Kidz: Gospel Illusions Randy Burtis, 2019-08 With step-by-step instructions (that include photos and scripts!), *Gospel Illusions* makes it easy for ANYONE to add object lessons and illusions to children's ministries, Sunday School classes, homeschool curriculum, and more. It features over 35 illusions that are sure to make your kids go--WOW! But more importantly, they will help share the Word of God in a creative and memorable way. Have you ever tried an object lesson and found yourself wondering, Am I doing this right? Most object lesson books are hard to follow since they don't include photos! Imagine having one that does! *Gospel Illusions: Object Lessons You Can Do* Includes: Step-by-step instructions for over 35 illusions Photos showing how to do each major step Scripts on what to say Discussion questions to help kids apply key lessons to their lives Whether you are new to illusions or a pro, you'll find new object lessons to use! You don't need to practice for hours, crossing your fingers that it will hopefully work. These illusions are quick, easy, and typically require less than 10-15 minutes of practice. Plus, each illusion has a one- to five-star rating for difficulty, so you can conveniently find the right one for your skill (and comfort) level. Unlike other object lesson books, *Gospel Illusions: Object Lessons You Can Do* uses everyday items that are around your house, saving you time and money. Please note: Illusions are not your average object lesson. They include a Sha-Bam! moment that the kids didn't see coming, capturing their attention and helping them remember key truths! Softcover, fully reproducible, ages 5-12, 288 pages, 8 3/8 x 11 inches, ISBN 9781628628166. 7 Key Features of This Easy-to-Do Object Lesson Book for Sunday School Step-by-Step Instructions & Process Photos. There are lots of great object lesson books out there, but not all of them SHOW you how the lesson should look. Enjoy having process photos AND detailed instructions for every step to guide you through each illusion easily! Scripts. Comes with scripted dialogue cues on how to explain the significance and lesson behind each illusion. Discussion Questions. Includes relevant reflection questions for each illusion to help kids apply key truths to their lives. Unique Categorization. Wonder which object lessons are safest to try first? No need to wonder. *Gospel Illusions'* star rating icons help you find one for your skill level. Anyone Can Do These! From volunteers to teen teaching assistants, these object lessons are simple and easy to follow, using step-by-step instructions and household materials. Age-Appropriate. Save time and money when you have ONE object lesson book for grades K-8! Simple enough for kindergarteners to understand and engaging to pre-teens, these object lessons will wow and astound just about any kid! Expert Advice. Written by experienced children's pastor and professional illusionist Randy Burtis, *Gospel Illusions* is packed with fully scripted, easy-to-do object lessons and optic illusions. About the Series Instant Bible Lessons series offers a variety of Bible lessons to help kids grow closer to God in a hands-on way, using interactive activities. Age-appropriate, fully reproducible, and flexible, these books are packed with everything you need to teach the truths of God to children. The series offers lessons for children ages 2-12. The Instant Bible Lessons Series is a must for church or home use. About the Author Randy Burtis, born and raised in Calgary, Alberta, became a follower of Jesus at age fifteen. Since that time, his heart's desire has been for children's ministry. His goal is that each child would know they are loved, valued, and accepted; that teachers would be trained to fulfill their mandate to disciple kids; and that parents would be equipped to love their kids into God's kingdom. To that end, he has traveled to hundreds of churches, spoken at hundreds of camps, and served as a children's pastor for twenty-five years. He currently serves in Canada's largest evangelical church, Centre Street Church, where he oversees kindergarten through fourth-grade children and their families. He is also a professional illusionist, having performed thousands of shows for over twenty-five years. Randy is married and has two daughters who joined his family through adoption.

Knowing God's Voice Kenneth C. Ulmer, 2011-09-01 If you are doing all of the talking, it is likely that you will not hear what others have to say, let alone gain from their counsel, insight and wisdom—if this is true with humans, isn't it even more so with God? It is difficult sometimes, in our era of financial collapse, ongoing war and increasing alienation from each other, to feel confident that the Almighty takes a personal interest in our lives. *Knowing God's Voice* is the assurance so many people are waiting for: God is interested. He has a lot to say! Readers will learn to discern God's voice from the background noise of internal anxiety and external circumstances, and to trust His guidance and revelation even in trying times. God is speaking to His people, if only they will have ears to hear!

