' early witness that "we cannot stop speaking what we have

seen and heard.” Dr. Rodney Woo, Pastor, International Baptist Church, Singapore I have known Donnie for many years and have seen first hand God’s favor upon his life and ministry. It is with joy that I ask you to prayerfully consider this as a tool to help you engage your sphere of influence with the gospel. Dr. Nathan Lorick, Executive Director, Colorado Baptist General Convention. Former Director of Evangelism, Southern Baptists of Texas Convention You love Christ, and you love people. But do you know where to start in sharing Jesus with them? Would you like to have the confidence to engage people in life changing conversations? In *Share Jesus Fearlessly*, author Donnie Anthony offers a practical guide that will instill in you the power, love, and soundness of mind to energize you in any witnessing opportunity. You will be inspired by Donnie’s personal examples and will discover a simple tool you can master easily. Prepare your heart for an evangelism adventure that will enable you to fulfill the purpose for which you were created. You will never look at sharing the gospel the same way again.

You Can Lead Someone to the Lord Jesus Christ Today Zacharias Tanee Fomum, 2016-06-10 This book can revolutionise the Church and help heal all forms of spiritual barrenness. The author, Z.T. Fomum, denounces the errors that hijack the Gospel message. He wants, through a reminder of fundamental truths, to bring the people of God back to a revolutionary conquest of souls. Why? Because evangelism is the act of presenting Jesus to a person who does not know Him, in a way that

provokes a real encounter with Jesus. With God committed to this work, there is a need to walk and act in the power of the Holy Spirit. In this book, the reader will also find all the advice for approaching a soul and proclaiming the gospel with impact, as the author helps us to discover in the encounter between Jesus and the Samaritan woman. This book is a must-read!

How to Talk about Jesus (Without Being That Guy)
Sam Chan, 2020-11-03 Most Christians know they should be trying to tell their friends and family about Jesus. But in a post-Christendom world, personal evangelism is viewed negatively--it's offensive, inappropriate, and insensitive. Recent studies confirm that the majority of Christians rarely evangelize, worried they might offend their family or lose their friends. In *How to Talk About Jesus (Without Being That Guy)*, author Sam Chan equips everyday Christians who are reluctant and nervous to tell their friends about Jesus with practical, tested ways of sharing their faith in the least awkward ways possible. Drawing from over two decades of experience as an evangelist, teacher, and pastor, Chan explains why personal evangelism feels so awkward today. And utilizing recent insights from communication theory, cross-cultural ministry, and apologetics, he helps you build confidence in sharing your faith, and teaches you how to evangelize your friends and family in socially appropriate ways.

Conversational Evangelism David Geisler, Norman Geisler, 2014-10-01 Witnessing used to involve laying out the truth and guiding a person to understand and accept it. But the awareness of

basic Christian principles has changed and so have the needs of pre-believers. With a passion for people, authors David and Norman Geisler share an engaging, conversational approach to evangelism as they address: What makes old models of witnessing ineffective in today's culture Why evangelism must start with relational pre-evangelism How to ask questions, listen attentively, and understand what someone believes Ways to identify the real barriers to belief in order to build a bridge to truth How to keep dialogue going with different personality types This refreshing, practical resource is ideal for churches and individuals. Readers will discover how God uses their everyday encounters for great things when they switch from trying to witness effectively to effectively being a witness through communication and compassion.

Sharing Jesus without Freaking Out Alvin Reid, 2017-04-01 You were born for this. God hardwired you—yes, you—for this. I'm talking about sharing Jesus with others. What if I told you evangelism is less about delivering a polished presentation and more about having a real conversation? What if I told you that God has created you to bring glory to himself by sharing Jesus with others, and that you don't need years of training to obey what he already made you to do? God created you for his glory to advance his gospel with the gifts, talents, and opportunities he gave you. You live at this time in history for a purpose bigger than yourself. In these pages you will read how to connect the gospel story with your story, and how to talk about that story in normal conversations with people you know. No

gimmicks. Nothing clever. No need to freak out. Just you, Jesus, and others—in conversations that matter.

Search N Rescue Eddie Roman, 2019-03-01 Search and Rescue is a practical guide to reaching people with the good news of Jesus Christ. Eddie has been teaching evangelism classes and leading outreaches for the past six years. As producer/director of Ray Comfort and Kirk Cameron's TV show, The Way of the Master, Eddie knows how to communicate deep truths in a way that is easy to grasp. Many Christians want to share the gospel with friends and family, but few actually do. Fear of rejection stifles many. Others don't share Christ because they don't know what to say. Drawing insight from the bible, as well as personal experience, Eddie gives clear instruction on how to overcome the obstacles and share your faith.

Honest Evangelism Rico Tice, 2015-03-27 Excites and equips us to share our faith in a world of increasing hostility and hunger for Jesus Most of us find evangelism hard, but there is no greater joy than seeing people come to Christ Jesus. This realistic and humorous book by Rico Tice will help prepare and encourage you to be honest and bold in your evangelism, presenting the gospel fully and properly, even when it's tough.