Life in 3D Jackie Trammell, 2021-03-22 God has given us the ability to overcome challenges, obstacles, and anything holding us back from reaching our destiny. But to do so, you must live out the three Ds, which are deliverance, development, and destiny. This book provides an accurate picture of God, allowing His words to leap from the Bible as if they were written in 3D. By reading this book, you'll be able to: achieve spiritual growth on a daily basis; embrace God and see His power in your life; stop doubting yourself and your goals. If you want to be successful, you need to be motivated to achieve success. Go after things of God that spark you. Get that burning desire and stop at nothing until you get good breaks. Now is the time to put on your 3D glasses for Jesus and see the perfect picture waiting for you. Walk in the light of God and don't let anything stand in the way of your dreams.

The Adulteress Before Christ, a Picture by Rembrandt Charles Sedelmeyer, Abraham Bredius, 1912

The Wood Between the Worlds Brian Zahnd, 2024-02-06 The cross is the heart of Scripture Everything about the gospel message leads to the cross, and proceeds from the cross. In fact, within the narrative of Scripture, the crucifixion of Jesus is literally the crux of the story—the axis upon which the biblical story turns. But it would be a mistake to think we could sum up the significance of the crucifixion in a tidy sentence or two. That kind of thinking only insulates us from the magnificence of what God has done. In our ongoing quest to make meaning of the cross, we need to recognize that this conversation will never conclude—that there is always something more to be said. Brian Zahnd reminds us that the meaning of the cross is multifaceted and should touch every aspect of our lives. Just as gazing through the eyepiece of a kaleidoscope reveals a new geometric image with every turn, Zahnd helps us see that there are infinite ways to behold the cross of Christ as the beautiful form that saves the world. *The Wood Between the Worlds* is an invitation to encounter the cross of Christ anew.

Why Christ Can't Be Pictured J. Virgil Dunbar, 1994-08

The Finality of the Christian Religion George Burman Foster, 1906

Illusion of Safety B. J. Packer, 2022-09-30 When health inspector Laura Simonsen begins gathering information on a patient with salmonella poisoning, she has no reason to believe she's dealing with anything out the ordinary. But on the same night the elderly victim dies, the owner of a small meat market is murdered in his parking lot, and Laura suddenly finds herself entangled in something far more hazardous than contaminated food. Laura and a colleague assist homicide detective Thomas Garcia by investigating the records at the factory where the contaminated food was processed. They discover fraud, theft, and a possible connection to the murder. Perhaps even more unsettling, Thomas shows signs of wanting more than a working relationship with Laura, who's reluctant to start something new after having escaped an abusive husband. Now Laura must decide how closely she wants to guard her heart and—more urgently—figure out how to avoid becoming the next murder victim.

The Divine Image Ian Alexander McFarland, Theologian Ian McFarland claims that Christians have mainly misappropriated the image of God language for 2000 years and thereby missed a rich resource for our knowledge of God. What, then, does it mean to say that we are made in God's image, or that Christ is the very image or prototype of God? Rather than referring to some germinal divine element in humans, such as reason, McFarland claims that the image of God in us tells us something about God and how we know God. It tells us that God, though not identical with us, communicates Godself to us in creative love, in a way that offers precious clues about God's transcendence, immanence, triune life, self-disclosure, incarnation, and intentions for human life. Too, we learn from Jesus something new about God. Gathered as Christ's body, the church too images God and sets us on a quest to discern the image of

God in Christ's incarnate body. McFarland's careful and exacting work builds from this kernel a powerful Christian vision of God's life and our own destiny in Christ.

THE SHAPE OF ILLUSION William E. Barrett,1972
The Kiss of Death Tobias Churton,2012-01-01 The story begins with the exciting story of the discovery of the Gospel in Egypt in 1978, and its subsequent movements from one antiquities dealer to another. We discover how this precious document eventually finds a home in a New York safety deposit box, where it languishes for years with a \$3 million price tag, before it is finally published to huge public attention and fanfare. More than just the story of The Gospel of Judas since it had been found, Churton also discusses how it relates to the historical place of the Judas: how he has been maligned and misrepresented across the centuries. This fascinating book sheds new light on the real nature of Jesus, and presents a daring speculation on the endeavours he planned with his disciples in Jerusalem, Judea and Galilee. The Kiss of Death is an explosive book that explains the text of The Gospel of Judas, its context in modern Christianity, as well as the importance of its discovery and subsequent publication.

Pictures of Jesus Dave Weiss,2015-06-30 I've been privileged to do my presentation Pictures of Jesus all over the U.S. and one thing almost always happens. Someone, sometimes many people, will come to me and say, I wish so and so would have seen this, he/she would have been really blessed by it. I finally decided to write it in book form so people could share it with their loved ones. My hope is that this book will help the message of Pictures of Jesus to spread far further than I can take it on my own. All of us who follow Jesus are Pictures of Jesus to the rest of the world. We need to be the best Pictures of Jesus we can be. This book will show you how to be that picture and how to share His message of love and hope, in word and deed, with all who need to hear and receive it.

Icons of American Protestantism David Morgan,1996-01-01 Although American Protestants often claim that they are opposed to the use of devotional images in their religious life, they in fact draw on a vast body of religious icons to disseminate confessional views, to teach, and to celebrate birthdays, baptisms, confirmations, and sacred holidays. This fascinating book focuses on the production, marketing, and reception of one such set of religious illustrations, the art of Warner Sallman (1892-1968), whose 1940 Head of Christ has been reproduced an estimated five hundred million times. Five scholars--three art historians, a church historian, and a historian of material culture--investigate various aspects of Sallman's career and art, in the process revealing much about the role of imagery in the everyday devotional life of American Protestants since the 1940s. The chapters examine Sallman's work in terms of the visual sources, media, and forms of use that shaped its making; its mass production, marketing, and distribution by publishers and vendors; and the commercial nature of Sallman's training and his work as an illustrator. Other chapters explore the reception of his religious imagery among those who admired it and saw in it a vision of the world as they would have it exist; the religious and theological context of conservative American Protestantism in which the imagery flourished; and its critical reception among liberal Protestant intelligentsia who despised Sallman's work and what it represented in popular Christianity. By placing Sallman's art in theological, ecclesiastical, and aesthetic perspective, the book sheds light on the evolving shape of twentieth-century American evangelicalism and its influence on modern American culture.

The Perspective of Resurrection Petr Gallus,2021-04-15 Because the Christian faith stands and falls with Jesus Christ, Christology is at the heart of its theology. Answering the question of Jesus Christ's identity is therefore urgent. Petr Gallus attempts to do so by critically reflecting on tradition and articulating it for today.

A Picture of Jesus Lee Walser,2017-01-09 The life of Jesus, told in pictures and poetic meditations.

Montage Depictions Of The Life Of Jesus James William Allen,2013-11-11 Stories of Jesus have been told throughout time, but the great fine art masters brought the narrative to light in very unique and poignant ways. Scholars and students of the Bible, appreciators of art, and people who simply seek understanding through the visual medium will enjoy this heartfelt rendering of the various stages of Jesus’ life. Through their meticulous choice of fine art, James William and Jacquelyn M. Allen draw the observer into a world that often finds expression within the purview of text. Though scripture and other scholarship paint picture with words, the artistic universe offers a shocking paradigm shift. Suddenly, we are there, in Judea, feeling empathy and joy for Mary and Joseph, a young couple who have been told of the savior’s forthcoming arrival- their very own newborn. Angels, the three wise men (also known as “the magi,”) and a host of other participants come to life through breathtaking brush strokes that magically vanquish millennia. Created through artful use of digital technology, James William Allen’s photoshop montages juxtapose various renditions of artistic brilliance across the ages, demonstrating the timeless impact of Jesus’ birth, life trajectory, death, resurrection and ascension. The text was largely derived from the canonical Bible- four accounts according to the Gospels of Matthew, Mark, Luke, and John. The authors of this work neither purport to be biblical scholars, nor intend to set forth a particular set of religious or spiritual principals. The book is primarily offered for aesthetic purposes and in tribute to a remarkable life that eternally endures.