Evangelism Is-- Dave Earley, David Wheeler, 2010 Two veteran missionaries write forty creative and empowering chapters on what it truly means to share Jesus with passion and confidence both locally and worldwide.

Eyewitness Evangelism Emily Shanklin, 2007-09 Author Emily Shanklin never had any problem

finding books that told her how to share her faith in Christ, but she could never find any that showed her how. In her innovative religious guide, *Eyewitness Evangelism*, Shanklin takes a how-to approach to demonstrate the right way to lead someone to Jesus Christ as their Lord and Savior. Each chapter centers on an evangelist who encounters a different person or persons from another walk of life. This gives you the opportunity to see how the evangelist opens a conversation, moves it to the spiritual realm, and attempts to bring the individuals to the point where they're ready to receive Christ. The evangelist uses the same underlying method with every venture, which is a combination of many techniques popular today. Shanklin facilitates an understanding of the process by answering the following questions: How did the evangelist start the dialogue? How did the evangelist create a spiritual dialogue? How did the evangelist urge people to receive Jesus Christ? Was timely information revealed that affects Christ's kingdom? *Eyewitness Evangelism* will enable you to step out in confident trust and fulfill the Lord's great commission to make disciples of all nations.

The Four Pillars of Evangelism C. L.

Thomas, 2011-08-08 What is evangelism? Have you ever asked that question? For most people the word conjures up a great deal of pictures or thoughts that run the ambit of fanatics running the streets with tracts in their hands to the nice little Christian who models their faith through a quiet lifestyle. Is either of these correct? Is the answer somewhere in the middle? Is there a correct

answer at all? I believe that there is. This book is designed to walk one through the ministry principles and actions of the greatest evangelist of all times, Jesus Christ. He remains the best example of communicating the good news in a purposeful, personal, progressive, practical, and pervasive manner. The steps to an effective witness are in following pillar principles demonstrated by Jesus. The confidence to be involved in evangelism is tied to following the pillar principles of evangelism. The understanding of what to say, how to say it and when to say it are found in the pillar principles of evangelism demonstrated by Jesus and are explained in this book. If you desire a practical tool to learn more about evangelism and teach others the same then this book is for you.

NetCasters Craig von Buseck, 2010-06-01 Like the industrial age before it, the information age has changed our lives in monumental new ways, including how a lot of us are learning about spirituality. Research suggests fifty million people will rely solely on the Internet—indeed the new Roman Road—for their faith-based experiences in 2010. In *NetCasters*, Craig Von Buseck, director of CBN.com for the Christian Broadcasting Network, discerningly profiles those who are doing the best job of spreading biblical Christianity online. He encourages the church at large to follow their lead and fish for souls in these same rich waters—from blogs and chat rooms to Facebook pages, Twitter accounts, and beyond.

Share Christ Dave Nodar, Dianne Davis, Fr. Erik Arnold, 2018-04-11 “We cannot keep to ourselves the

words of eternal life given to us in our encounter with Jesus Christ: they are meant for everyone, for every man and woman.” - Pope Benedict XVI

Should Catholics evangelize? How would I start? What would I say? Evangelization isn’t just for evangelical preachers, popes, and foreign missionaries. It’s something all of us as baptized Christians can do. Through personal stories and examples, authors Dave Nodar, Dianne Davis, and Fr. Erik Arnold show that every one of us has the unique opportunity and ability to be a part of God’s work. *Share Christ* shows that sharing the Gospel doesn’t have to be foreign or frightening. Readers from all walks of life will be empowered to evangelize in their everyday surroundings, inviting those they encounter into friendship with Jesus Christ. Offering practical steps and encouragement, this book will equip you to share the Good News with love, joy, and authenticity anytime, anywhere. Based on the ChristLife “Sharing Christ” DVD series. Find out more at christlife.org/share. The Lord Jesus commands us to go and proclaim the Gospel to every creature. What does that look like in our everyday lives? Dave Nodar, Fr. Erik Arnold, and Dianne Davis give a simple and uncomplicated explanation of how to share Christ through their own conversion testimonies and experience evangelizing. - Most Reverend William E. Lori, Archbishop of Baltimore “Share Christ is one of the most down-to-earth, practical and encouraging Catholic resources on evangelization I’ve seen. If you love the Lord Jesus and want to share Him with others but are not sure how to begin, this book is

for you.” - Dr. Mary Healy, Member of the Pontifical Biblical Commission “There’s much talk about evangelization in the Church today but ChristLife is actually doing something about it. Their three-part video series, now in book form, has helped thousands come to a deeper relationship with Christ, grow into a lifestyle of discipleship, and actually begin to share him with others. This book can do the same for you.” - Dr. Ralph Martin, Consultor to the Pontifical Council for the Promotion of the New Evangelization ABOUT THE AUTHORS Dave Nodar, Dianne Davis, and Fr. Erik Arnold are leaders in ChristLife, a growing movement of missionary disciples united by a commitment to bear witness to the gospel of God’s love and empowering presence in Jesus Christ our Lord.

Speaking of Jesus Carl Medearis, 2011-07-01 Some of us fear moments when we need to defend our theology. Some of us seek them out. But we are seldom ready the way Jesus seemed to be ready. So how do we draw others to God in the midst of these ordinary conversations the way Jesus did? In *Speaking of Jesus*, Carl Medearis draws on his experience of international reconciliation between Muslims and Christians to remind us of the heart of the matter: Jesus. Here he gives us tools, stories, and the foundation we need to move beyond “us” and “them” and simply talk about the One who changes it all. As Carl writes, “While others are explaining and defending various isms and ologies we’re simply pointing people to our friend. The one who uncovers and disarms. Who leads people right to himself. The beginning and the end of the

story. A good story indeed.”

Turning Everyday Conversations Into Gospel

Conversations Jimmy Scroggins, Steve Wright, Bennett Leslee, 2016-11 We live in a broken world. And the gospel is how God puts broken people back together again. Once we repent and believe in Jesus, God’s Spirit helps us recover and pursue His design. God is the one who created the world and every human being in it. Authors Jimmy Scroggins and Steve Wright outline a reproducible method of sharing the gospel that has been tested in the real world. Turning Everyday Conversations Into Gospel Conversations is a simple strategy to train new and seasoned believers to join God in His reconciliation work. Turning Everyday Conversations Into Gospel Conversations equips believers to use the innovative 3 Circles, a user-friendly evangelistic tool for a new generation. Scroggins and Wright train readers to incorporate the biblical metanarrative, as well as our own personal stories, to tell the good news that Jesus has made a way out of the broken places we find ourselves. Churches around the world are training people to share the gospel using this method. It has proven appeal across generations and cultures. They’ve heard stories about an 8-year-old boy leading his 26-year-old cousin to repent and believe in Jesus and a 70-plus-year-old church member, who had never before shared his faith, leading his Spanish-speaking neighbor to Christ. It’s been used to train the Mixtec in Mexico, Maasai Warriors in Kenya, and prisoners in America. It’s been presented on napkins, in concrete, in the sand, and using tortillas. The 3

Circles work, and this book will train you and your church members to use it. It doesn't matter if you have been a Christian for decades or days, you can learn to do what God asks us to do—to make His appeal to others through us (2 Cor. 5:20). This short training manual will empower and inspire millions of Christians to turn hundreds of millions of everyday conversations into gospel conversations.

Contagious Faith Mark Mittelberg, 2021-10-05
Contagious Faith will prepare you to share God's love with others in a way that's authentic, comfortable, and impactful. As disciples of Christ, we are called to share the gospel, but few of us are naturally comfortable with evangelism. We wrestle with internal fears, a lack of preparation, and the sense that reaching out to others might force us to act like someone we're not. What if we could find a way to talk about Jesus that fits our personalities, makes us feel confident, and ignites a fire in others? In Contagious Faith, bestselling author and teacher Mark Mittelberg introduces five approaches to evangelism and helps you determine which of them fit best with your unique personality and style: Friendship-Building Selfless-Serving Story-Sharing Reason-Giving Truth-Telling He also explains in a down-to-earth fashion several key skills that will help you talk about Jesus effectively, illustrating his message with real-life accounts of ordinary believers who applied these principles for extraordinary impact. With inspiring stories, fresh approaches, and timeless biblical wisdom, Contagious Faith will equip you to make a

spiritual impact in the lives of the people around you—even in our increasingly resistant culture.

The Gospel and Personal Evangelism (Foreword by C. J. Mahaney) Mark Dever, 2007-09-07 Evangelism is not only misunderstood, it is often unpracticed. Many Christians want to share the gospel with others, but because those Christians don't grasp the fundamentals of witnessing, they feel intimidated and incapable of sharing the truth of the gospel. Yet those believers fail to recognize that God has already established who and how we are to evangelize. In *The Gospel and Personal Evangelism*, Dr. Mark Dever seeks to answer the four basic questions about evangelism that many Christians ask: Who should we evangelize? How should we evangelize? What is evangelism? Why should we evangelize? In his answers Dever draws on New Testament truths and helps believers apply those truths in practical ways. As readers understand the fundamentals of evangelism, they will begin to develop a culture of evangelism in their lives and their local churches.

Putting Jesus on Display with Love and Power Brian Blount, 2019-09-17 The Holy Spirit has empowered every believer not only to proclaim but also to demonstrate the reality of the good news of the gospel by living a lifestyle of signs and wonders that puts Jesus on display. As we look for the Holy Spirit's activity happening around us, listen for His voice, and respond in obedience, we enable others to encounter the love and power of Jesus through us. We don't bring ministry, Pastor Brian Blount says; we simply step into it. But there is still risk involved: We have to step out

of the boat and walk on the water of uncertainty for the sake of the kingdom. How can we overcome the fear of failure and rejection? Offering practical insights and tools through true personal stories, Brian helps believers stand on a firm biblical foundation in order to engage in the ministry of Jesus every day. Live boldly as you participate in the lively lifestyle of everyday evangelism!
